STEELHEAD *1969*

The Dalles High School
The Dalles, Oregon

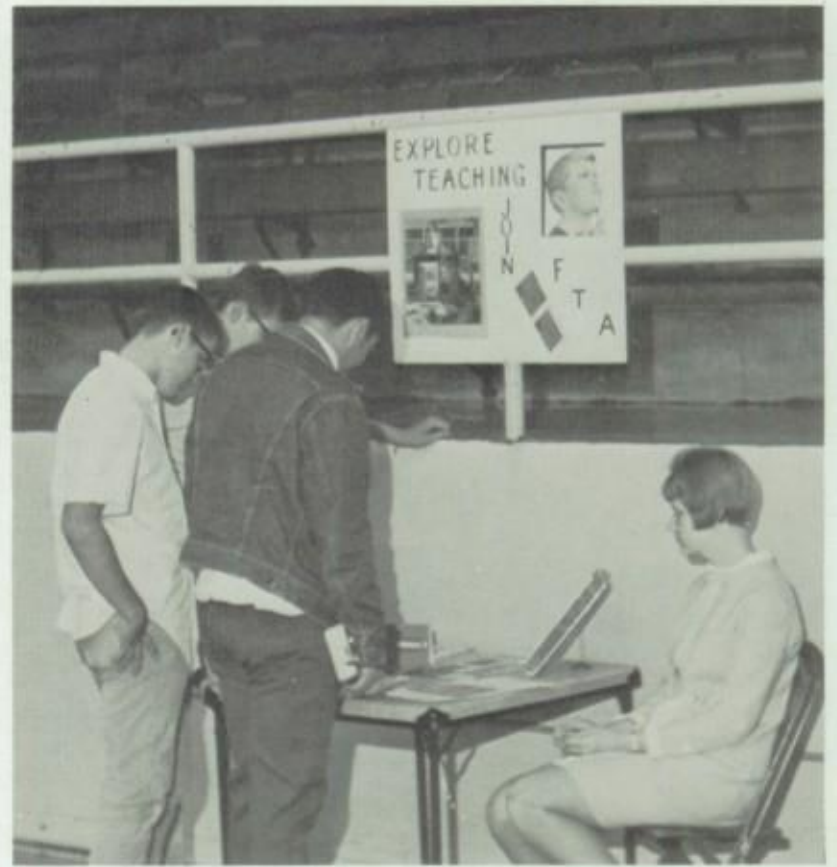

Published by the Steelhead Staff.

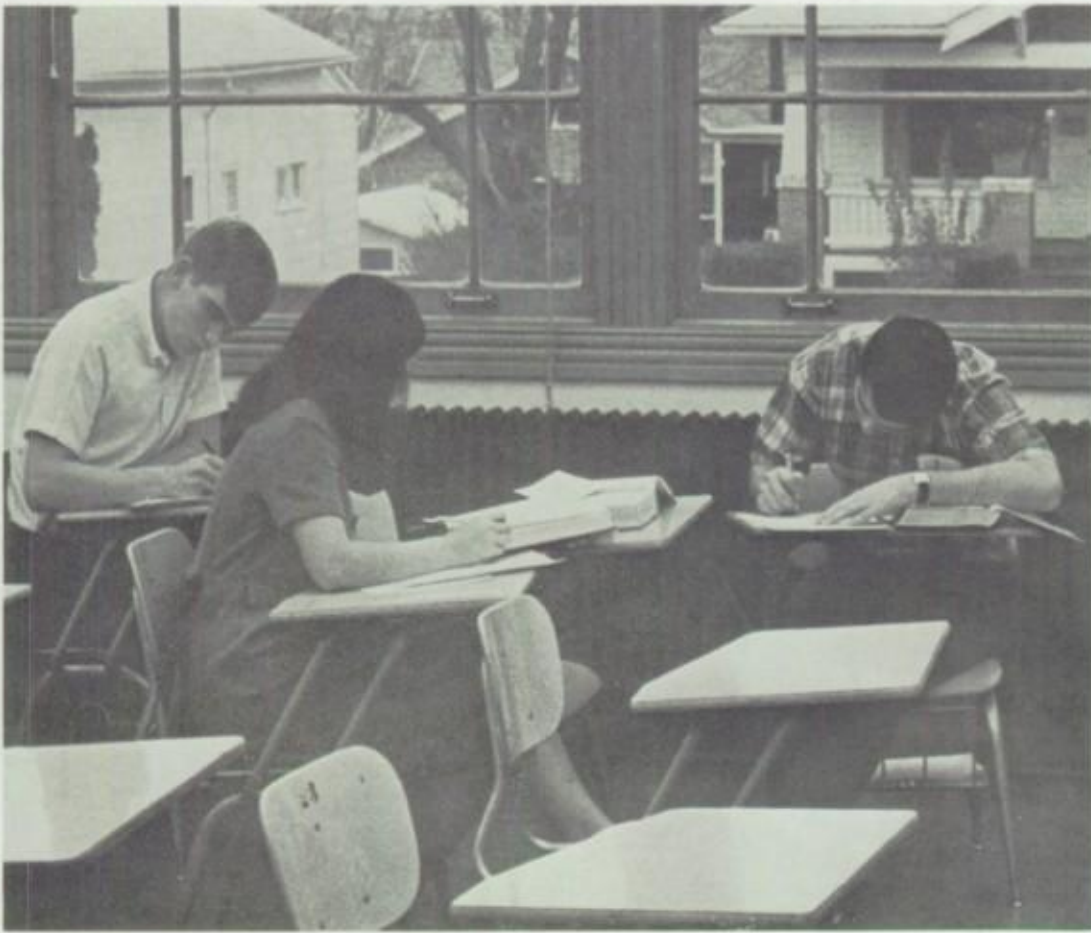

The year begins. . .

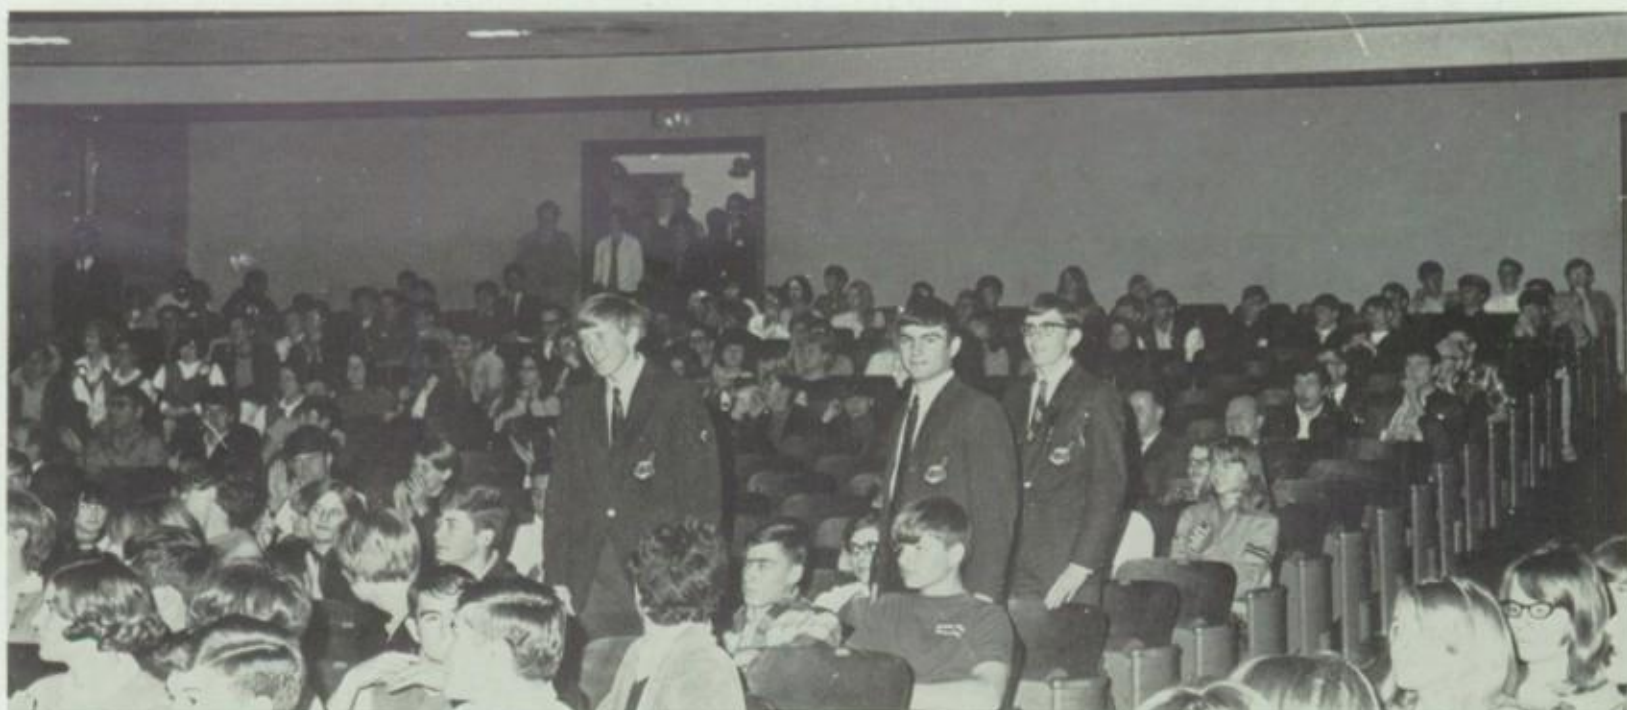

You are tried alone; alone
you pass into the desert;
alone you are sifted by the
world.

—Robertson

Ping Pong tournament results were: 1st place, Mr. Paul Poetsch, 2nd place Mr. Dick Strait, 3rd and 4th places tied by Bruce Lemuel and Mr. Jack Harmon, 5th place Bob Bellamy, 6th place, Mr. Dave Jones, 7th place, Ed Sandoz, 8th place, Pat Alborno, 9th place, Gary Turner, and 10th place, Bob McConnel.

College Visitation

If he is indeed wise he
does not bid you enter
the house of his wisdom;
but rather leads you to
the threshold of your
own mind.

—Gibran

Homecoming Decorations

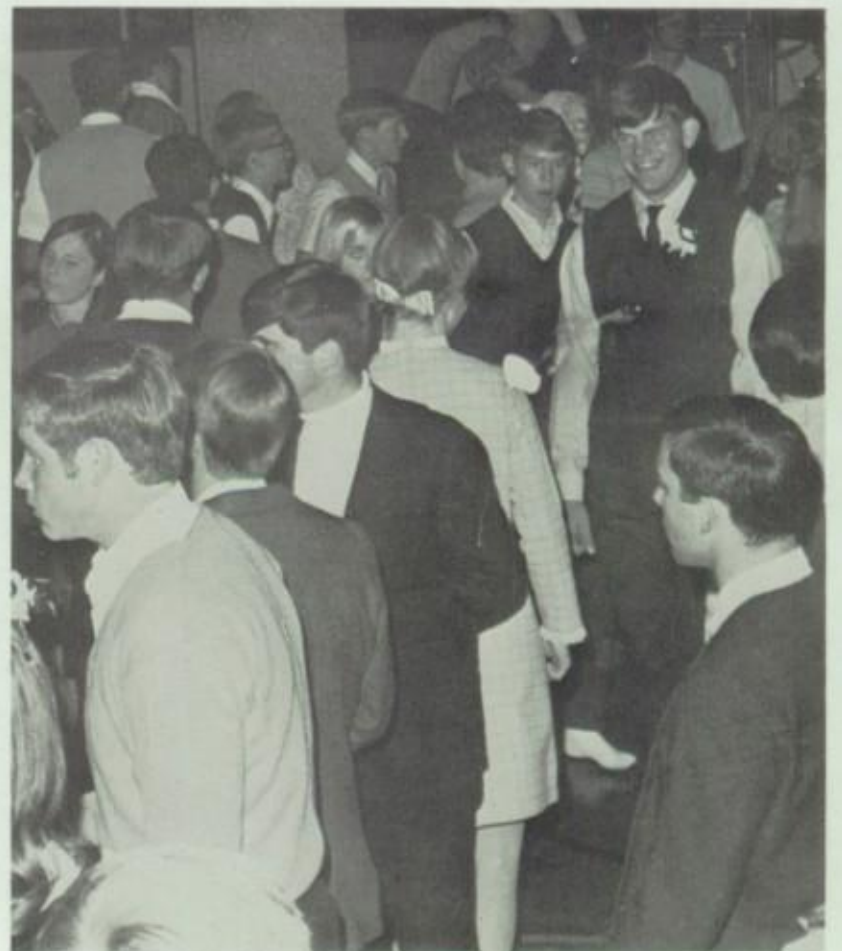

We hide the world with veils and frills
Take time to cover the old and stale
Only to find it peek out among the festivities.
To cast its ancient wisdom upon all.

Boy of The Year

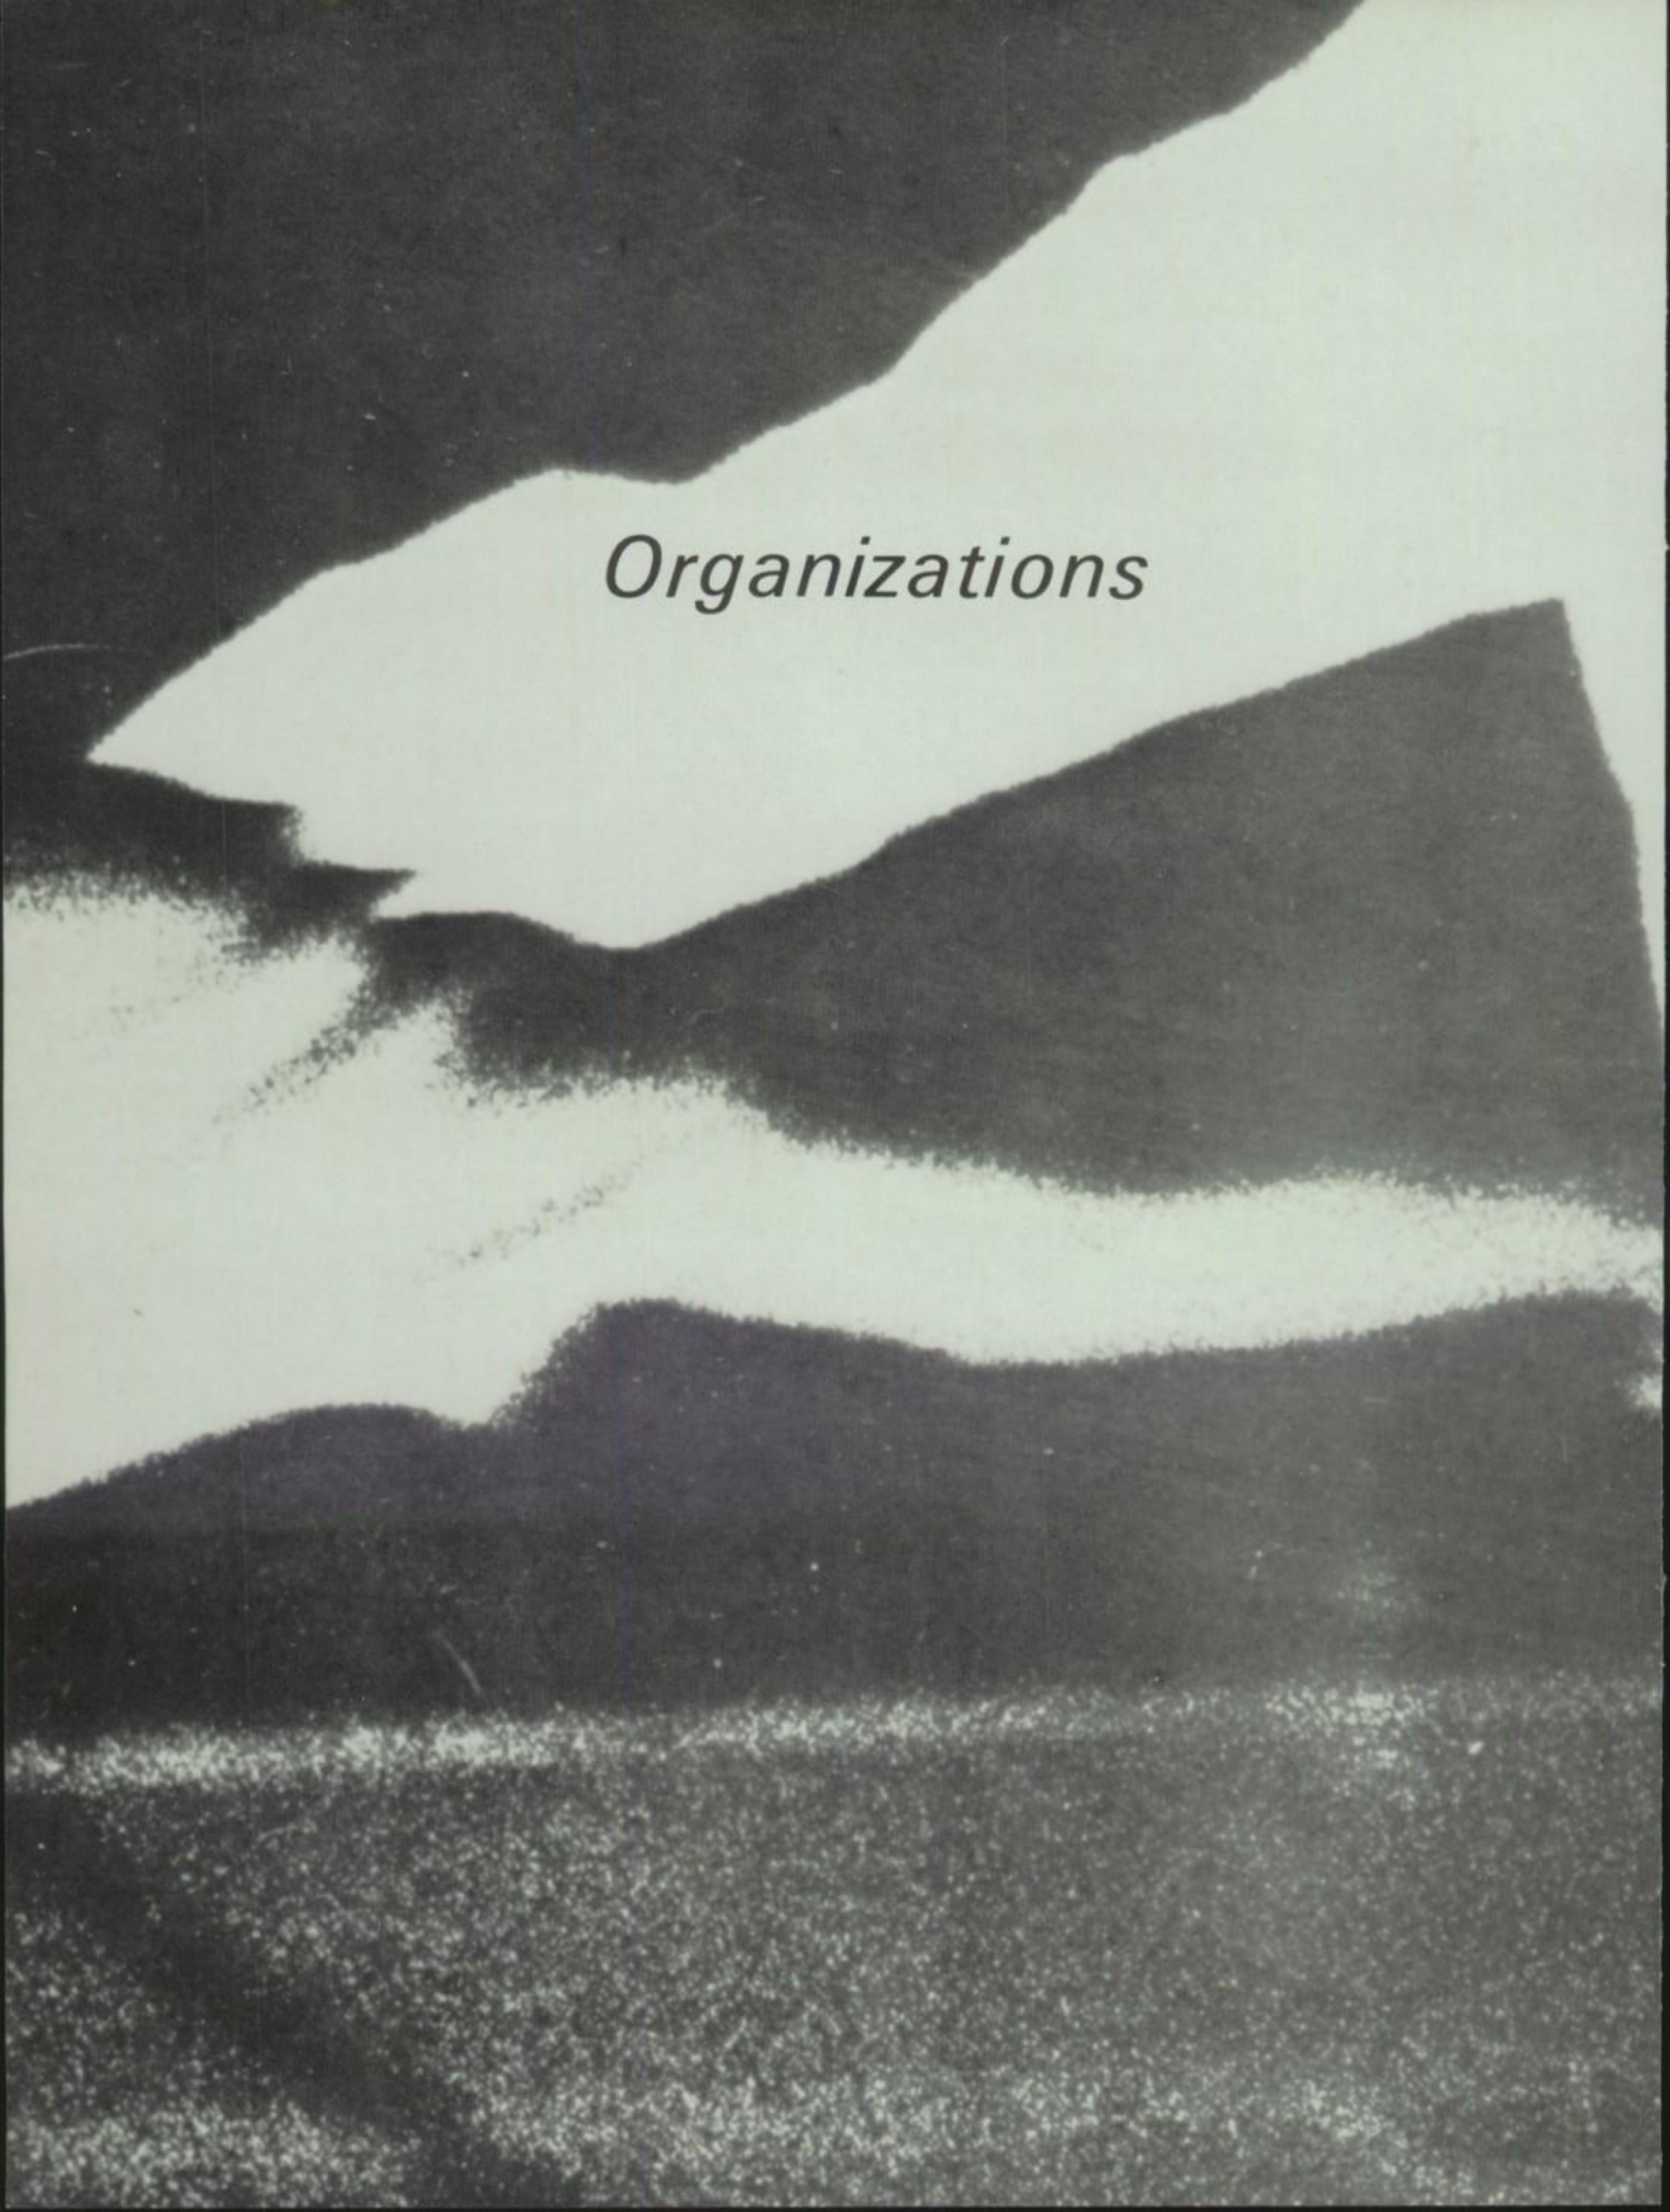

The 1968-1969 Boy of the Year was Jim Woods. Jim was quite active in student government as being A.S.B. President. He was student Lion from DHS and attended meetings every Tuesday at noon. Jim showed himself as an outstanding athlete. In his junior year, he played defensive halfback in varsity football, took third place in state wrestling competition in the 148 pound class, and played third base position on JV baseball. As a senior, Jim played offensive and defensive varsity football and placed second in state wrestling competition in the 157 pound class. Jim was an active member of harmonaires as a junior and senior. He plans to attend Washington State University.

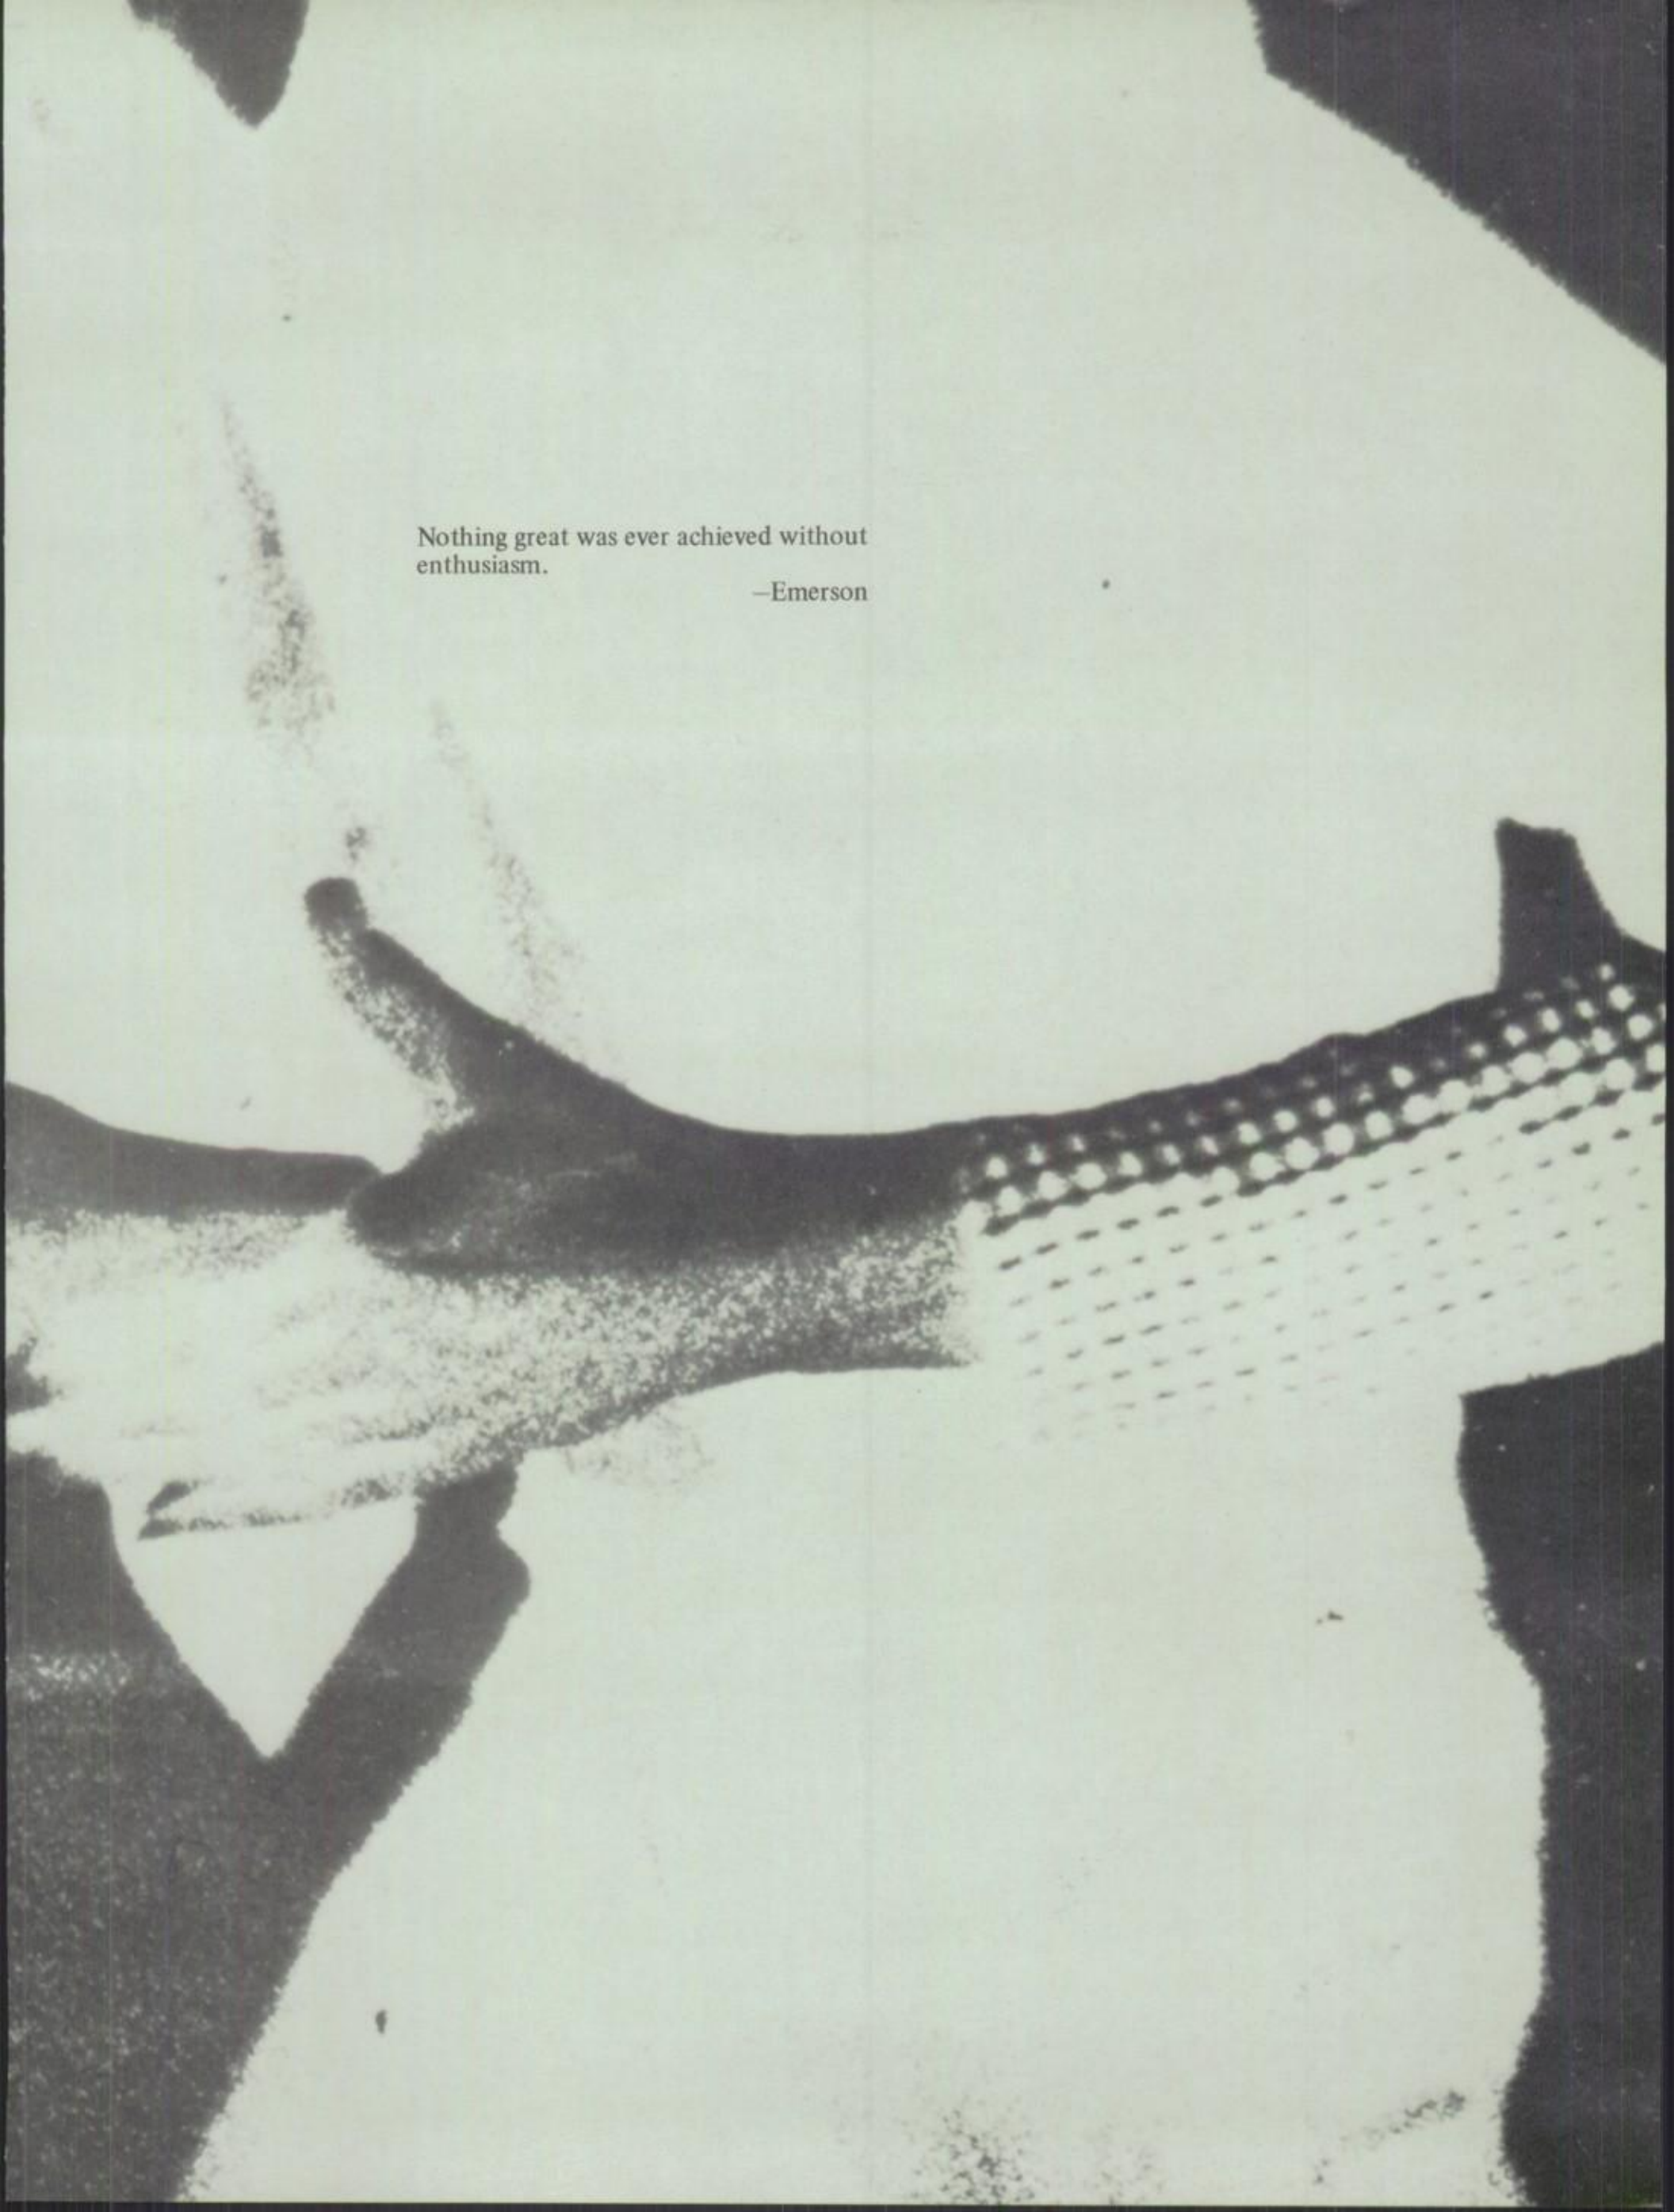

The 1968-1969 Girl of the Year was Anne Gale. Anne, a 5'7" blue-eyed brunette was the October Girl of the Month. As a sophomore, Anne was a member of GAA and FNA. As a junior, she was secretary to Ushers, first and second semester class treasurer, and active in Boosters, FNA and Girls' League Council. Her senior year, Anne became secretary of FHA, vice-president of Girls' League and continued her duties in Ushers, Boosters and FNA. Anne was also crowned Miss FHA, Queen of the Junior Senior Prom, and won the Betty Crocker Homemaker Award. Anne is planning to attend OCE for studies in the home economics field.

Girl of The Year

The background of the page is an abstract, high-contrast black and white composition. It features large, organic, and somewhat jagged shapes that resemble torn paper or ink blotches. A prominent dark shape curves from the top left towards the center. Below it, a lighter, irregular shape forms a sort of 'valley' or 'cave' where the title is placed. Further down, another dark, broad shape stretches across the middle. The bottom half of the image is dominated by a dark, heavily textured area that looks like a close-up of a rough surface or a dense, grainy material.

Organizations

The background of the page is a high-contrast, abstract composition. It features large, dark, irregular shapes that resemble ink blotches or torn paper edges against a light, off-white background. A prominent feature is a dark, horizontal, irregular shape that spans across the middle of the page. To the right of this shape, there is a pattern of small, dark, rectangular dots arranged in a grid-like fashion, which appears to be a halftone or a textured effect. The overall aesthetic is graphic and modern.

Nothing great was ever achieved without
enthusiasm.

D-Club

D-club is an athletic club formed by those boys earning their letter in one of the major sports: football, cross country, wrestling, basketball, gymnastics, track, tennis, and baseball. D-club sponsors many activities throughout the school year, such as: assemblies, dances, selling of programs at games, and policing assemblies, but D-clubs main event of the year comes in the fall with Homecoming. They are in charge of all Homecoming activities along with the Rally Squad. D-club members take a day off during Homecoming Week to locate and bring in miscellaneous junk, from which they construct the traditional bonfire. D-club advisors for this year were Jack Harmon and Paul Poetsch.

Sports

Do you fear the force of the wind,
The slash of the rain?
Go face them and fight them,
Be savage again.
Go hungry and cold like the wolf,
Go wade like the crane.
The palms of your hands will thicken,
The skin of your cheeks will tan,
You'll grow fagged and weary and swarthy
But you'll walk like a man!
—Garland.

Marshall Henderson leads the team off the field after a light pre-game practice.

The Dalles High School 1968 Varsity football squad was expected, with only a short two weeks of practice, to prepare themselves for a game with last year's state A-1 champs, with only nine returning players with any varsity experience and a large sprinkle of Juniors and a few Sophomores. This team was rated to take second in the Wilco League this year. That forecast proved to be a little optimistic: They finished in the latter half of the league with a three win and six loss record.

They were rated by the Wilco League coaches as one of the hardest hitting football teams in the league. A game seldom went by that one of the opposing players was not carried off the field due to The Dalles High linemen. Nick Nelson, first string quarterback, received a back injury halfway through the season. Mike Wolff and Jack Palmer both pulled ligaments in their knees and Carl Sanders had his wrist broken. If the efforts are as strong next year as they were this year, D.H.S. will have a good solid 1969 Varsity squad.

Pat Lester breaks away from a host of Wy'East Eagles.

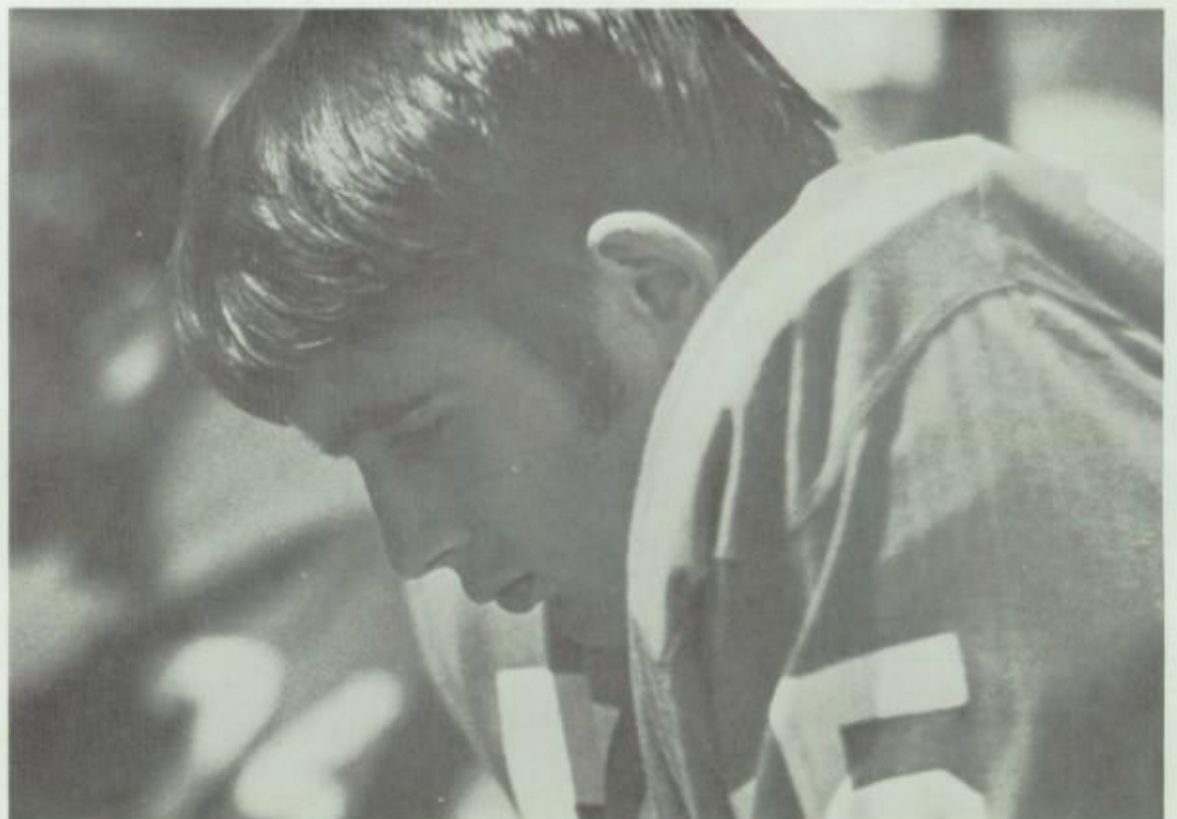

Coach Neil discusses the drive of the Indians as they strive for victory.

Varsity Football

J.V. Football

The Junior Varsity football season started September tenth against Wy'East with only two weeks of practice to get themselves ready. They lost 13 to 20 but came back later in the season to tie them 6 to 6.

There were only two injuries during the season: John Miller pulled a tendon and Terry Turner chipped his shoulder.

The spirit was up for the games (Mr. Westlund made sure of that!), but when the players looked up at the stands and saw only ten to twenty people there, it was quite a let-down and they didn't do as well. The coaches did what they could but they could only do so much. The season win-loss record was 0-8 and one tie.

Cross Country

Cross Country practice starts about the same time school does, in September. Practice is every night after school, with a running average of 12-14 miles a night. Outstanding runners are Bob Morris, district champion, and Lloyd Clark who placed 9th in State. In State, The Dalles always scored with a large lead. We had one perfect score of 15 here with Reynolds and Jesuit. In the North Marian meet we made a good 66. The only injury this year has been Bob Morris; he was hurt at the State meet. If he hadn't been hurt Bob probably would have placed well.

The Dalles Indians 1968-69 basketball team, under Coach Paul Poetsch, completed one of their most successful seasons since 1953, compiling a 15-7 win-loss record. Their worst loss was a 62-53 beating by Jesuit, the Wilco League champion. The Indians' most impressive wins were a 56-52 victory over Jesuit and an 89-47 win over Central, a team which reached the post season play-offs. The Dalles was paced by seniors Bob Bellamy and Bob Drake who scored 292 and 368 points respectively. Drake, a 1st team Wilco League All Star selection, led the team in rebounding as well as scoring, averaging over 15 rebounds per game. Bellamy, a 2nd Team All-League pick, set an all time Indian record with 110 assists, recording a game high of 15 against Sandy. Senior Dave Guile and sophomores Vic Todd and Ed Sandoz also turned in some outstanding performances. This year's squad was characterized by their 'All for one and one for all' philosophy. This unselfish attitude, their dedication to improve themselves, and their ability to play consistently strong defense were the three factors cited by Coach Poetsch as being the key to their successful season. It is hoped this year's 3rd place finish is indicative of an upswing in The Dalles basketball fortunes.

Bob Bellamy - Second Team All League, Mid-Columbia Classic All-Tournament Team, Co-Winner Most Valuable Player Trophy.

Bob Drake - First Team Wilco League All-Star, Third Team All-State, Leading Rebounder Trophy, Co-Winner Most Valuable Player.

Varsity Basketball

TOP LEFT: Bob Bellamy drives by defender for two points. Bellamy led the Indians with 24 points in their 69-43 win over Canby. BELOW LEFT: Sophomore Ed Sandoz scores on a lay-in in the Indians 56-52 upset win over Wilco League Champion Jesuit. BELOW RIGHT: Sophomore Vic Todd hooks one in against Sandy defense. Todd led The Dalles scorers with 26 points in the 67-51 victory over the Pioneers.

TOP LEFT: Bob Drake threads his way through the LaSalle defense for a left-handed lay-in. Drake scored 28 points for the Indians in their high scoring 88-82 win over the Falcons. TOP RIGHT: Vic Todd goes high above a Jesuit defender for two points and applies a Judo Chop to the Crusader's throat at the same time. Todd's 20 points and 19 rebounds were instrumental in The Dalles victory. BELOW RIGHT: Ed Sandoz drives for a lay-in against LaSalle as Indian Bob Drake looks on.

Sophomore Ed Sandoz goes high to score two at the end of an Indian fast break as The Dalles scored an impressive 89-47 win over play-off bound Central.

Bob Drake goes high to tip one in against Silverton, but effort went for naught as the Foxes edged The Dalles 39-35.

Varsity Basketball

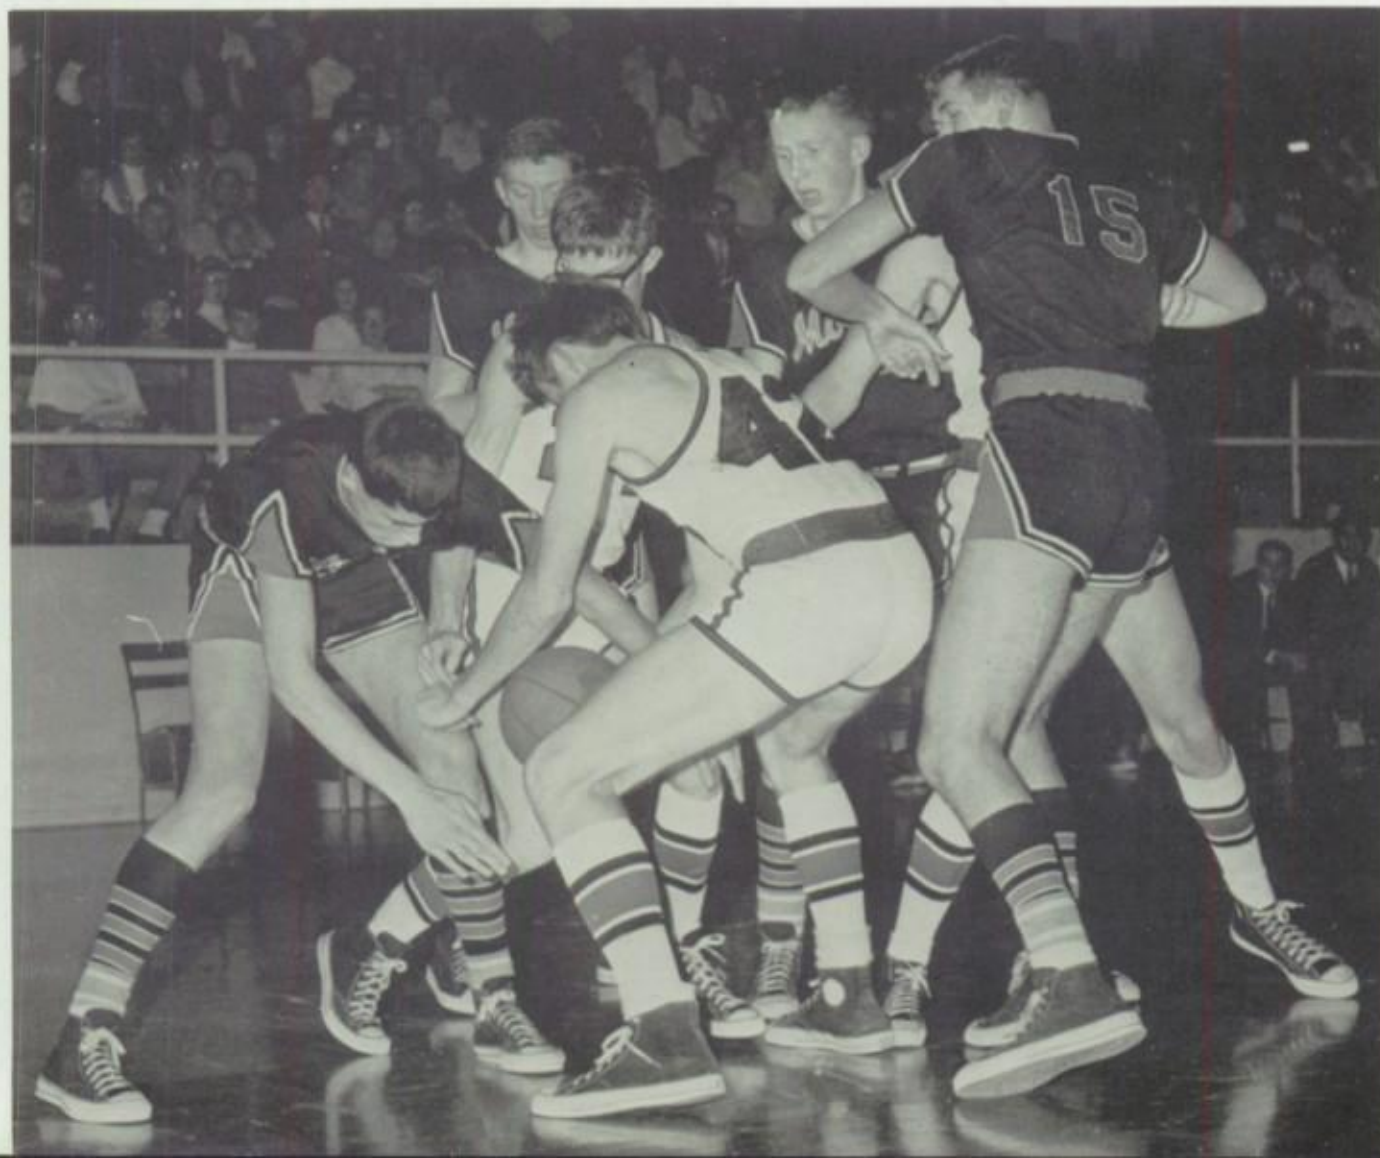

A cross body block by Peterson of Sandy fails to stop Indian Bob Drake from putting a rebound in and aid The Dalles in their 67-51 win over the Pioneers. Vic Todd had 26 points and Drake scored 22 to lead the Indians scoring.

Dave Aveline, voted most improved player on the Indian squad, muscles his way up for a rebound in the Estacada game. The Dalles handed the Rangers a 68-48 defeat.

Everybody seems to be in the act, but no one can come up with the ball. Indians, Drake and Guile, attempt to find the handle. The Dalles defeated Molalla 62-44.

J.V. Basketball

The Dalles Junior Varsity basketball team had a Wilco league record of 17-3, and an overall season record of 18-4.

The offense was built around a fastbreak style of play. The defense varied with opponent, making use of man to man, zone and zone presses. The squad was led in scoring by Jeff Todd (297 pts.) and Steve Bonham (139 pts.) also scoring well. Rebound leaders were Todd (183), Kevon Gale (166), Art Geary (119) Steve Bonham (114) and Del Bradford (101) in only six games.

Many other people contributed greatly to the first place finish in the Wilco J.V. League, as sixteen players saw action.

Wrestling

The Dalles wrestling team finished the season with a very respectable 6-2 dual meet record. The highlight of the year was their 51-0 victory over rival Wy'East.

Several wrestlers finished the season with outstanding records. Bob Cimmiyotti led the team in takedowns with 24 and had a 22-2 win-loss record. Bob placed second in the state free-style championships at Grants Pass, second in district his Junior year and third his Senior year. Bob received his fourth varsity letter in wrestling this year.

Jim Woods finished the season with a 15-0-2 record of which 9 were by pins. Jim was a two year district champion and placed second in state at 157 pounds his Senior year.

Larry Beck compiled a 19-2-1 record for theseason and placed first and second in district his Junior and Senior years. Larry was the Outstanding Wrestler in 1967-68. He led the team in reversals, 21, predicaments with 18 and near falls with 112.

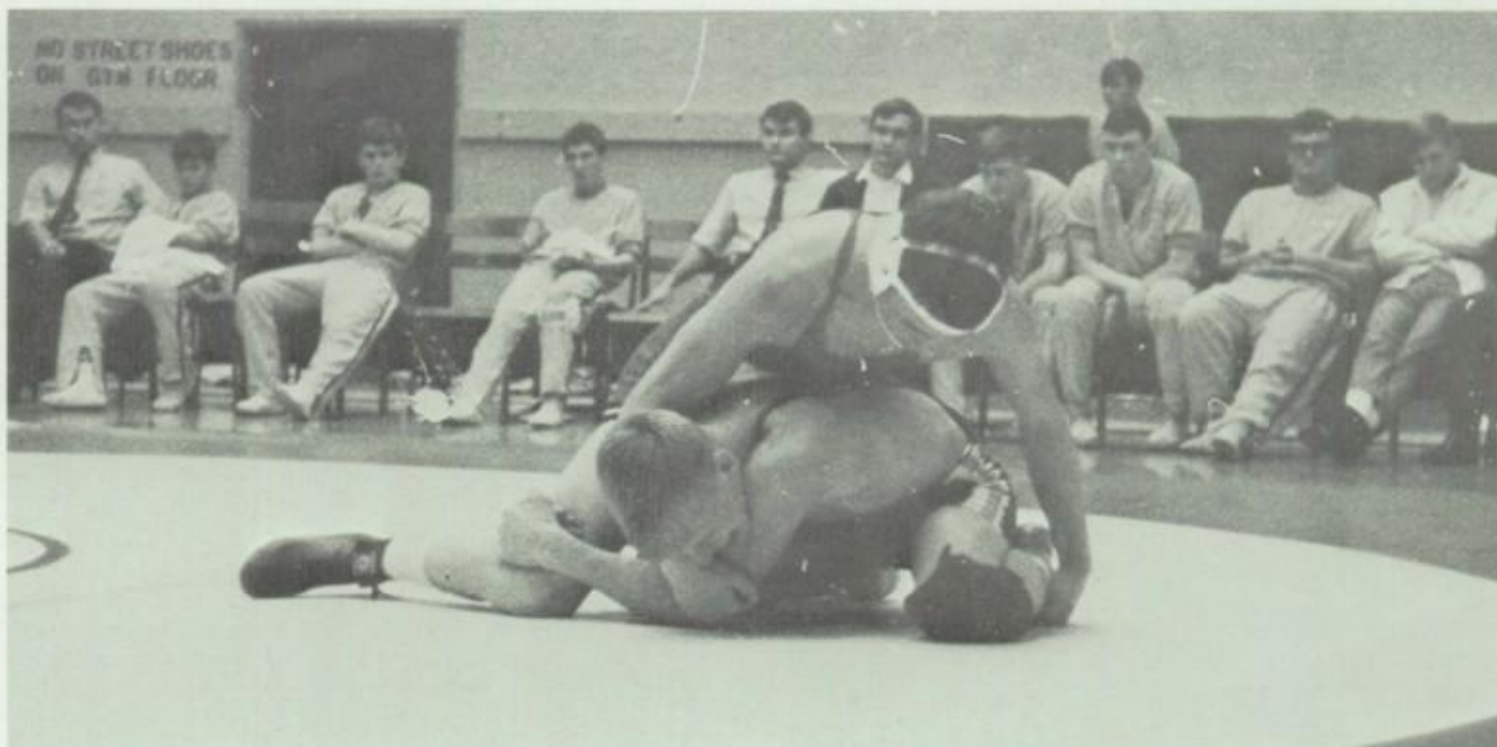

Juniors Dean Cimmiyotti and Dan Erickson also finished the season with excellent records. Dean was 12-7 for the year. Dan was 6-2 and placed third in the district tournament. Other outstanding lettermen returning next year are Sophomores Chris Herman and Terry Turner.

Bob Cimmiyotti and Jim Woods have both qualified for the cultural exchange tryouts in June. Should they place in the top two they will tour either Japan or New Zealand with the Oregon High School All-Star Wrestling Team.

Gymnastics

Gymnastics, the infant sport, has completed its second year of competition. It is a growing sport both in The Dalles High School and in Oregon. During the past season participation by both boys and girls has increased as well as enthusiasm and ability.

Gymnastics, although listed as a team sport, is in reality an individual sport. The individual must spend many hours of practice on the numerous moves in order that he or she may be able to perform adequately in meets. It is a sport that brings great satisfaction in accomplishment as the performer must develop the body and mind. He learns to control his body in aerial flight, to overcome fear, and to appreciate the performance of others.

With the limited space available the program has been slow in developing. The team must get its members from students not interested in basketball or wrestling, two well established sports in this school. Progress is slow but improving. The challenge of state, regional, and national competition will add incentive to the program.

Volleyball

The girls' volleyball team consists of Sophomore, Junior, and Senior girls interested and talented in the art of playing volleyball. There are varsity and junior varsity teams.

The girls practice during three noon hours every week, and two times after school per week.

The varsity record is five wins, one loss. Junior varsity has six wins.

Mrs. Westlund is volleyball coach.

Basketball

The Dalles girls' varsity basketball team had a win-loss record of 6-2 this year. The two losses were to Wahtonka. Their most impressive win of the year was over Wahtonka 34-32. Other scores were: The Dalles 56, Wy'East 23; The Dalles 42, Wy'East 22; The Dalles 50, Maupin 26; The Dalles 53, Wy'East 29; The Dalles 30, Maupin 19.

The 1969 Varsity baseball team completed one of their most successful seasons under veteran coach Noel Aronson. Playing a top-flight schedule, including perennially powers Hillsboro, David Douglas, Bend, Pendleton, and Pasco, The Dalles finished up the season with an excellent 27 win — 12 loss record. They were picked by pre-season polls to win the Wilco League Title. The Indians did not let down the prognosticators as they finished with a 13 — 1 league record, losing only to Central early in the year. Luck was not with the Indians as they met Madison, the eventual state champion, in the quarter finals. The Senators, possibly the best high school baseball team in Oregon history, beat the Indians with ease, 10 — 0. The Dalles had many talented individuals who helped them compile such an outstanding record. They placed five players on the Wilco League All-Star team. The Indians selected for this mythical team were: Bob Bellamy — SS, Nick Nelson — 1B, Jay Dumont — CF, Frank Adams — C, and Mike Guisher — P. Bob Bellamy was also chosen to participate in the baseball series at Eugene between the Metro and State All-Stars. Senior Mike Guisher was voted by his teammates as the Most Valuable Player on the 1969 Indian baseball team.

Girls' Tennis

The Dalles girls tennis team has enjoyed successful seasons for several years. Last year they finished 3rd in State and took league and district titles.

This year the team started practice minus last years 4th place finisher in singles at State half of the number 1 doubles team and number 2 doubles team but hopes a high for a good season as 26 players turned out including 6 returning letter winners. With such a tournament and J.V. team will schedule 4 matches as well as participate in two tournaments and District.

With only one returning letterman the season looked anything but bright for the Indian golf team. They dropped their first three matches, but then went on to compile a very respectable 8 win-6 loss season record. The Dalles finished with a 6-3 win-loss record in the Wilco League and placed fifth in the District Tournament. The team established a six match winning streak late in the season which was ended when two time state champion Lake Oswego defeated them in the final match of the season. The Dalles was led by Senior Dave Aveline. Dave was medalist in the District Tournament with an even par 74. He represented The Dalles in the State Tournament where he had rounds of 79-80-159. This score placed him 32nd in a field of 76 of the state's best high school golfers. The team was comprised of one senior, one junior, two sophomores, and a freshman. With the valuable experience gained this year it is hoped The Dalles will make a strong showing in the near future.

Varsity Track

This year's track team has about forty boys, 12 of which are returning lettermen. The strongest aspect of this year's team is in the distance department.

The running events are the $\frac{1}{2}$ mile which is considered middle distance, the 2 mile race, and the 1 mile relays. The jumping events are the high jump, the long jump, and the pole vault. The field events are shot put, which is the throwing of a 12 lb. iron ball, discus, the throwing of a saucer — like discus and the javelin which is a $2\frac{1}{2}$ —to—3 lbs., $7\frac{1}{2}$ ft. long, spear that is thrown for distance. The boys are allowed to participate in three events each plus a relay.

Track coach is Mr. Al Miller.

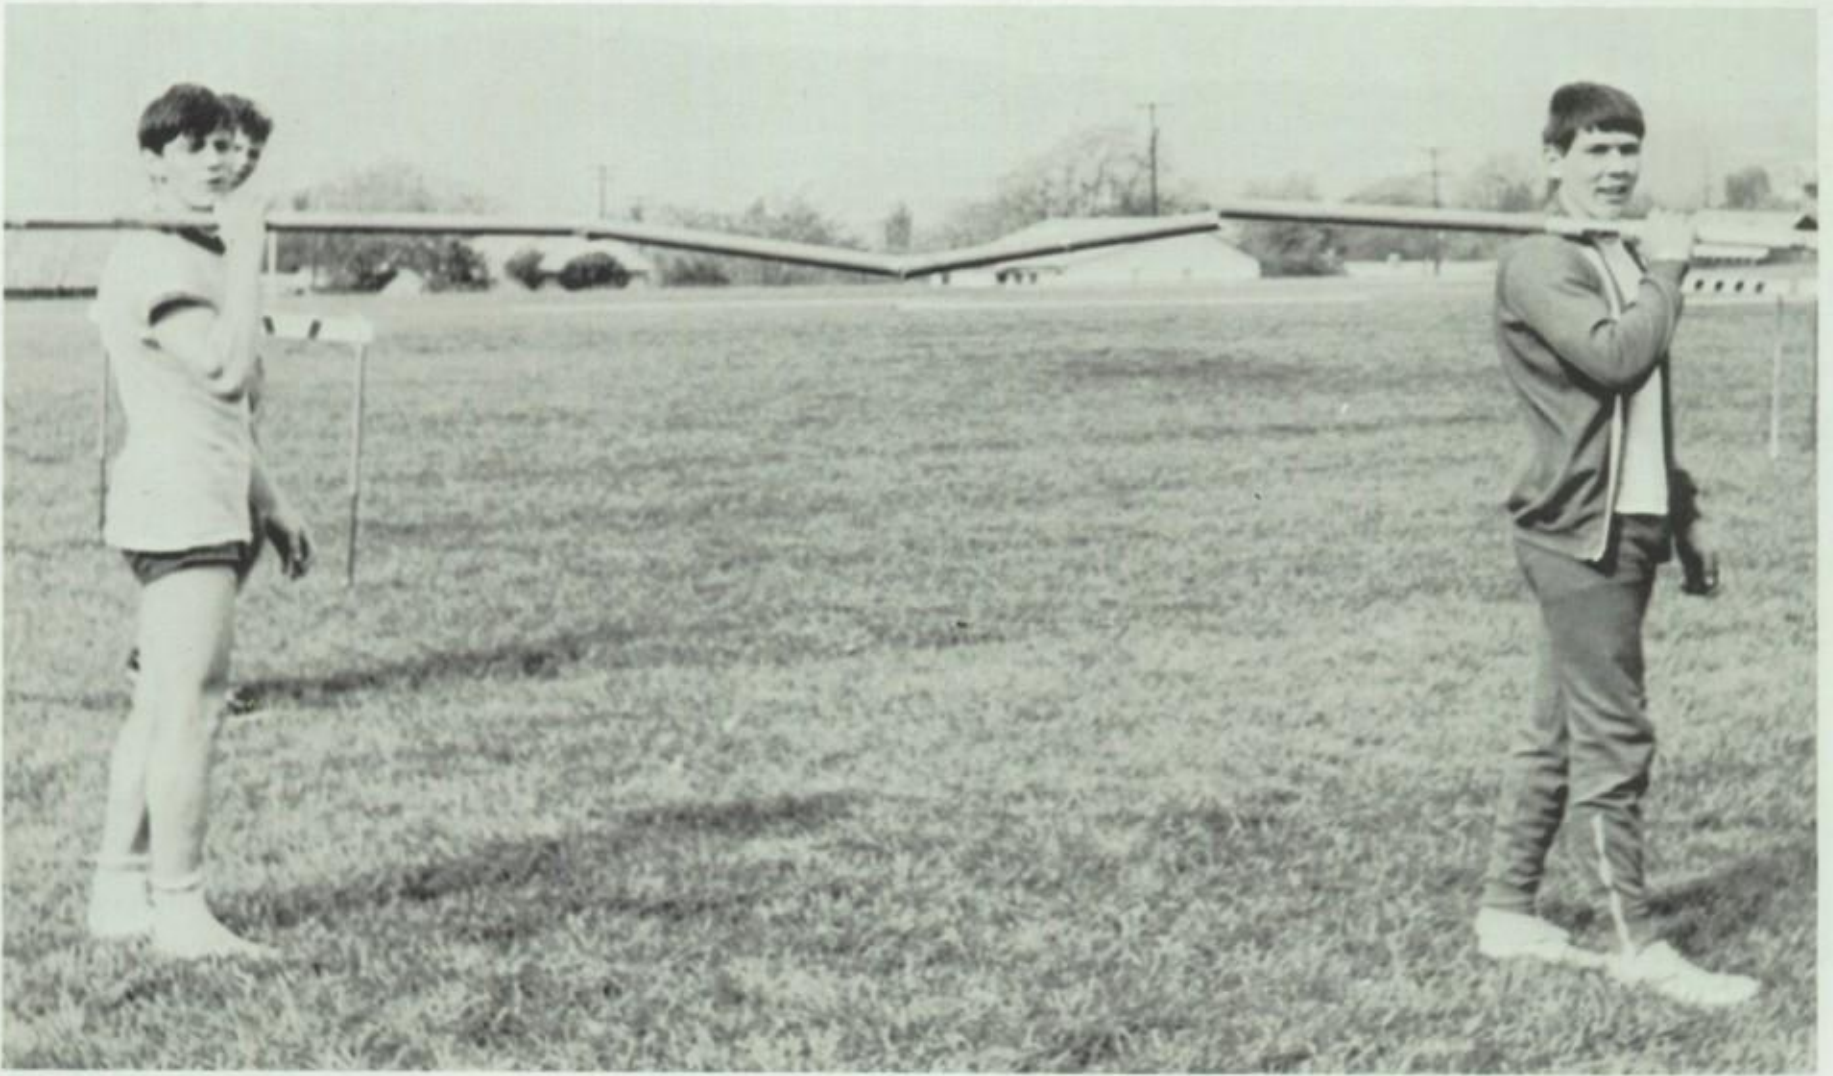

Warming up for the 440 is Rich Strahm.

Tim Glenn struggles over the bar for The Dalles team.

High-oh Silver away—cries Rick Johnston.

Next time boys, go over the pole vault instead of through it!

With smiles on their faces, John Day, Mr. Miller, Rick Johnston, Rich Strahm, Lloyd Clark, and Bob Morris head for state.

Pat Bohrer, Claudia Smith (front), Norma Hill, Julie Keys, and Betty Lee (back) represented The Dalles at the state track meet in Estacada.

Girls' Track

This years girls track team, coached by Mrs. Westlund, consisted of about thirty girls, half of which were freshmen. There were six hours of practice per week, with attendance required.

Girls track events are generally the same as boys track, except girls don't have the two mile run, the mile relay, and the high hurdles.

The girls attended seven meets throughout the season.

DISTRICT 12 SCHOOL BOARD: Mr. Minor Brady, Dr. Dean Wilcox, Mr. James Beer, Jean Krier, Dr. Milton Skov.

Mr. Alvin Unruh has been making the big decisions for District number twelve as our superintendent for the past four years.

Administration

Clerk, Secretary and accountant are some of the many jobs and responsibilities of Mr. Lynn Hampton, our assistant superintendent.

Before coming to D.H.S. Mr. Turnbull held the post of Vice Principal for seventeen years at Willamette High School in Eugene. Mr. Turnbull was born and raised in Ontario, Oregon. After he graduated from High School he attended the University of Oregon. He has been our Principal for three years.

Mr. Jones is a very busy man. He has many activities such as Church, different clubs, plus all the school activities he attends and participates in. Mr. Jones was born in Portland, Oregon, and graduated from D.H.S. in 1953. He went on to Washington State where he received his degree, then to the University of Oregon where he later received his Masters. Then he returned to his hometown to teach two years of History and six years as Assistant Principal at the Junior High School. He now is the Vice Principal at D.H.S.

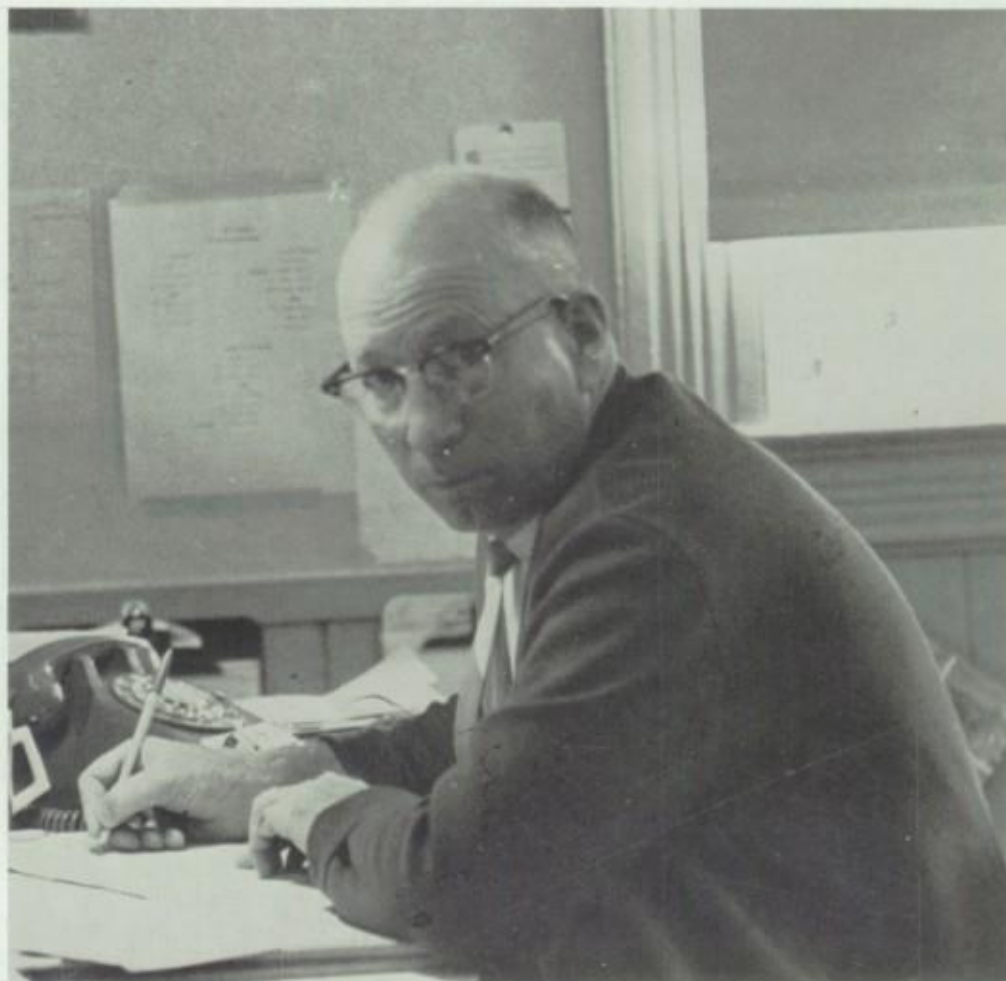

Managing our school Athletic Department for the last few years is Mr. Jerry Pflug. Mr. Pflug has the very important job of keeping the athletes on their toes in school as well as in sports.

Mr. Yecny, of the R.A.M. center, is a man with many talents; one of these is the ability to drive his gold V.W. on the D.H.S. sidewalks.

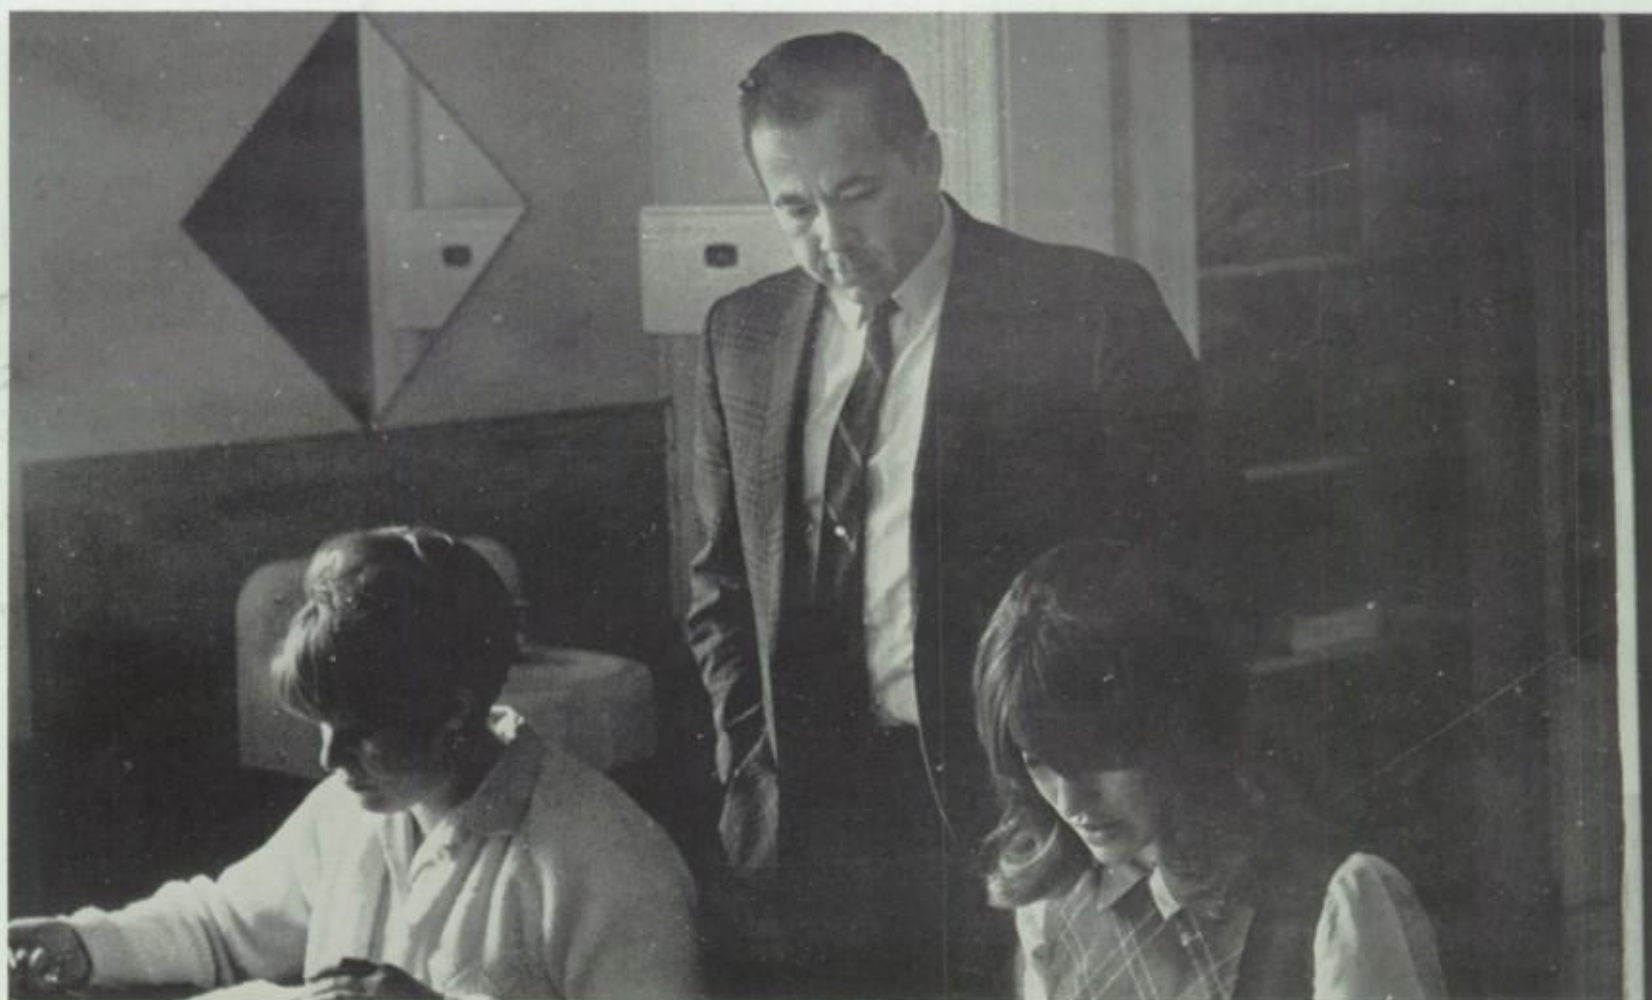

Mr. Kribs has always enjoyed working with kids, so after he graduated from Burn's High School he decided to go on to become a teacher. He attended Northwest Nazarene College in Nampa, Idaho and Linfield College in Willamette Valley.

On receiving his masters, his first post was teaching Business at Acequia, Idaho, then he went on to teach another year in New Plymouth, Idaho. Then Mr. Kribs decided to try his home town, so he went back to Burns and taught for nineteen years. Then he came to D.H.S. where he's been one of our counselors for the past four years.

Mr. Poetsch is beginning his second year at D.H.S. Besides his coaching responsibilities in basketball, he is also a counselor, plus the new golf coach. Prior to his coming to D.H.S. he spent one year in the Portland school system, serving as head basketball coach at Jackson High School.

He attended Roosevelt High, where he was a member of three state championship teams, earning All-state honors in baseball and basketball.

Mr. Taylor is a competent counselor, as he has had experience from all of the educational fields. After graduating from Valley State Teachers College in Valley City, North Dakota, he taught grade school for four years in that state. He then moved to The Dalles with his family where he served eleven years in the posts of teacher, vice principal, and principal for the Junior High School, where his wife also taught. He moved next to LaGrande where he taught one year and counseled one year. He once again moved to The Dalles where he has counseled for two years. His hobbies include hunting and refinishing old furniture.

"Oh come on now!" are the familiar words that roar out of Mrs. Denny's counseling room.

After graduating from D.H.S. she ventured on to Eastern Oregon College of Education to get her Bachelor of Arts. She went on to Oregon State University to get a Masters. Mrs. Denny came back to D.H.S. where she taught English for three years. She then became a counselor six years ago.

Counselors

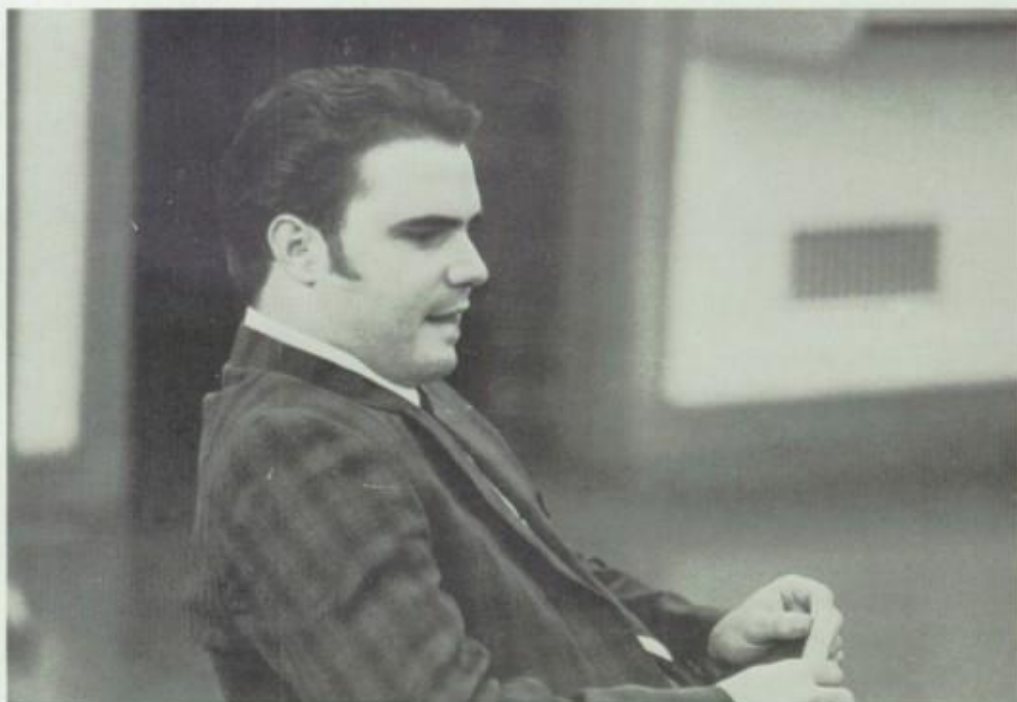

English

After graduating from Myrtle Point High School, Mr. Smith went on to Oregon State University and University of Oregon to get his Masters. After receiving his degree in Education he came to D.H.S. where he has taught English for fifteen years. He is also one of the advisors for the senior class, and the holder of the citizenship cup.

Mr. Godsil came to D.H.S. this year, after teaching six years at Portland schools. He graduated from Grant High School in Portland, Oregon. Attending Portland State College, Mr. Godsil earned his English degree. His hobbies are sailing and bike riding. Besides teaching sophomore and senior English, he is also one of the senior advisors.

After graduation from Ontario High School, Mr. Cooper attended Treasure Valley Community College and received his Associate Arts in English. From there he went on to Eastern Oregon College of Education and received his Bachelor of Science degree in Education. Besides teaching junior English he also is the Drama advisor.

Before coming to our school District No. 12, Mrs. Howell was a counselor and English teacher at Hood River for 2 years. Then she went on to be the Dean of Girls for a year. After this she came to The Dalles, teaching first at the Junior High School as a counselor, then last year she came to D.H.S. where she is now teaching English.

Mrs. Pearce, our well known English and Booster advisor, was born in Portland. She graduated from a local Portland high school, then went to Oregon College of Education, at Monmouth, where she received her degree.

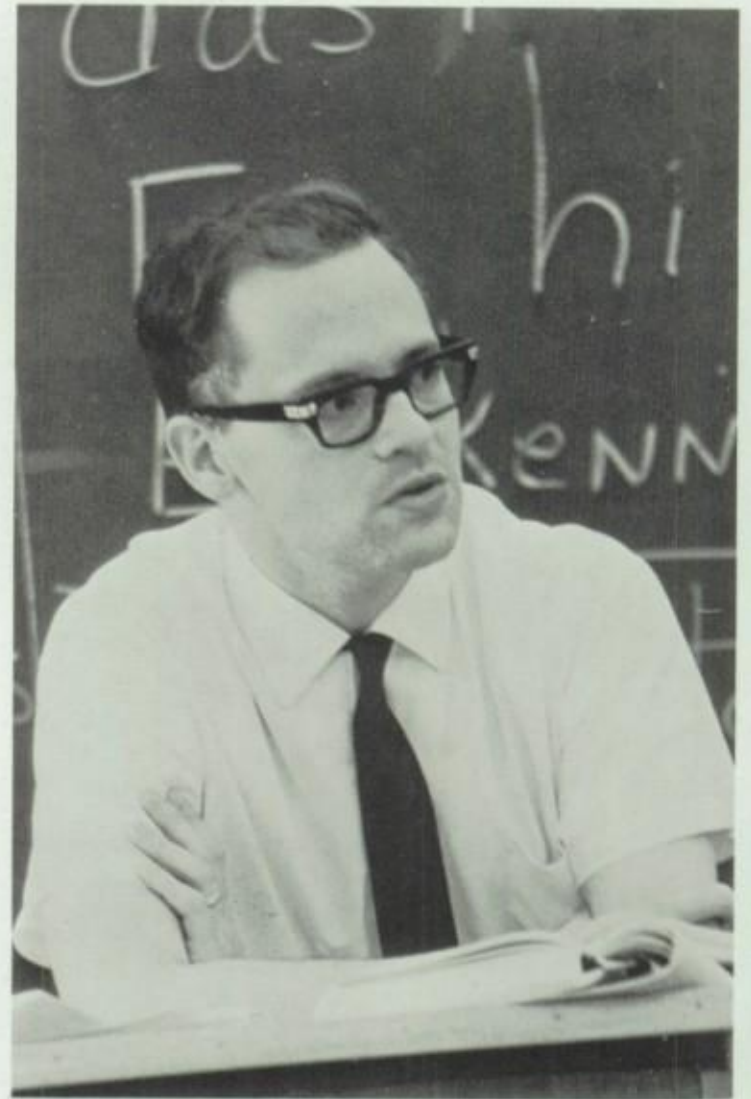

Although this is Miss Olson's first year of teaching, she is one of the most active teachers at D.H.S. Not counting her English classes plus her hobbies, Miss Olson also is the advisor for the Tillicum, the senior class, and for the Debate team.

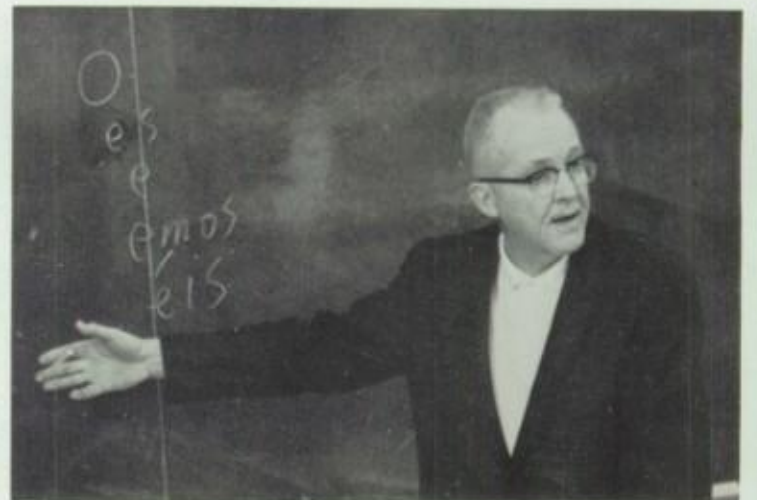

Mr. Jensen has been teaching English at D.H.S. since 1947. He was born in Denver, Colorado. He did undergraduate at North Dakota University and Postgraduate at Oregon State. Then he went on to teach in North Dakota for three years before coming to D.H.S. His hobbies are Kiawans, photography, and civic activities. Mr. Jensen is also the advisor for National Honor Society.

Language

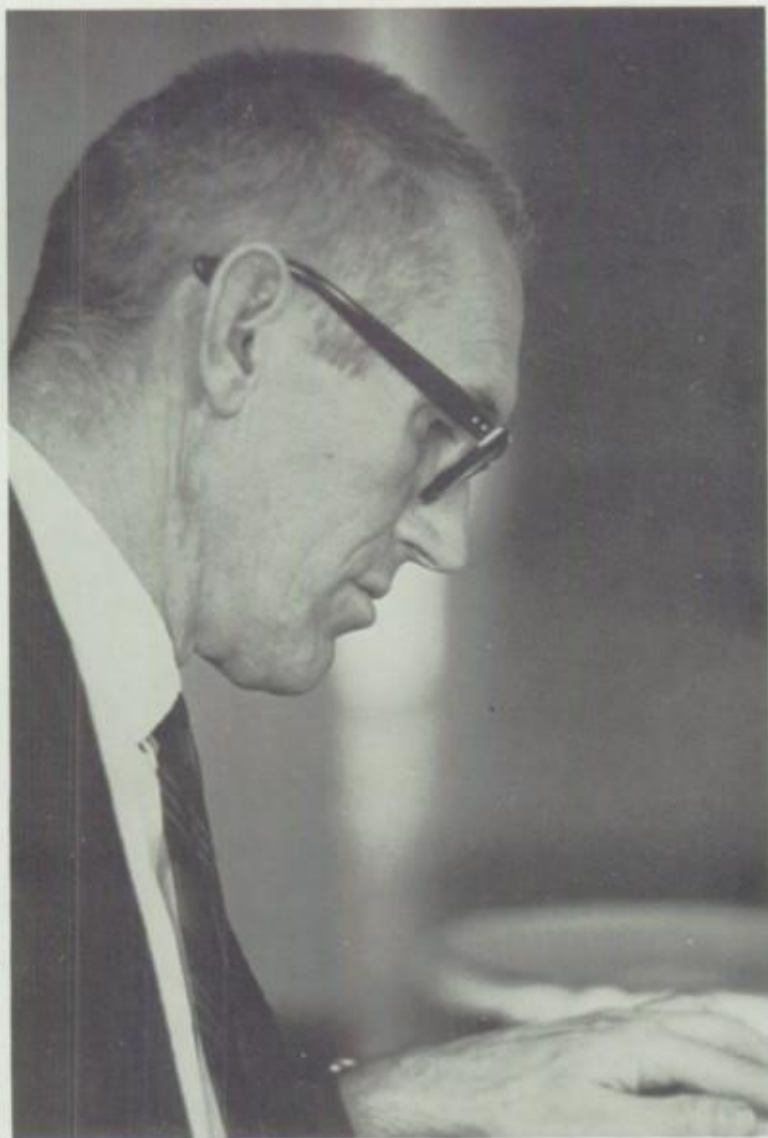

Mr. Thouvenal, our Latin and Drivers Ed teacher, has spent two years at the Dalles High School, which he graduated from. Mr. Thouvenal attended Portland University.

This is Mr. Tonn's first year of teaching at the Dalles High. He teaches German I. Mr. Tonn taught and lived in Germany for 5 years.

Mr. Radtke, a teacher of French and Spanish has taught 21 years at D.H.S. He has attended Oregon State College, Ohio State University, and a college in Canada. Mr. Radke is an advisor of Honor Society.

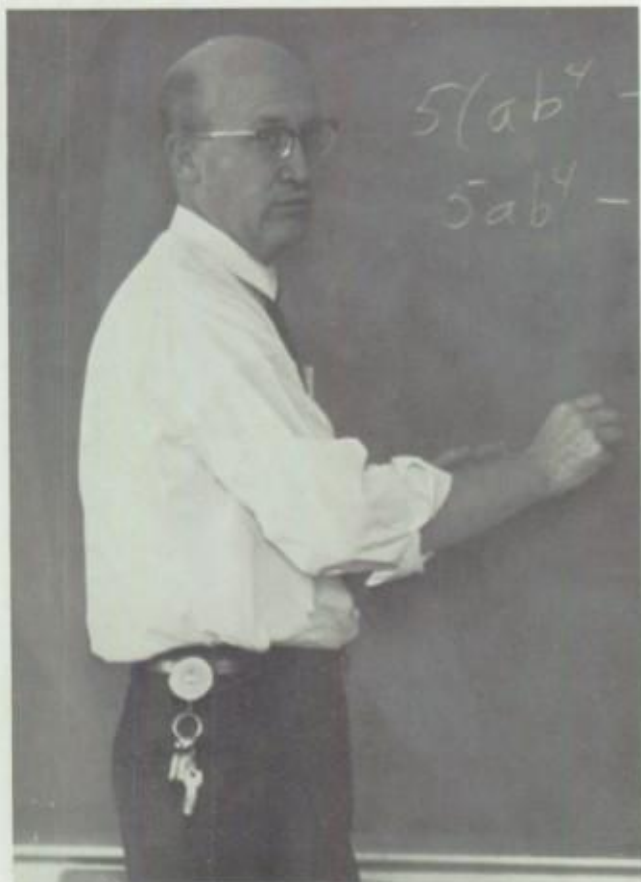

Mr. Strait, a 21 year veteran of teaching, came to the Dalles High in 1963 to teach Math and coach Tennis and Gymnastics. In the past, he taught math and shop, and coached basketball in such faraway places as Alaska and Florida.

Math

Before coming to the Dalles High, Mr. Earl was attending college at Oregon College of Education and Portland State College. This is his second year at D.H.S. Mr. Earl is an advisor of Future Teachers of America and Math Club. He likes to hunt, fish, and he tries to ski.

Mr. Pierson is another credit to the Dalles High. He has spent 9 years teaching math at D.H.S., and previously taught at the Junior High for four years. He is a graduate from Eastern Oregon. When hunting with Mr. Taylor, Mr. Pierson is called "One shot Pierson."

Mr. Harmon graduated from LaGrande High School and decided to further his education at Eastern Oregon. Mr. Harmon has taught at the Dalles Junior high for four years. He has been with us for six years teaching Math, and coaching Football and Track. Outside interests include fishing and sports.

Social Science

Mr. Browne came to D.H.S. in the fall of '61 from Eastern Oregon where he attended school for four years. He teaches U.S. History, Modern Problems, and Far East in Modern Times. Even though he's married and has a five year old daughter, Mr. Browne is a real outdoorsman with hunting, fishing, and camping heading his list of activities. If asked for advice on teenage romances he would probably quote, "Puppy love is the beginning of a dog's life." Among all these things, Mr. Browne just loves parties!

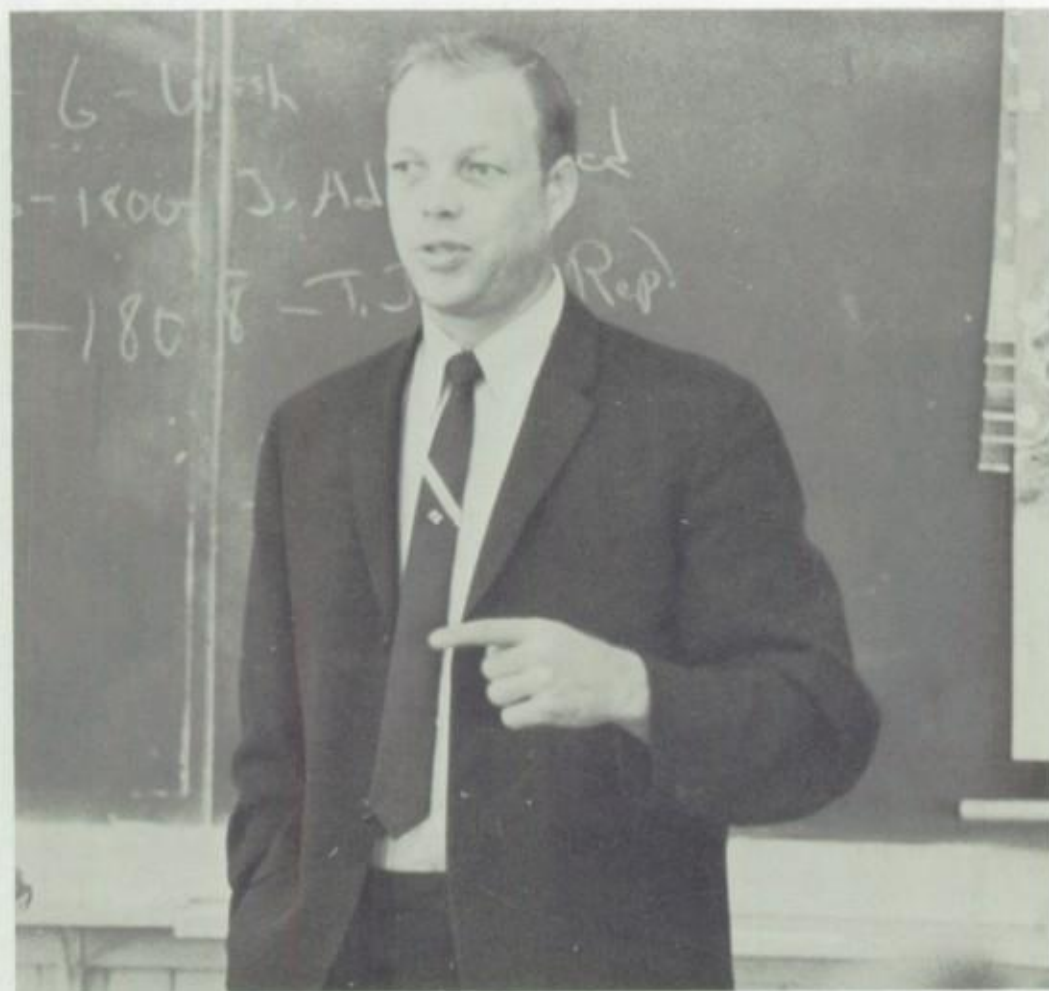

Interviewer: "Where did you go to school?"
Mr. Barnett: "I taught myself — Linfield."
"Where have you taught?"
"Here, three years, I think."
"What is your hobby?"
"Dog racing."
"Do you have a family?"
"Yes I do! Sex, yes."
"Anything of special interest you'd like to add?"
"Just myself."

Mr. Wagner, our groovy International Relations, Modern Problems, and U.S. History teacher, is also ski club advisor. He can be seen almost any cold Saturday morning boarding the ski bus with some of the sports-minded students of D.H.S. He feels that his "whole life is terribly interesting," and told us that he was born in Washington D.C. raised in San Rafael, California and attended Lewis and Clark in Portland. Besides The Dalles, he taught at Gresham.

Mr. Betschart was born in Pratt, Kansas where he attended Pratt Senior High School. While in high school his main interests were Drama and Music. Mr. Betschart came to The Dalles in 1945 and began teaching Modern Problems and also a few Music courses. He has been the Senior Class advisor for many years and is also the Social Studies Department Head. The Dalles really seems like home to him, and he loves the school and the community.

Mr. Aronson was born in Kalispell, Montana, and graduated from high school there. He teaches U.S. History and has been varsity baseball coach for the past 10 years at D.H.S. He has played semi-pro baseball for four summers, and also helped coach football and basketball here. Mr. and Mrs. Aronson have eight children since the joining of their two families. They now have "yours, mine, and ours". Mr. Aronson likes The Dalles because the weather is usually good for baseball and it's close to Portland.

Mr. Arris is one of the new teachers on the DHS faculty. After completing high school at Southbend in Washington he attended Grace Harbor Jr. College for 2 years and graduated from Central Washington State college. Mr. Arris enjoys hunting and spends his summers participating in several sports including swimming and water skiing.

Mr. Harrison went to Oregon State for four years. He has been teaching Chemistry for one year here. His hobbies are sports cars and anything to do with pure science. In addition he is an amateur astronomer. He and his huge family consisting of one wife enjoy buzzing around in their MG Midget.

Mr. Hotka was born in Iowa City, Iowa. His hobbies are art, gardening and photography. During Mr. Hotka's 22 years in teaching at D.H.S., he was the Principal of Whitter guidance counselors for ten years. He is presently the Biology teacher for D.H.S.

Mr. Gonser was born in Long View, Washington. While he was in high school he entered into all athletic sports, including chasing girls around banister, etc. Fortunately, he never caught one, which is probably why he's in the field of biology. He continued his athletic activities during the five years he was in college. Among Mr. Gonser's hobbies are photography, weight training, and collecting all human specimens for next years anatomy class. Even though he teaches Sophomore Biology, Mr. Gonser would like to see some type of program established here that would further our athletic program with complete cooperation of the student body, and the devotion of athletes to their athletic sports. Mr. Gonser is impressed with D.H.S. scholastically. He feels it's an extremely progressive school, especially with the resource center and the addition of an eight period day.

Mr. Baxter is from Union, Oregon. He went to Eastern Oregon College, and the University of Hawaii. He has enjoyed participating in basketball in the past. His hobbies are fishing and hunting and being father to his four children. He teaches advanced senior Biology and sophomore Biology. Mr. Baxter taught one year in Hawaii and has taught eight years here at D.H.S.

Science

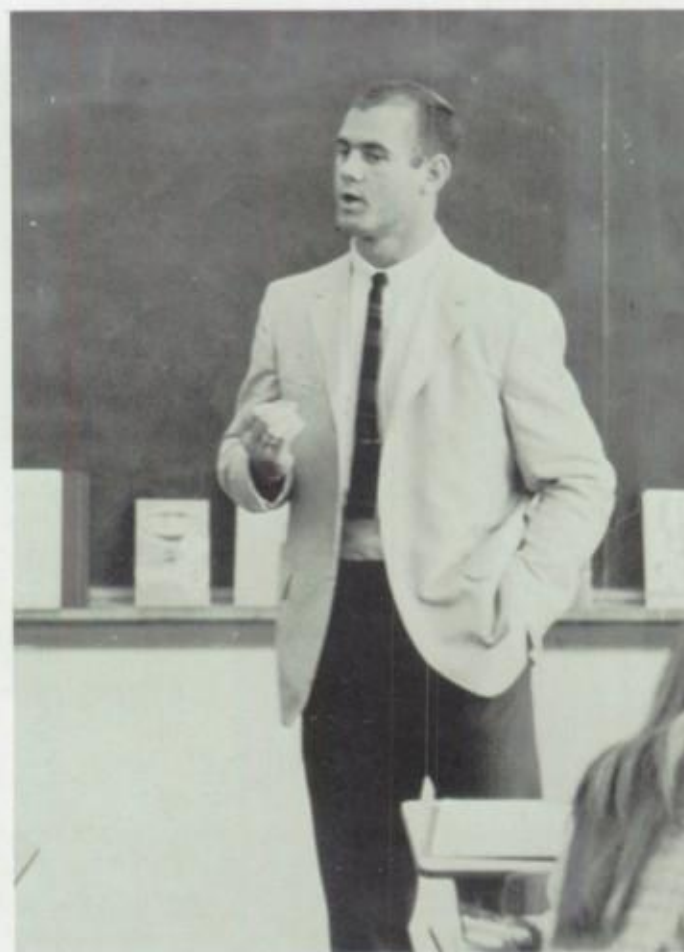

Mr. Dennis Radford has been on the teaching staff for four years. Outside of school his interest include archeology, Indian artifacts, and fishing. Besides teaching P.E., he coaches wrestling and track.

Physical Education

For the past three years, Mrs. Nancy Westlund has been teaching P.E., advising the J.V. and Varsity rally squads, G.A.A. and girls' track. Her outside activities include sewing and all sports.

This is Mr. Jerry Neil's first year of teaching. He teaches P.E., Health, coaches football and advises with Mr. Poetsch in basketball. He likes to paint and enjoys playing tennis.

Helping one of her many students is May Rorick. She has been our Home Economics teacher and our F.H.A. advisor for twelve years. She was born and raised in Dallas, Oregon. After high school, she went on to Oregon State where she got her degree by majoring in art and textiles.

Mr. Schick has taught here at D.H.S. for three years. He teaches Typing, Bookkeeping, and Business Law. He graduated from Billings High School in Montana. Mr. Schick is one of the few natives of Billings at D.H.S.

After receiving her degree from Oregon State Miss Bolton came to D.H.S. where she has been a member of our faculty since 1938. She teaches Shorthand 1 & 2, Office Machines, and Clerical Business. Miss Bolton is also head of the Business Department.

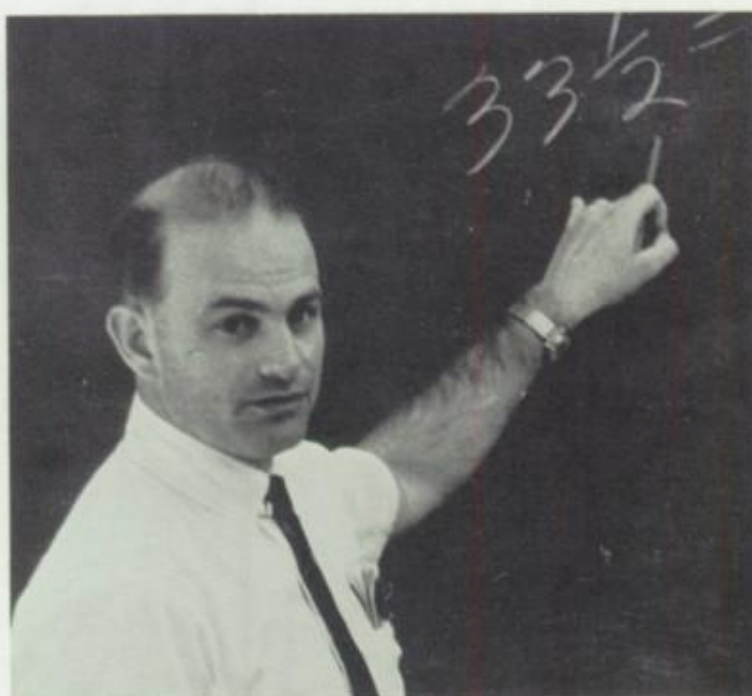

Business

This is Mrs. Skandera's ninth year of teaching. After her graduation from Los Angeles High School, she received her degree in Home Economics from Peperdine College in Los Angeles.

Home Economics

Mr. Beitel, a graduate of Stayton High School, attended the University of Portland, majoring in industrial administration. He later attended the University of Oregon where he got his Business degree in 1960. Mr. Beitel has been teaching Record Keeping, General Business, and Typing Brush-up for three years.

Fine Arts

Steelhead, Photography, and Crafts are taught by Mr. Hazen. This is his first year at DHS. His teaching methods keep changing. He says he probably learns more from the kids than they do from him. Interesting tidbits on Mr. Hazen: he likes to canoe, ski, skin dive, and kayak.

Mr. Carpenter directs the High School Band. They play at programs, concerts, and plays. Mr. Carpenter's outside activities are Pep band, Marching Band, and Stage (or Dance) band. He also directed the orchestra for the Messiah. Before coming to The Dalles High, Mr. Carpenter taught music in Montana for four years, and in Idaho for three years. This will be his thirteenth year at The Dalles High.

Mr. DeBusman has been three years teaching at D.H.S. He has lived in the state of Oregon all his life and came to the Dalles right after graduation from Portland State College. In the morning, he teaches Girls' Glee, Boys' Glee, and Accappella choir at the Junior High. His afternoon classes at D.H.S. are Harmonaires, Mixed Glee, Chorus and Accappella. His outside activities are director of The Community Choral Society and the Presbyterian Church Choir. After school Mr. "D's" time is spent coaching football, basketball and baseball. In his spare time, he enjoys playing golf and bowling.

After college Mr. Leash came to DHS, and has been teaching art here for seven years. His school classes are; General Art, Advanced Art, and Specialized Art. His classes are sometimes changed from year to year, because he's never completely satisfied with the results of each experience.

Mr. Bob Williams of the Industrial Arts department teaches five periods per day of Woodworking I and II. Mr. Williams has lived in The Dalles for the last five years and has been teaching at D.H.S. for that length of time, he came to D.H.S. from Lewiston, Idaho. For hobbies Mr. Williams enjoys bowling, and woodcarving, and has been an athletic coach for the past 17 years. Mr. Williams enjoys teaching and young people who have an objective in life.

Industrial Arts

Industrial Arts departments power mechanics teacher is Mr. John Denton. He was born in Butte, Montana, and he was raised at Georgetown. In 1961 he went into the army till 1964. In October of 1968, Mr. Denton brought his wife and two daughters, ages five and six, to The Dalles to live. Mr. Denton's favorite hobbies are hunting, fishing, hiking and camping. His candid comment of the day is "Today we are going to discuss, not lecture."

Mr. Lawrence came to D.H.S. in 1942. He taught Industrial Arts for four years, then went into his own private business. After ten years he returned to D.H.S. to resume instructing Industrial Arts. Mr. Lawrence spent his first years of teaching at Gaston in Washington, and Myrtle

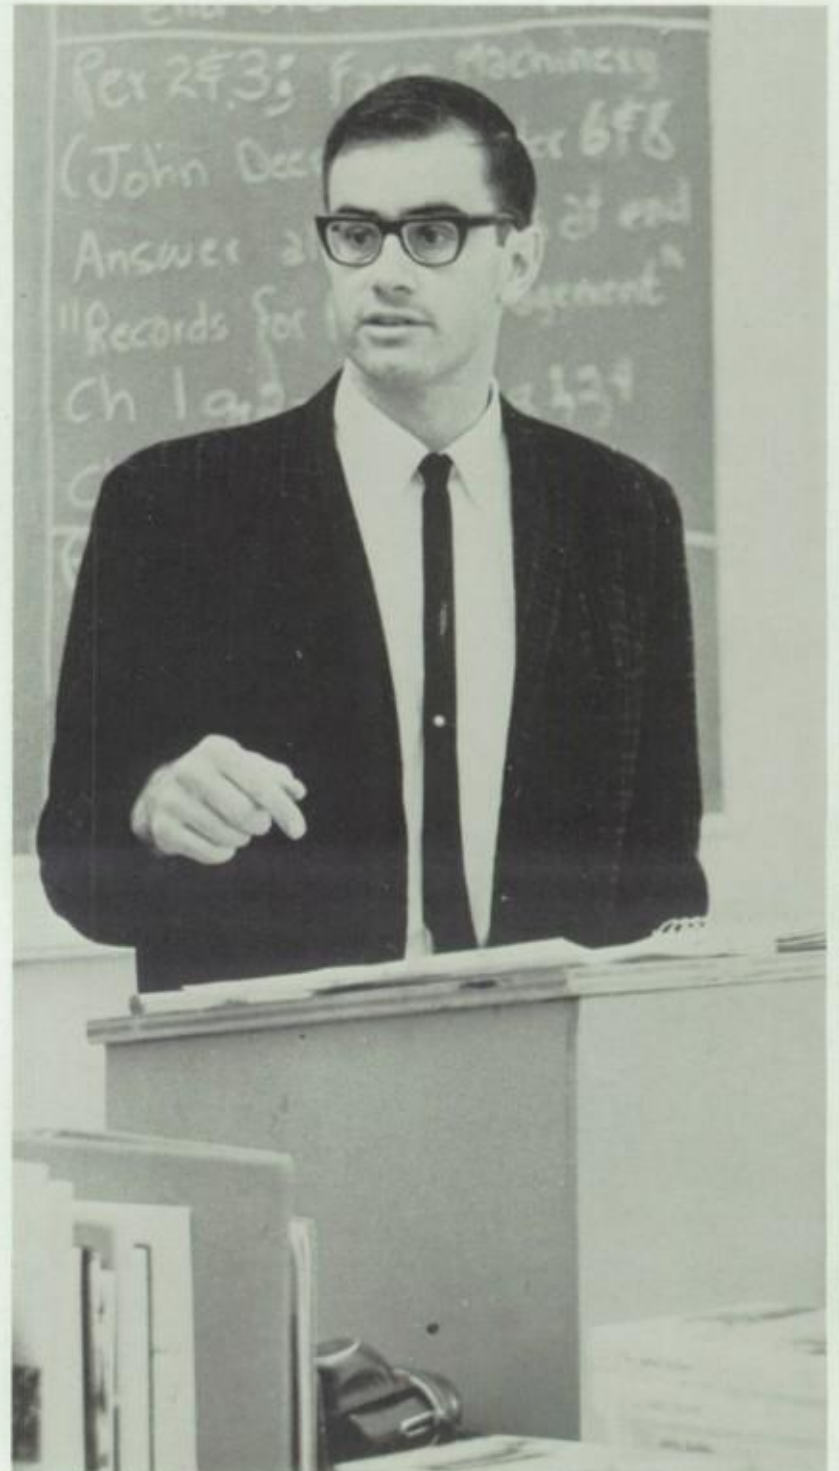

Creek. He has three children who have graduated from D.H.S., and Mrs. Lawrence is the typing teacher at the Junior High School. Mr. Lawrence has been a member of the Lions for twenty-four years. His hobbies are photography, stamp collecting and sometimes wood work.

When Mr. Larvick graduated from Hazelton High in North Dakota, he decided to become a teacher. First he attended Valley City University where he achieved his Bachelor of Arts. Soon he went on to get his masters at University of North Dakota. After graduation from college he taught one year in North Dakota as a basketball coach and two years in Minnesota before coming to D.H.S., where he is now in his thirteenth year of teaching Driver's Education and being advisor for the Safety Club.

Drivers Ed.

After graduation from Crater High School in Central Point, Mr. Caster went on to Oregon State and obtained his degree. After he received his masters, he went on to teach at Rainer for one year, before coming to D.H.S. where he has taught Agriculture and been advisor for Future Farmers of America for two years.

Agriculture

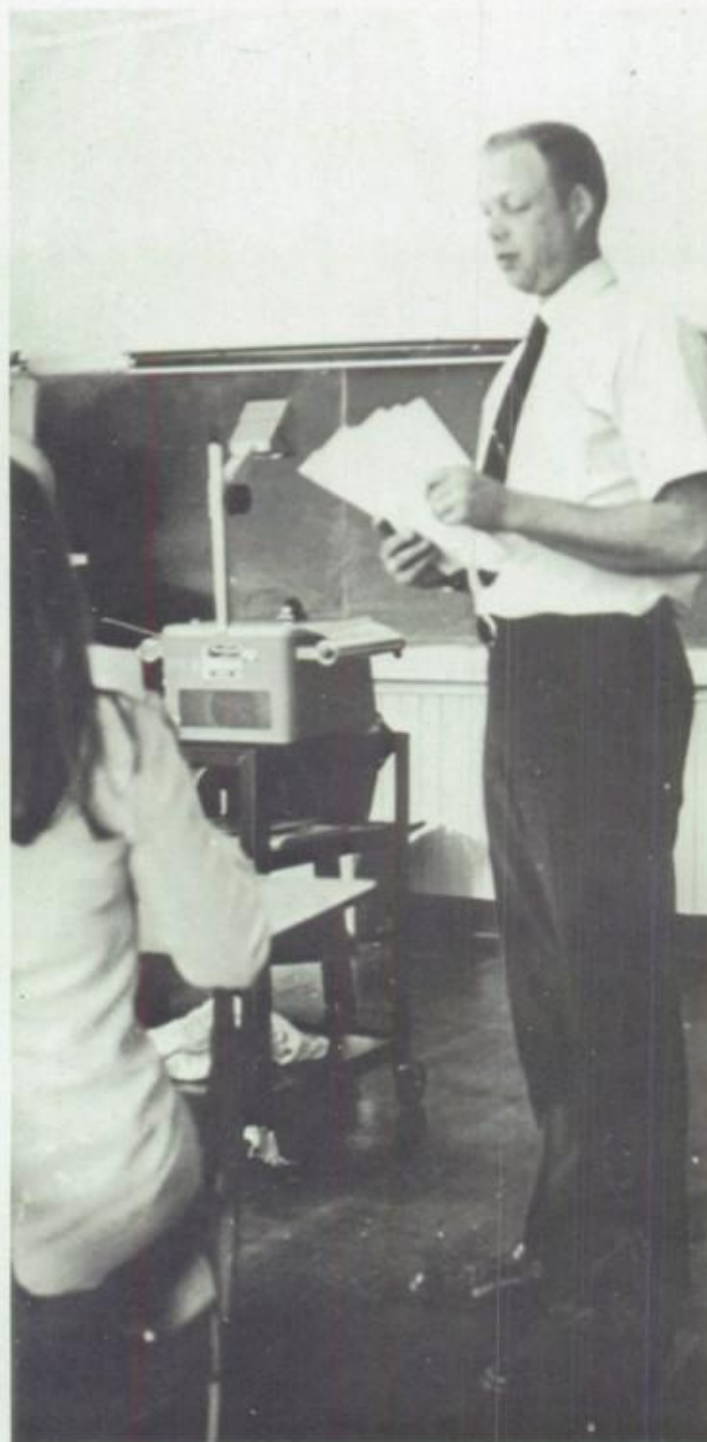

Mr. Hotka attracts on-lookers as he demonstrates in Biology.

Faculty Candidids

Mr. Lawrence busies himself with Mechanical Drawing.

Mr. Aronson begins class with a test!

Service Staff

Dan Leabo, Mr. Hinkle, Kerry Daniels, Charlie Works, and George Ramsey.

Mrs. Margaret Comini and Mrs. Polly Smith.

Linda Skavlan will graduate from the University of Oregon in June. She is taking her second year of Spanish in a night course at Hood River. Linda is majoring in English and hopes to teach English. Linda was born in Eugene, and graduated from high school in Redmond, Ore. She likes D.H.S. but she feels that it could be improved if the kids would cool the necking in the halls. Mr. and Mrs. Skavlan are high school sponsors of the youth groups at the Christian Church.

Bill Mosier was born here in The Dalles and graduated from D.H.S. He has attended the University of Portland and Gallaudet College for the deaf in Washington D.C. Bill wishes that girls hemlines would come down and hopes that the teachers will improve in borrowing equipment next year.

Arlia Caviness was born in Stoutland, Missouri, and attended high school in Bixby, Oklahoma. She is active in the Emmanuel Baptist Church, and also likes to sew. Arlia has a daughter who is attending Southwest Baptist College in Bolivar, Missouri, where she is majoring in Music. When asked how D.H.S. could be improved, she said a cafeteria would be nice.

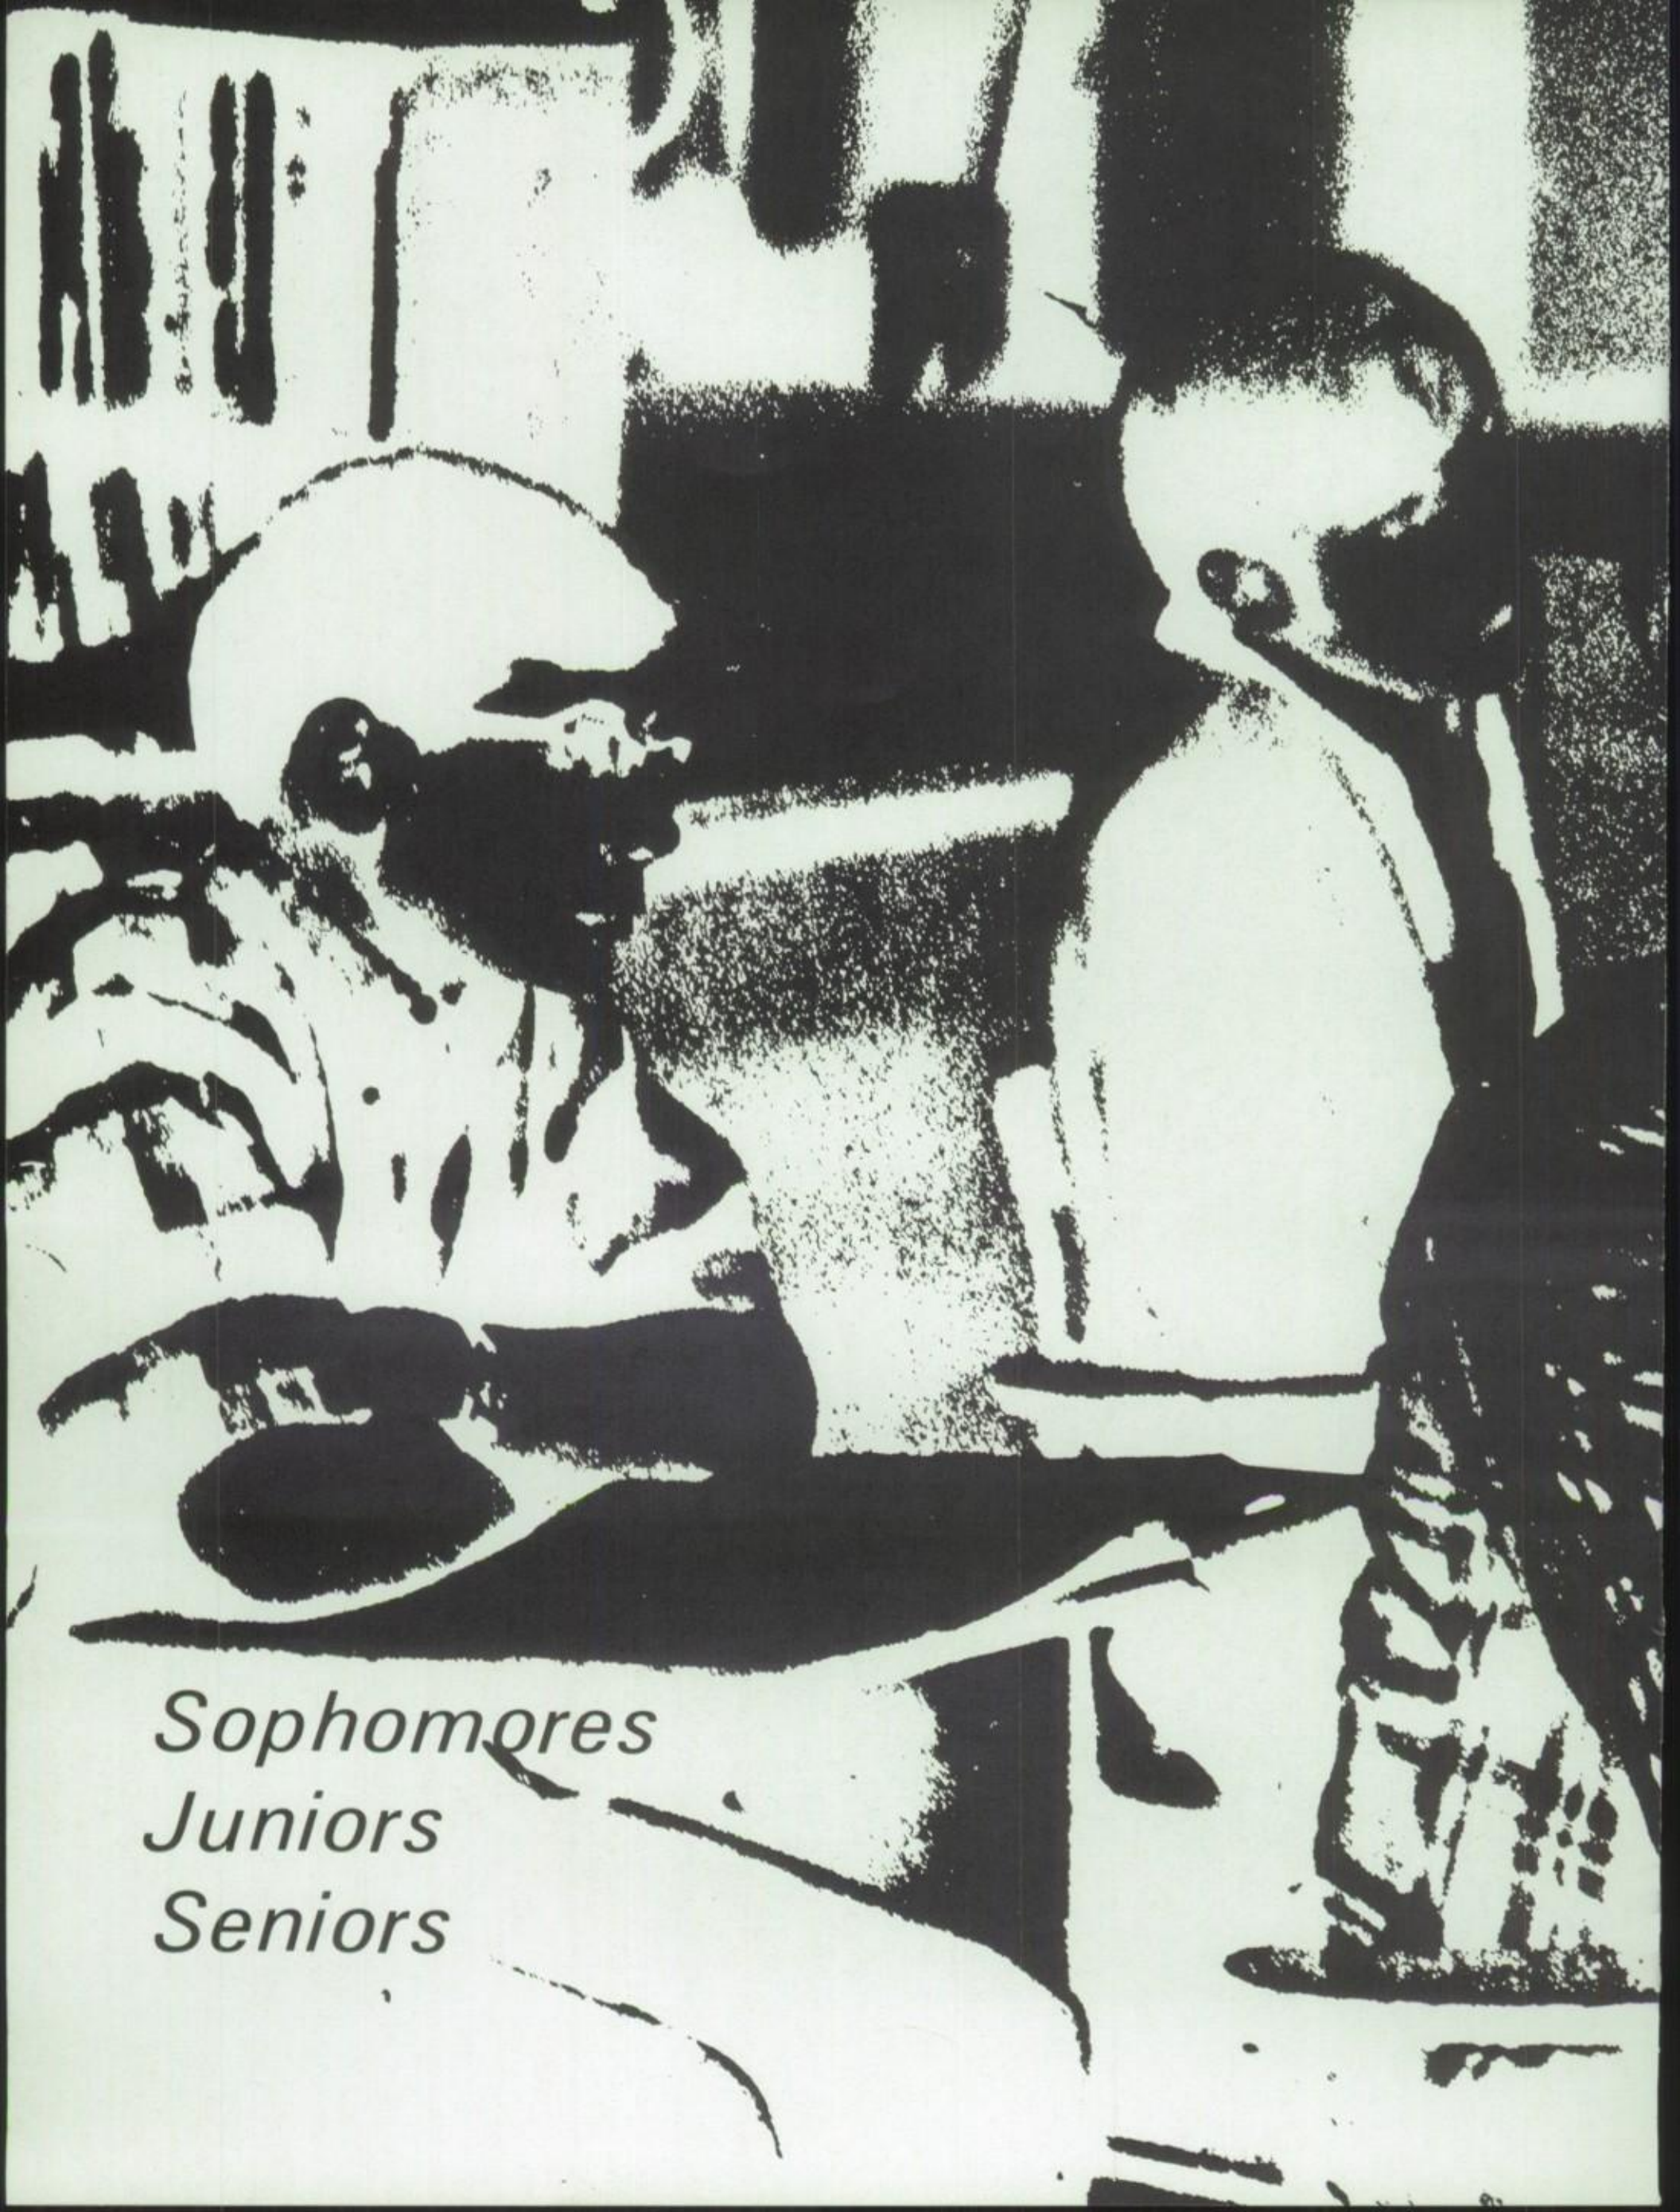

Mrs. Nedra Faught and Mrs. Opal Powell

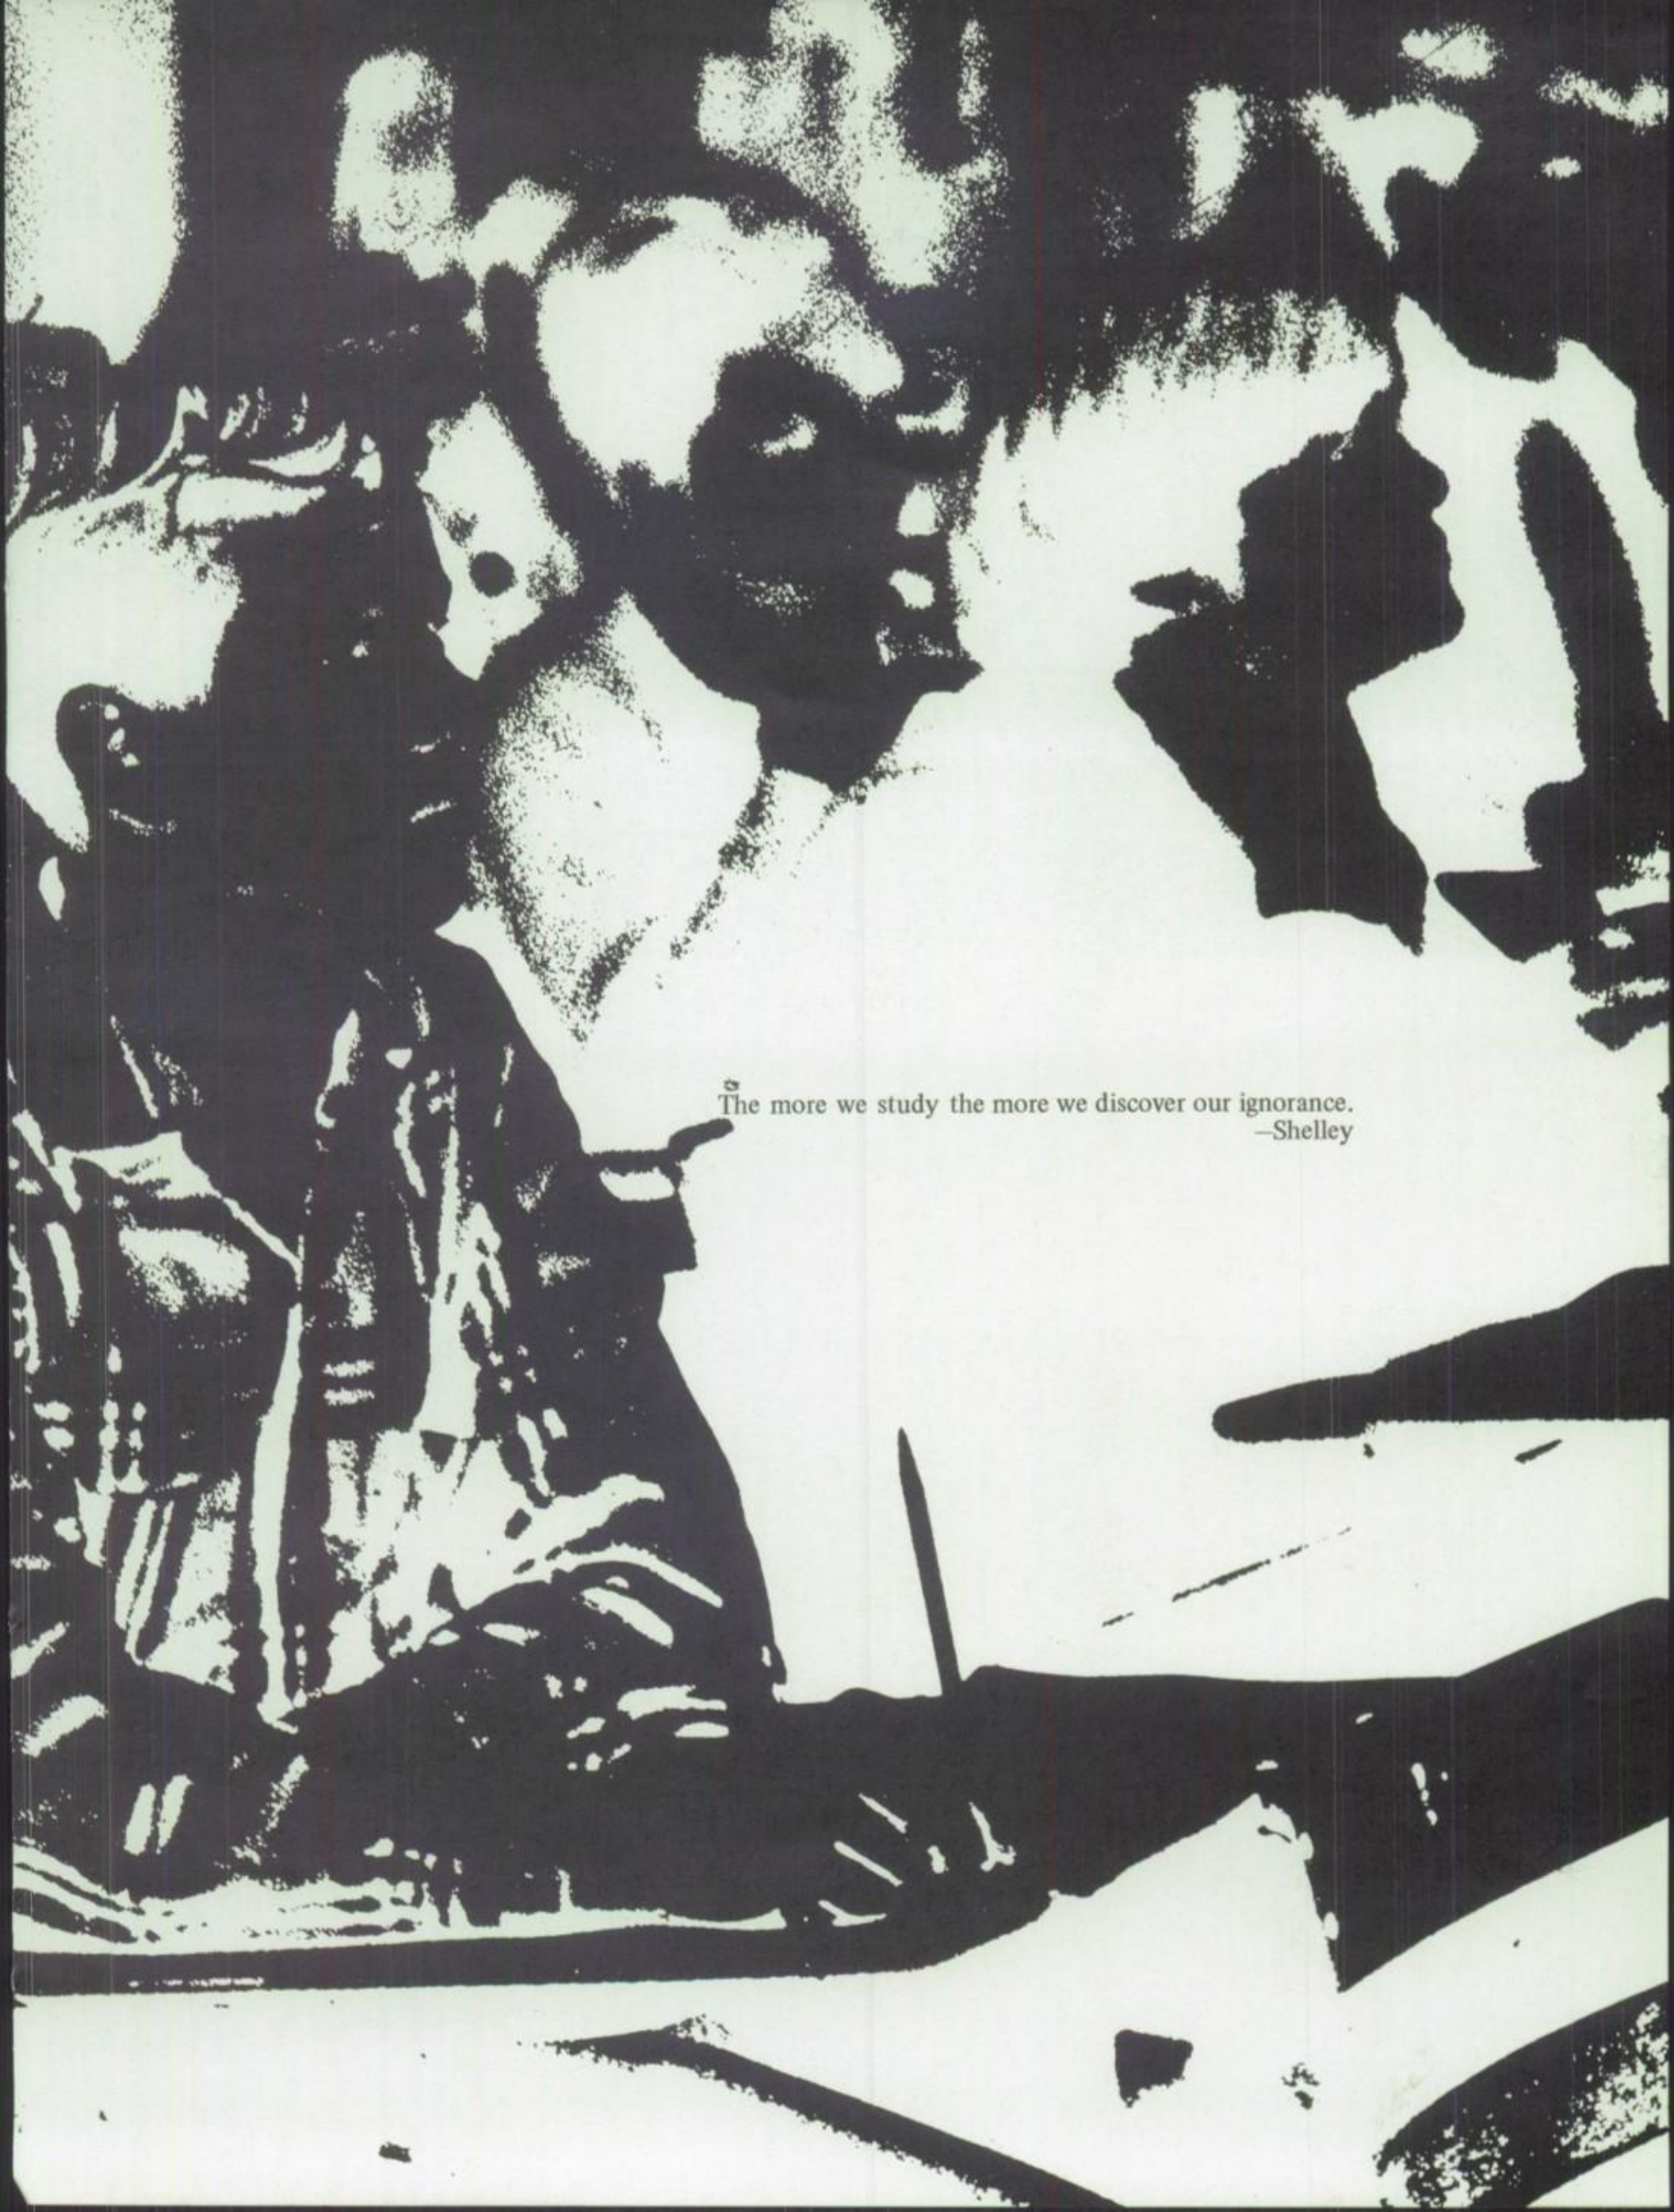

Mrs. Parker, our librarian, came here from Eugene, but she was born in Pacific City, Washington. She enjoys library work and new books, and feels that Christmas comes every day with new things and ideas. To please Mrs. Parker, the library would be completely different and most of all soundproof.

Pat and his family: Seated are Mrs. Houghtaling, Linda and Rob. Standing are David, Pat and Mr. Houghtaling.

Pat attempts to study and listen to his tape recorder at the same time.

Pat, our AFS exchange student, lives with the Earl Houghtaling family. Linda and Dave are his DHS sister and brother. His other brother, Rob, attends the Junior High School.

Pat has a special knack for cooking. He likes to prepare his native dishes for his American family.

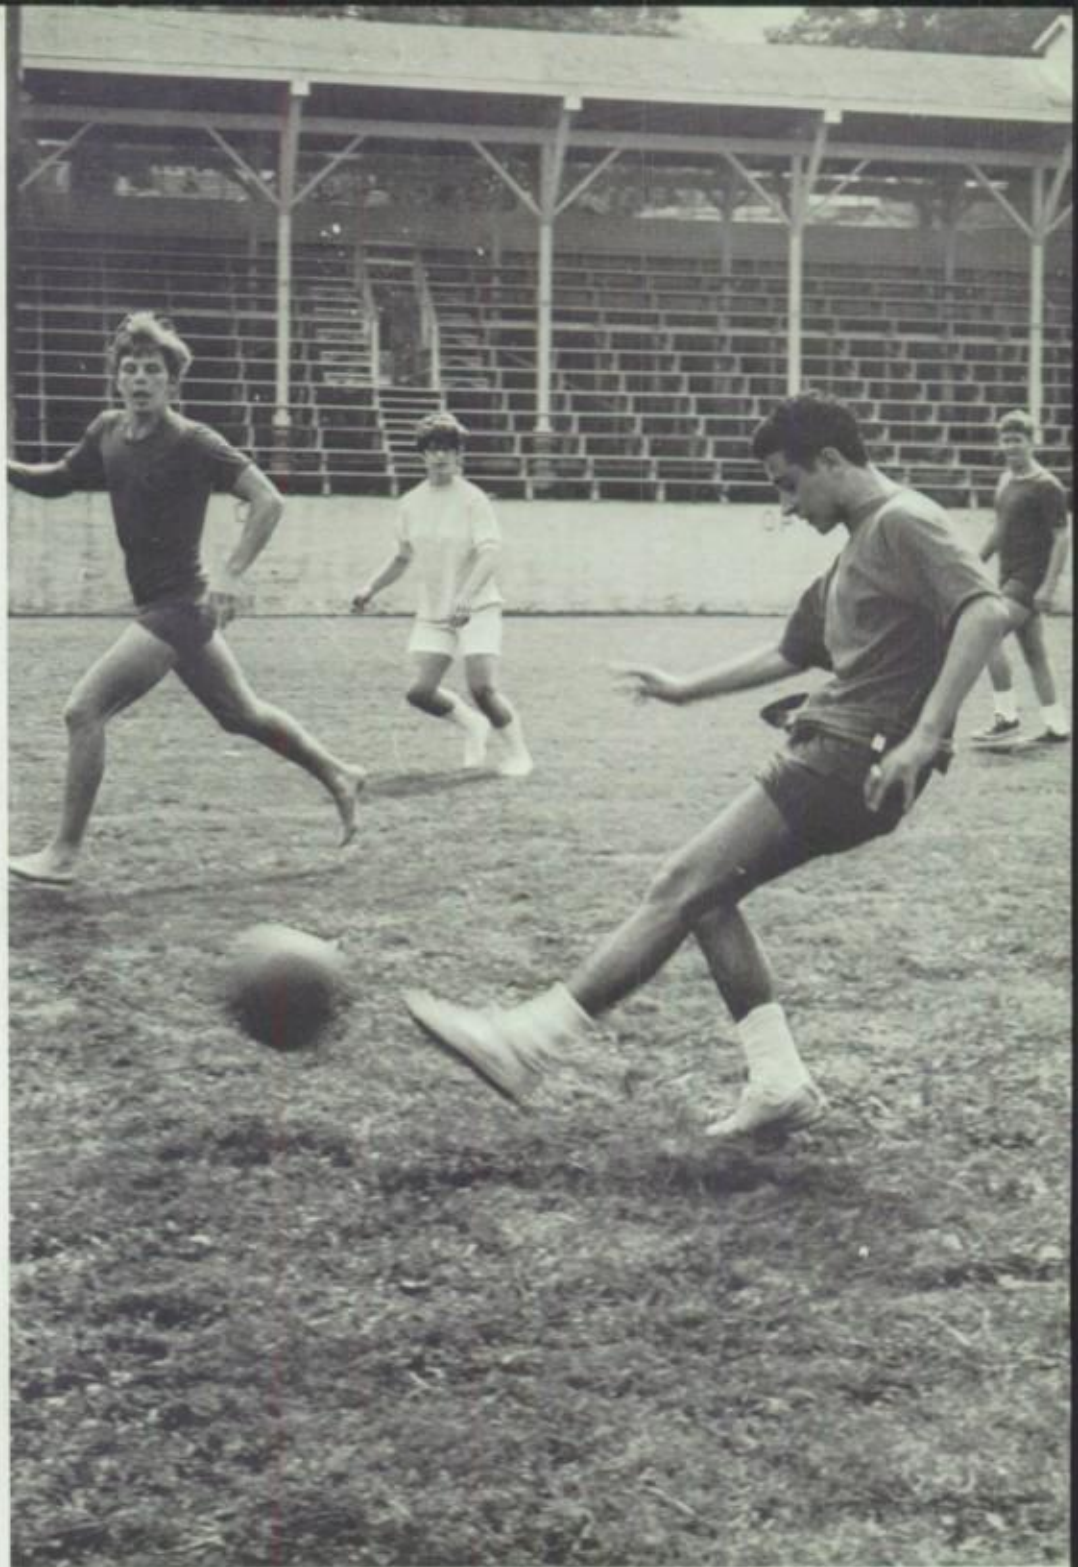

Soccer is his favorite sport, and was even called on by the P.E. Department for demonstrations.

For relaxation, Pat strums his guitar as he sings. He also made guitars in Chile. Pat is familiar with our popular American songs, as well as his Chilean tunes.

Pat is a versatile person and has a special touch for getting along with people. He is a friend to all and DHS, we hope, is a friend to Pat.

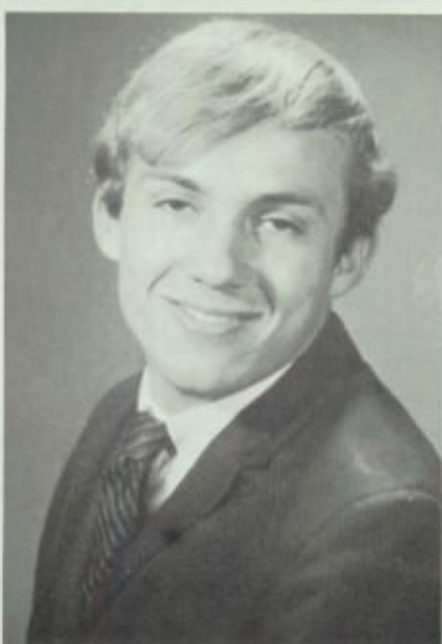

Pat shows his talent at the FHA style show.

Karen Glans and Dave Hughes really get a big kick out of Carol Wilson's castle.

Anne Gale and Ross Rooper duel over the senior bench.

Gloria Geiser and Sheila Niemieir prepare the Chat 'n' Chew for this year's Seniors.

WHY NOT

Why not say that school is for kids
rather than teachers or janitors
or secretaries or cooks
or architects or even principals?

Why not say it and believe it.

Why not abandon required homework
and put a few kids on the streets
or reading books or watching tv
or talking with a friend
or waiting for a sunset
or picking pimples
or just sitting?

Why not throw out
mandatory homework
and find another way
to intimidate kids?

Why not bite your tongue hard

and justify all the busywork you've pawned off on kids
under the guise of "excellence in education."

Why not eliminate homework
and find a better way to teach
cooperative cheating?

And if all else fails

Why not try to excite, stimulate, energize, or inflame a kid
and let the homework take care of itself?

Why not build a humanities cafeteria
with an *a la carte* line loaded with goodies.
Perhaps a student will learn to serve himself occasionally
without always waiting sheep-patiently for the waitress
to push the well-cooked curriculum *du jour*
into his hands into his head

into his heart

the leftovers into his intellectual garbage can.

Why not advertise the delectable and diverse dishes
from language and lit and composition
and LIFE and maybe

just maybe

MR will be better known as Motivational Research
than as Mentally Retarded.

Why not stop drawing and re-drawing the floor plans
of our homemade curriculum prisons
with every fetter in place
anchored securely with the cement of whatever's current
from the past?

Why not (indeed) stop drawing fresh plans of old prisons
and start tunneling or scaling or vaulting
or even scratching a little.

Why not try to find revelance
between what goes on in class and something else
anything else?

Why not ask a parent for help or a teacher

or a curriculum consultant

or the United States Commissioner of Education?

Why not ask a life guard

or a truck driver

or a poet?

Why not retire the miniature federal reserve board
in every school

that controls the banking practices in classrooms?

A kid earns a credit and puts it into the bank

and once it is safely deposited

he thrown away all of his notes and admits

original innocence

just another virgin brain

with thirteen credits in the bank.

Earn another credit and put it in the bank

earn still another credit and put IT in the bank

earn them, bank them, forget them

earn 'em, bank 'em, forget 'em
findem, earnem, bankem, forgetem
Why not claim language as our rightful stock-in-trade
our raw material
and also our finished product
Why not help a kid take pride
in the power of language personal and social
Why not help a kid use language to communicate
with an editor a draft board
a girl
or to discover the nobility of man?

Why not dissolve the red ink communion
(the grades that DEgrade)
Why produce self-satisfied grade mongers
judging their worth by OUR standards
that make credit bankers out of philosophers
that make us teach multiplechoice knowledge
and that convince kids
that the dung beetle
who collects the biggest cognitive ball is best.
Why not try to evaluate kids honestly
individually
Why not try to find what a kid learns from you
rather than what he hasn't learned from his past teachers.
The difference between a student and a teacher
should be something more than a grade book
or an answer book.

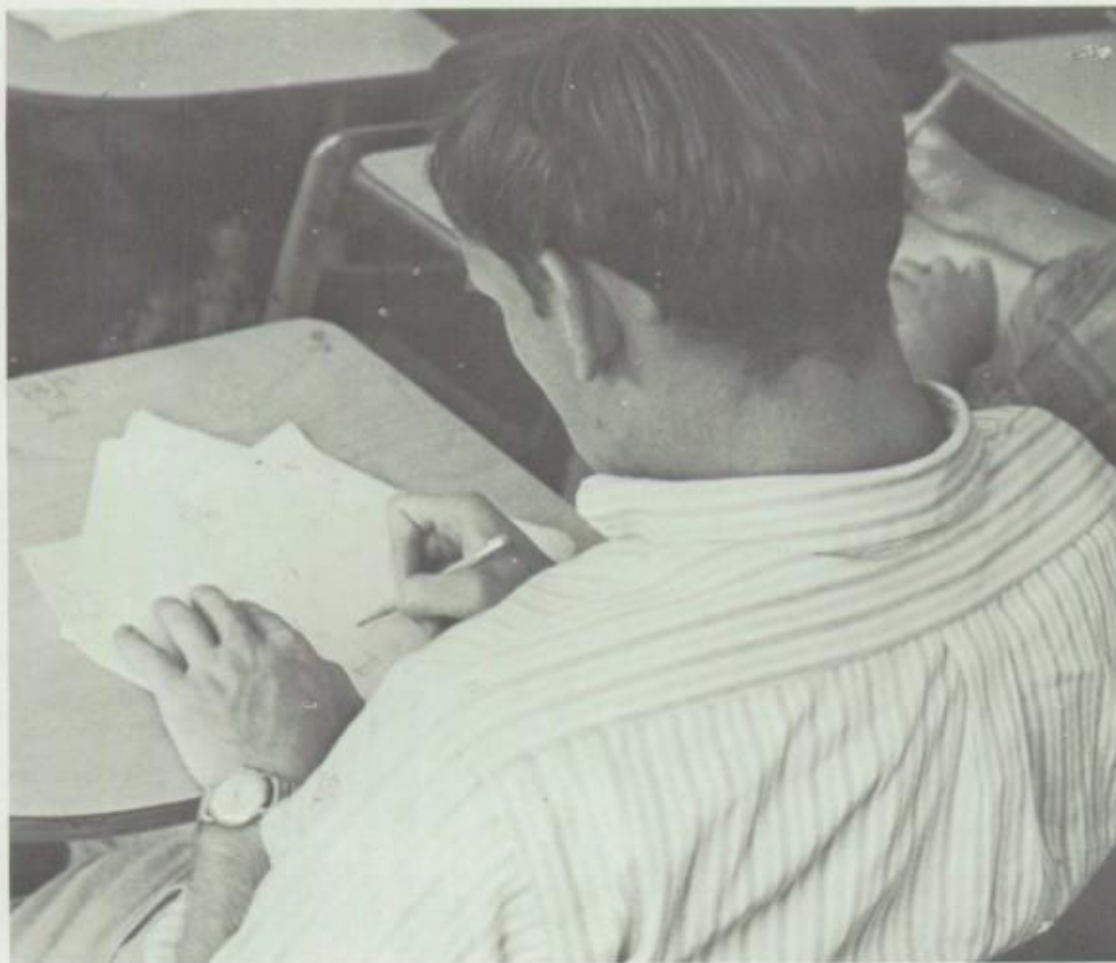

Why not make attendance optional?
If the multi-mediaed McLuhan is right
and going to school interrupts education
Why not entice with connections to life
not plague with demands for inconsequence

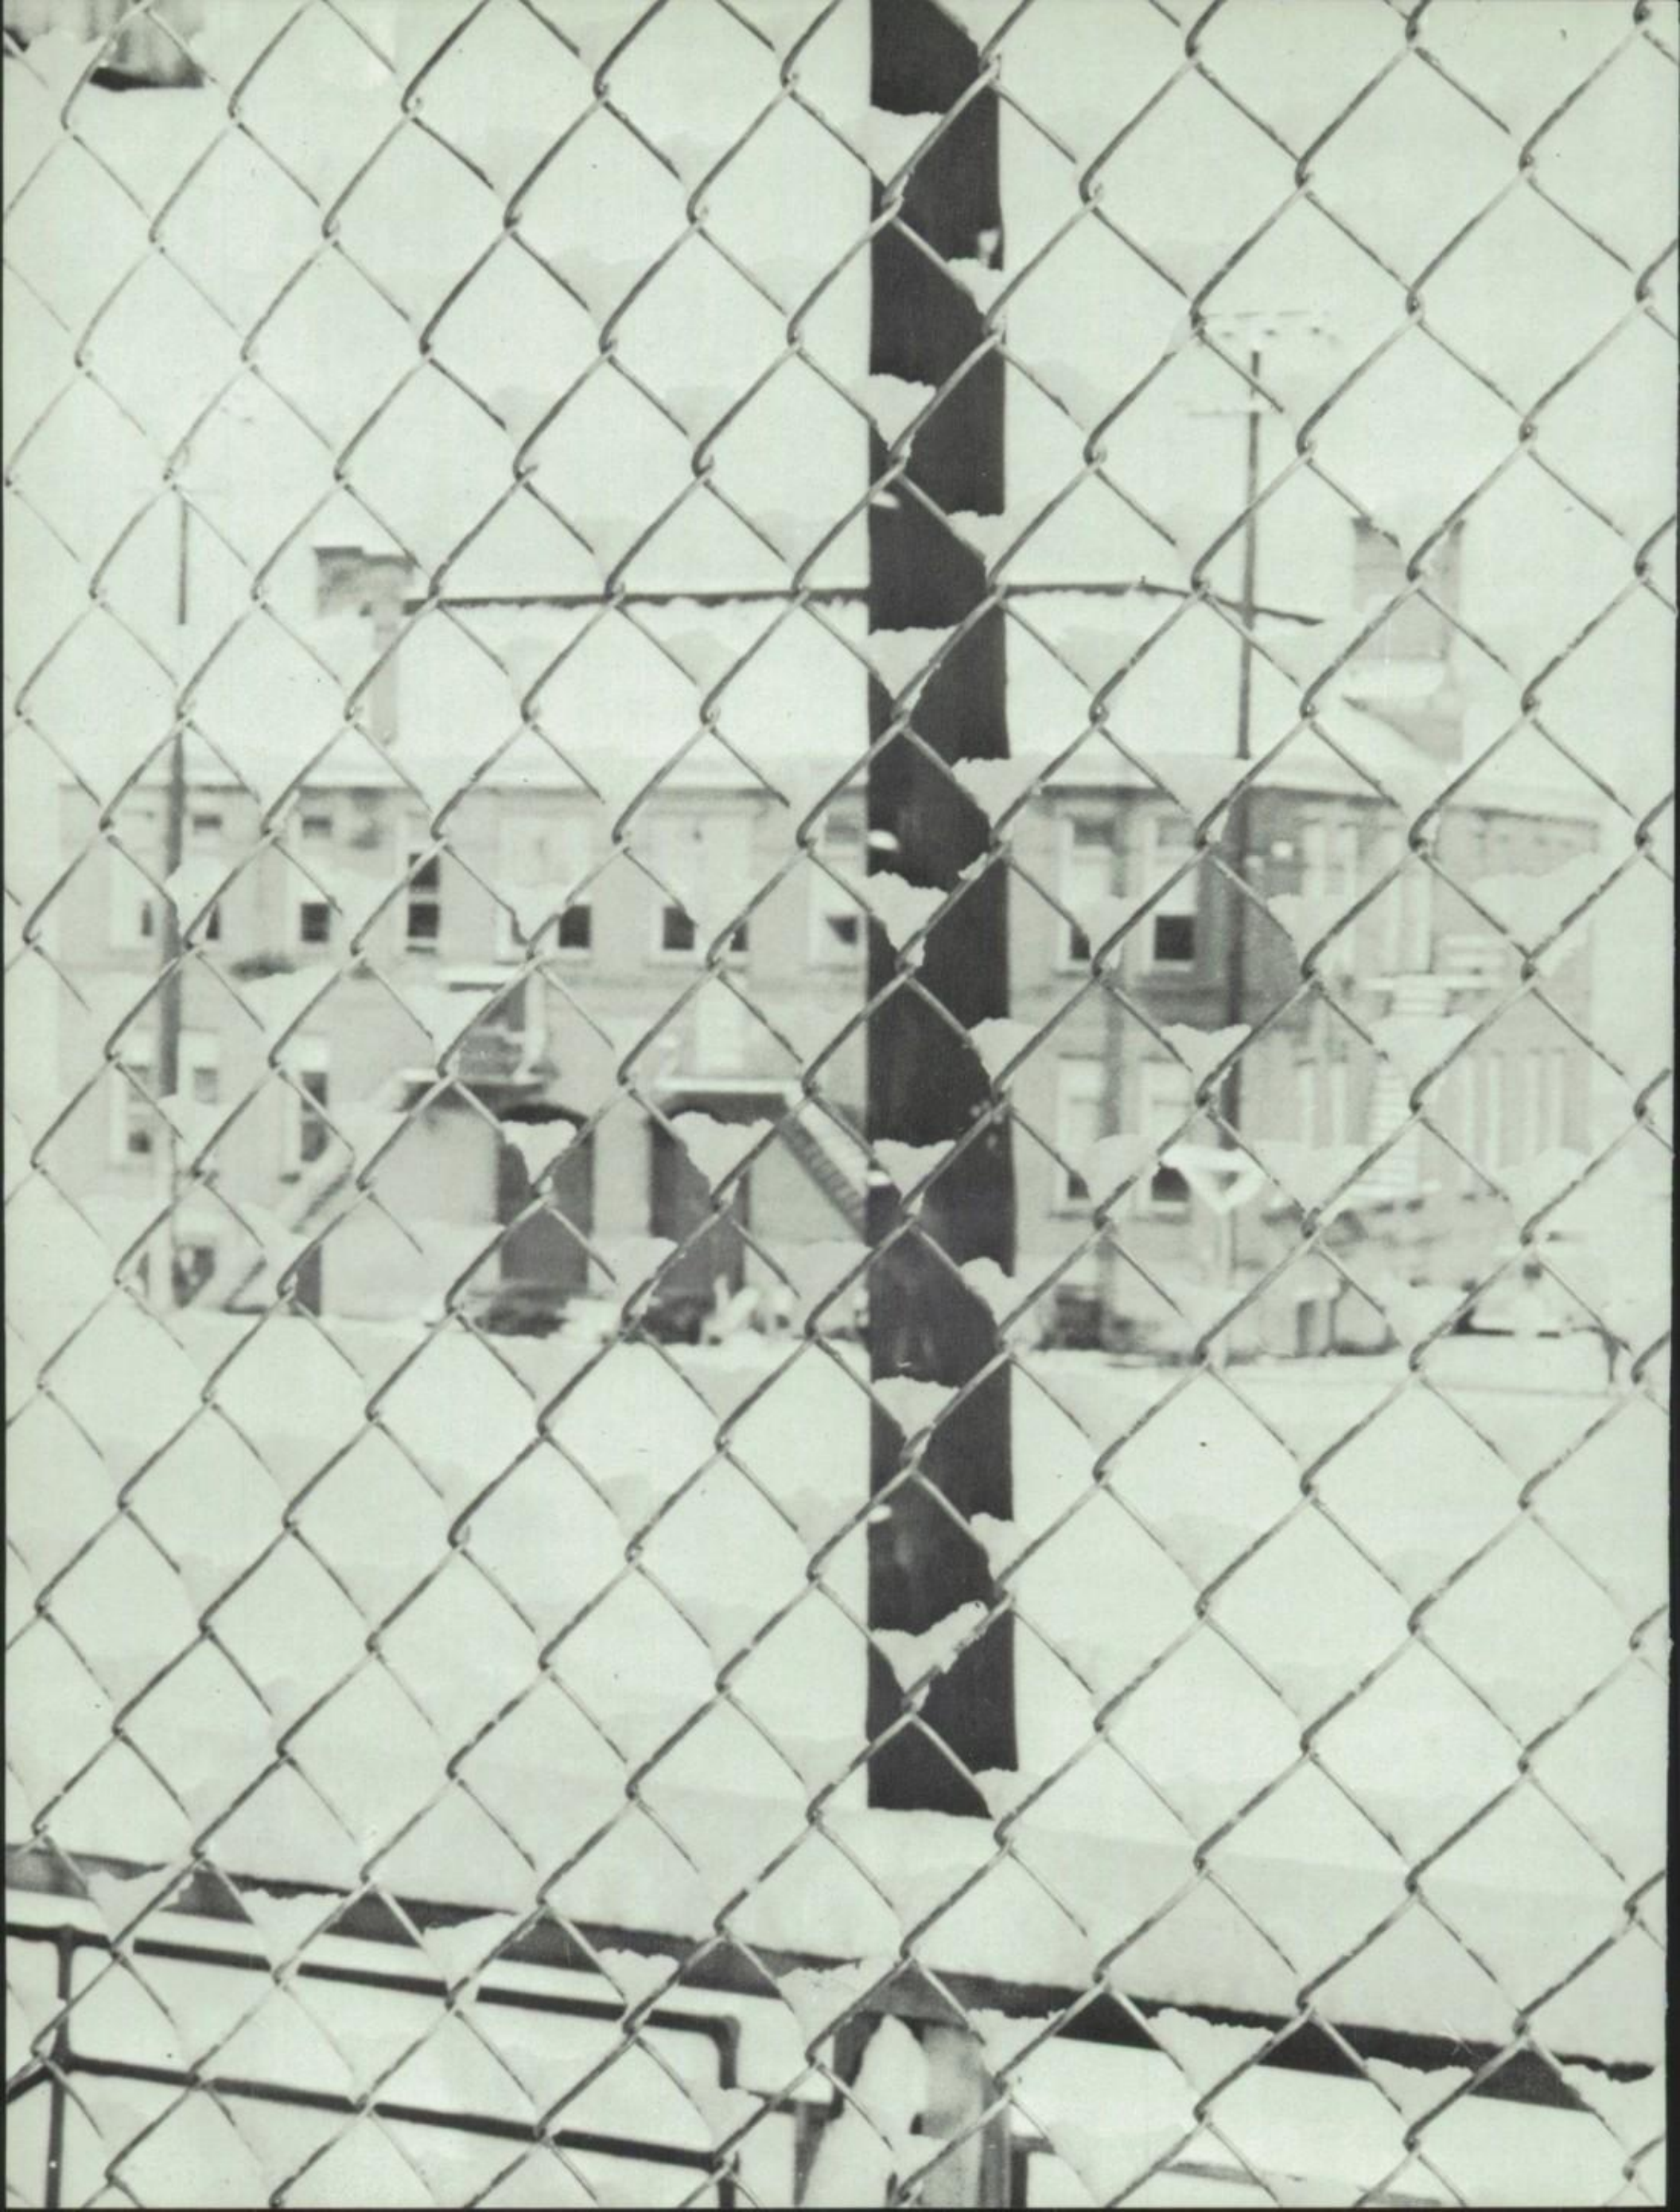

Why not take our eyes off the rearview mirror long enough
to think September 6, 1999
What will IT be?
pain?
vitamin-enriched soma??

darkness???
Why not look into a crystal book or ball and find out
and at the same time find out how our classes can
let a student want to learn throughout life
or make him mankind-sensitive
or let him see his choices and decide
or show him how to love himself
or prepare him for more leisure time AND for cybernation
one cyber Nation, under IBM
indivisible
with conformity and structure for all.
Maybe.

Acknowledgements

Pischel Yearbooks, Inc., our cooperative and tolerant publisher, and Mr. Shields who guided us on a most interesting field trip through the plant.

Mr. Jerry Ratliff, our format technician and liaison man at Pischel.

Sam Fort, friendly and helpful visitor from Master Engravers.

Bolton Studio, Elite Studio, Lans Studio, and Laffie Foster, for supplying us with the Senior portraits—one of these years we will end the confusion about sizes.

Mel Olmstead, a photo supplier and flasher-mender with a smile.

Paul Vittoria of the Tillicum, for taking on assignments when some other unmentionable photographer "couldn't make it."

Maureen McGaughey, extra volunteer typist and slave.

Jerry Thompson, who was sincerely too independent.

Everybody's buddy, body and boy friends who helped us warm up the darkroom on the cold winter nights when we didn't want to do anything anyways.

The teachers who let us out of class to work on Steelhead.

Mrs. Hazen and Christopher, who many times allowed Mr. Hazen to come down to school in the evening and open the darkroom for the one and only student who was silly enough to show up.

Ex-Grads whose experience helped us get the Steelhead into production.

Ray Scofield of Eugene for permission to print "WHY NOT?"

The Tillicum and especially ElRoy King of the Chronicle for the use of their negatives when ours were neither usable nor existent.

Our parents, who let us out of washing dishes so we could go work in the evenings when Mr. Hazen became really bad and mean and threatened to do all the work himself (Ha!).

The Ram Center, Art Department and Office for the use of various and sundry materials (such as staples, pencils, rulers, rubber cement and the phone).

The students of DHS, who were either too polite to express themselves, felt powerless to effect and change, or didn't think it would be worth the effort to prevent the yearbook from coming out late.

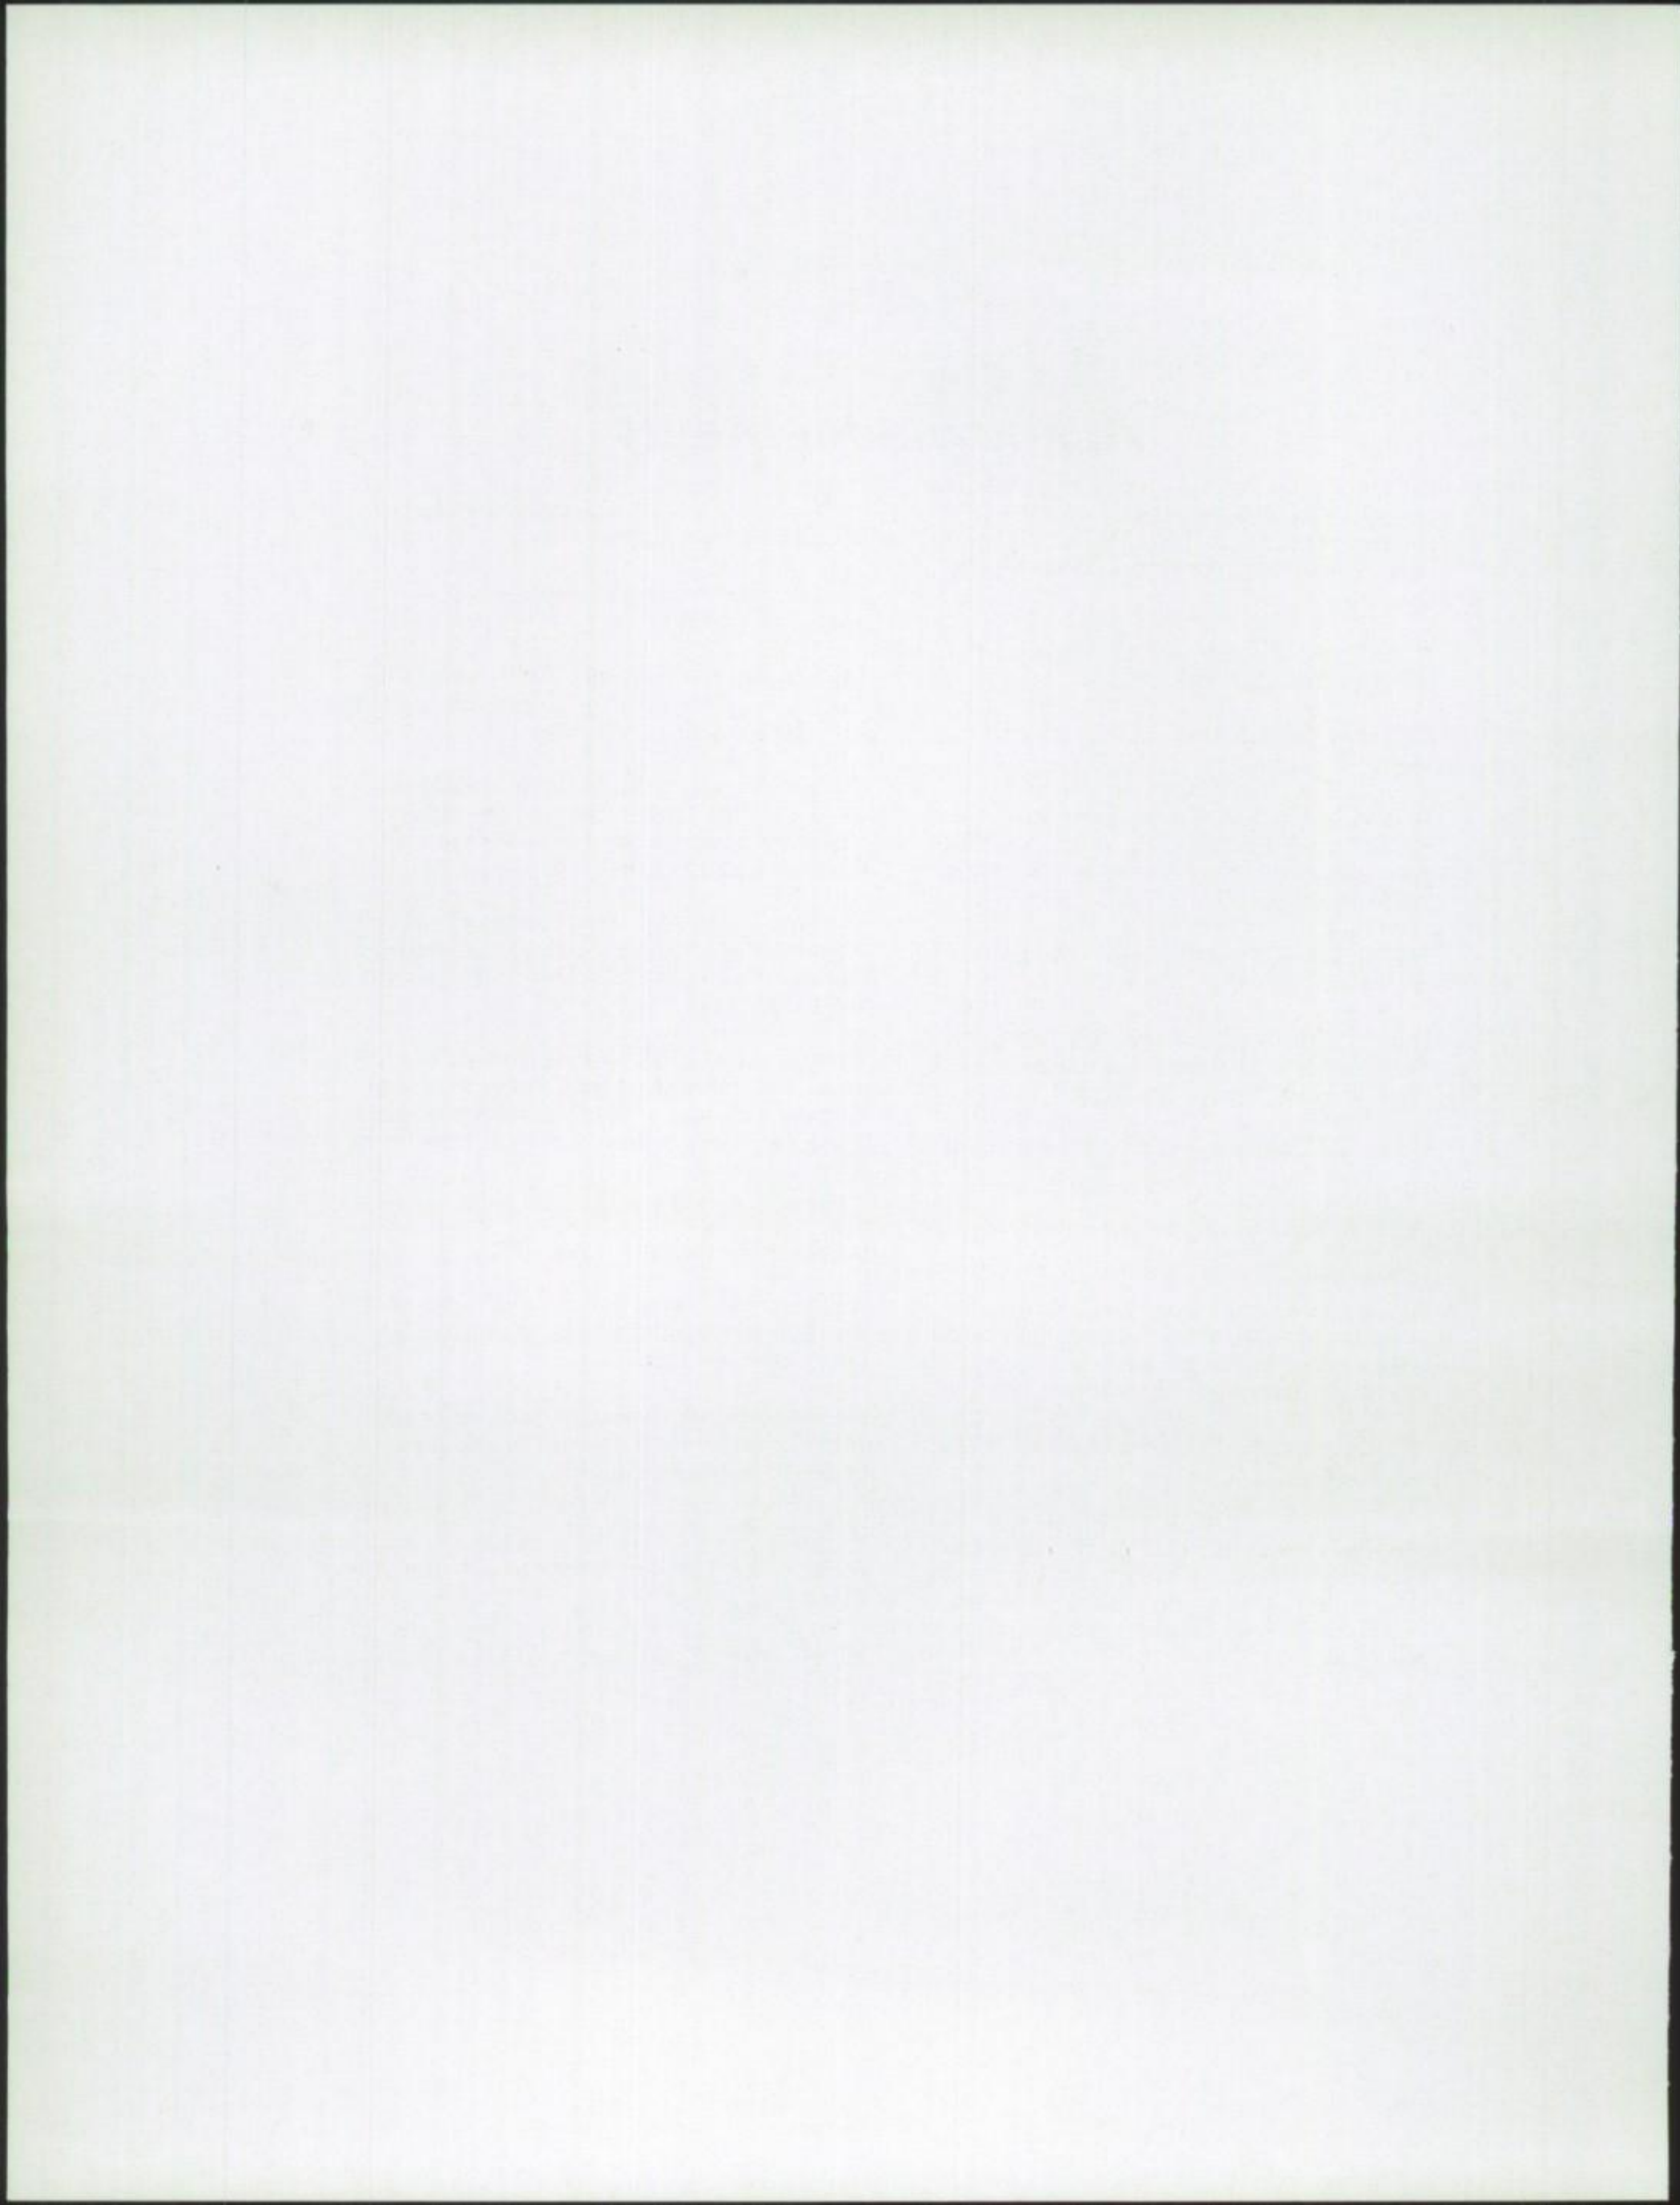

The necessarily anonymous green beret who posed for the picture on page 221.

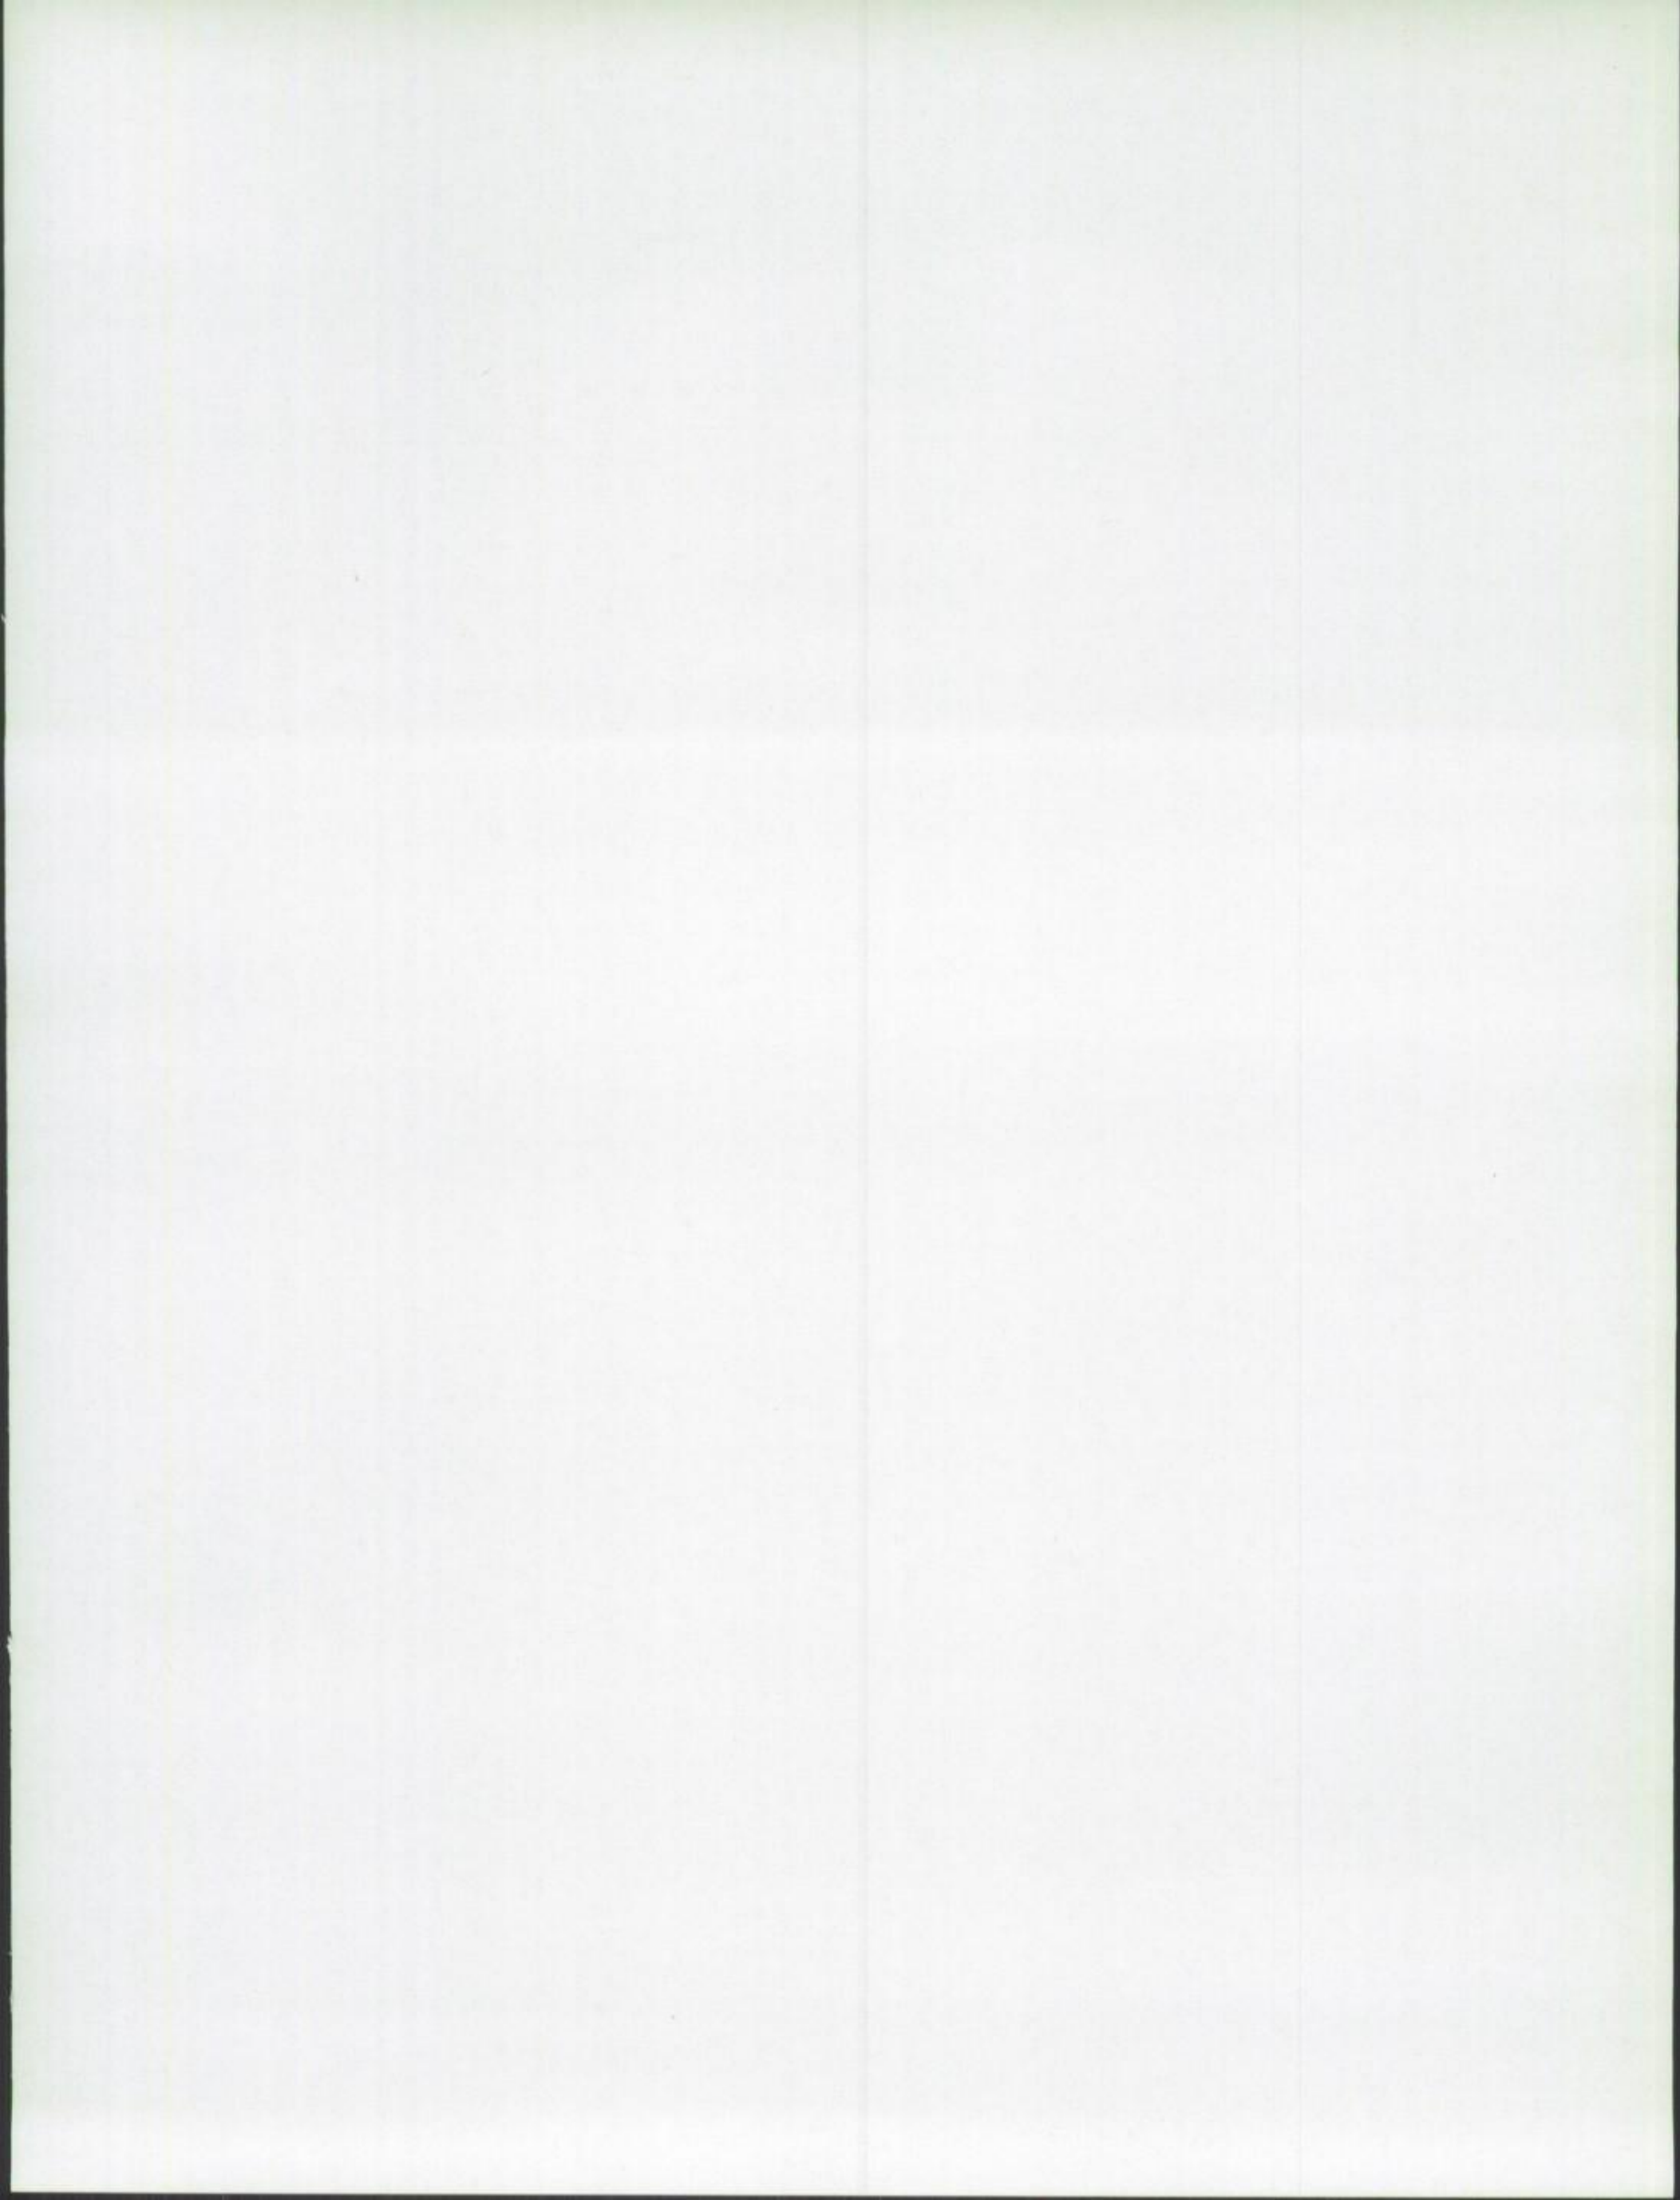

Advisors, who stayed into the wee hours of the night so we could work on this seemingly insurmountable task.

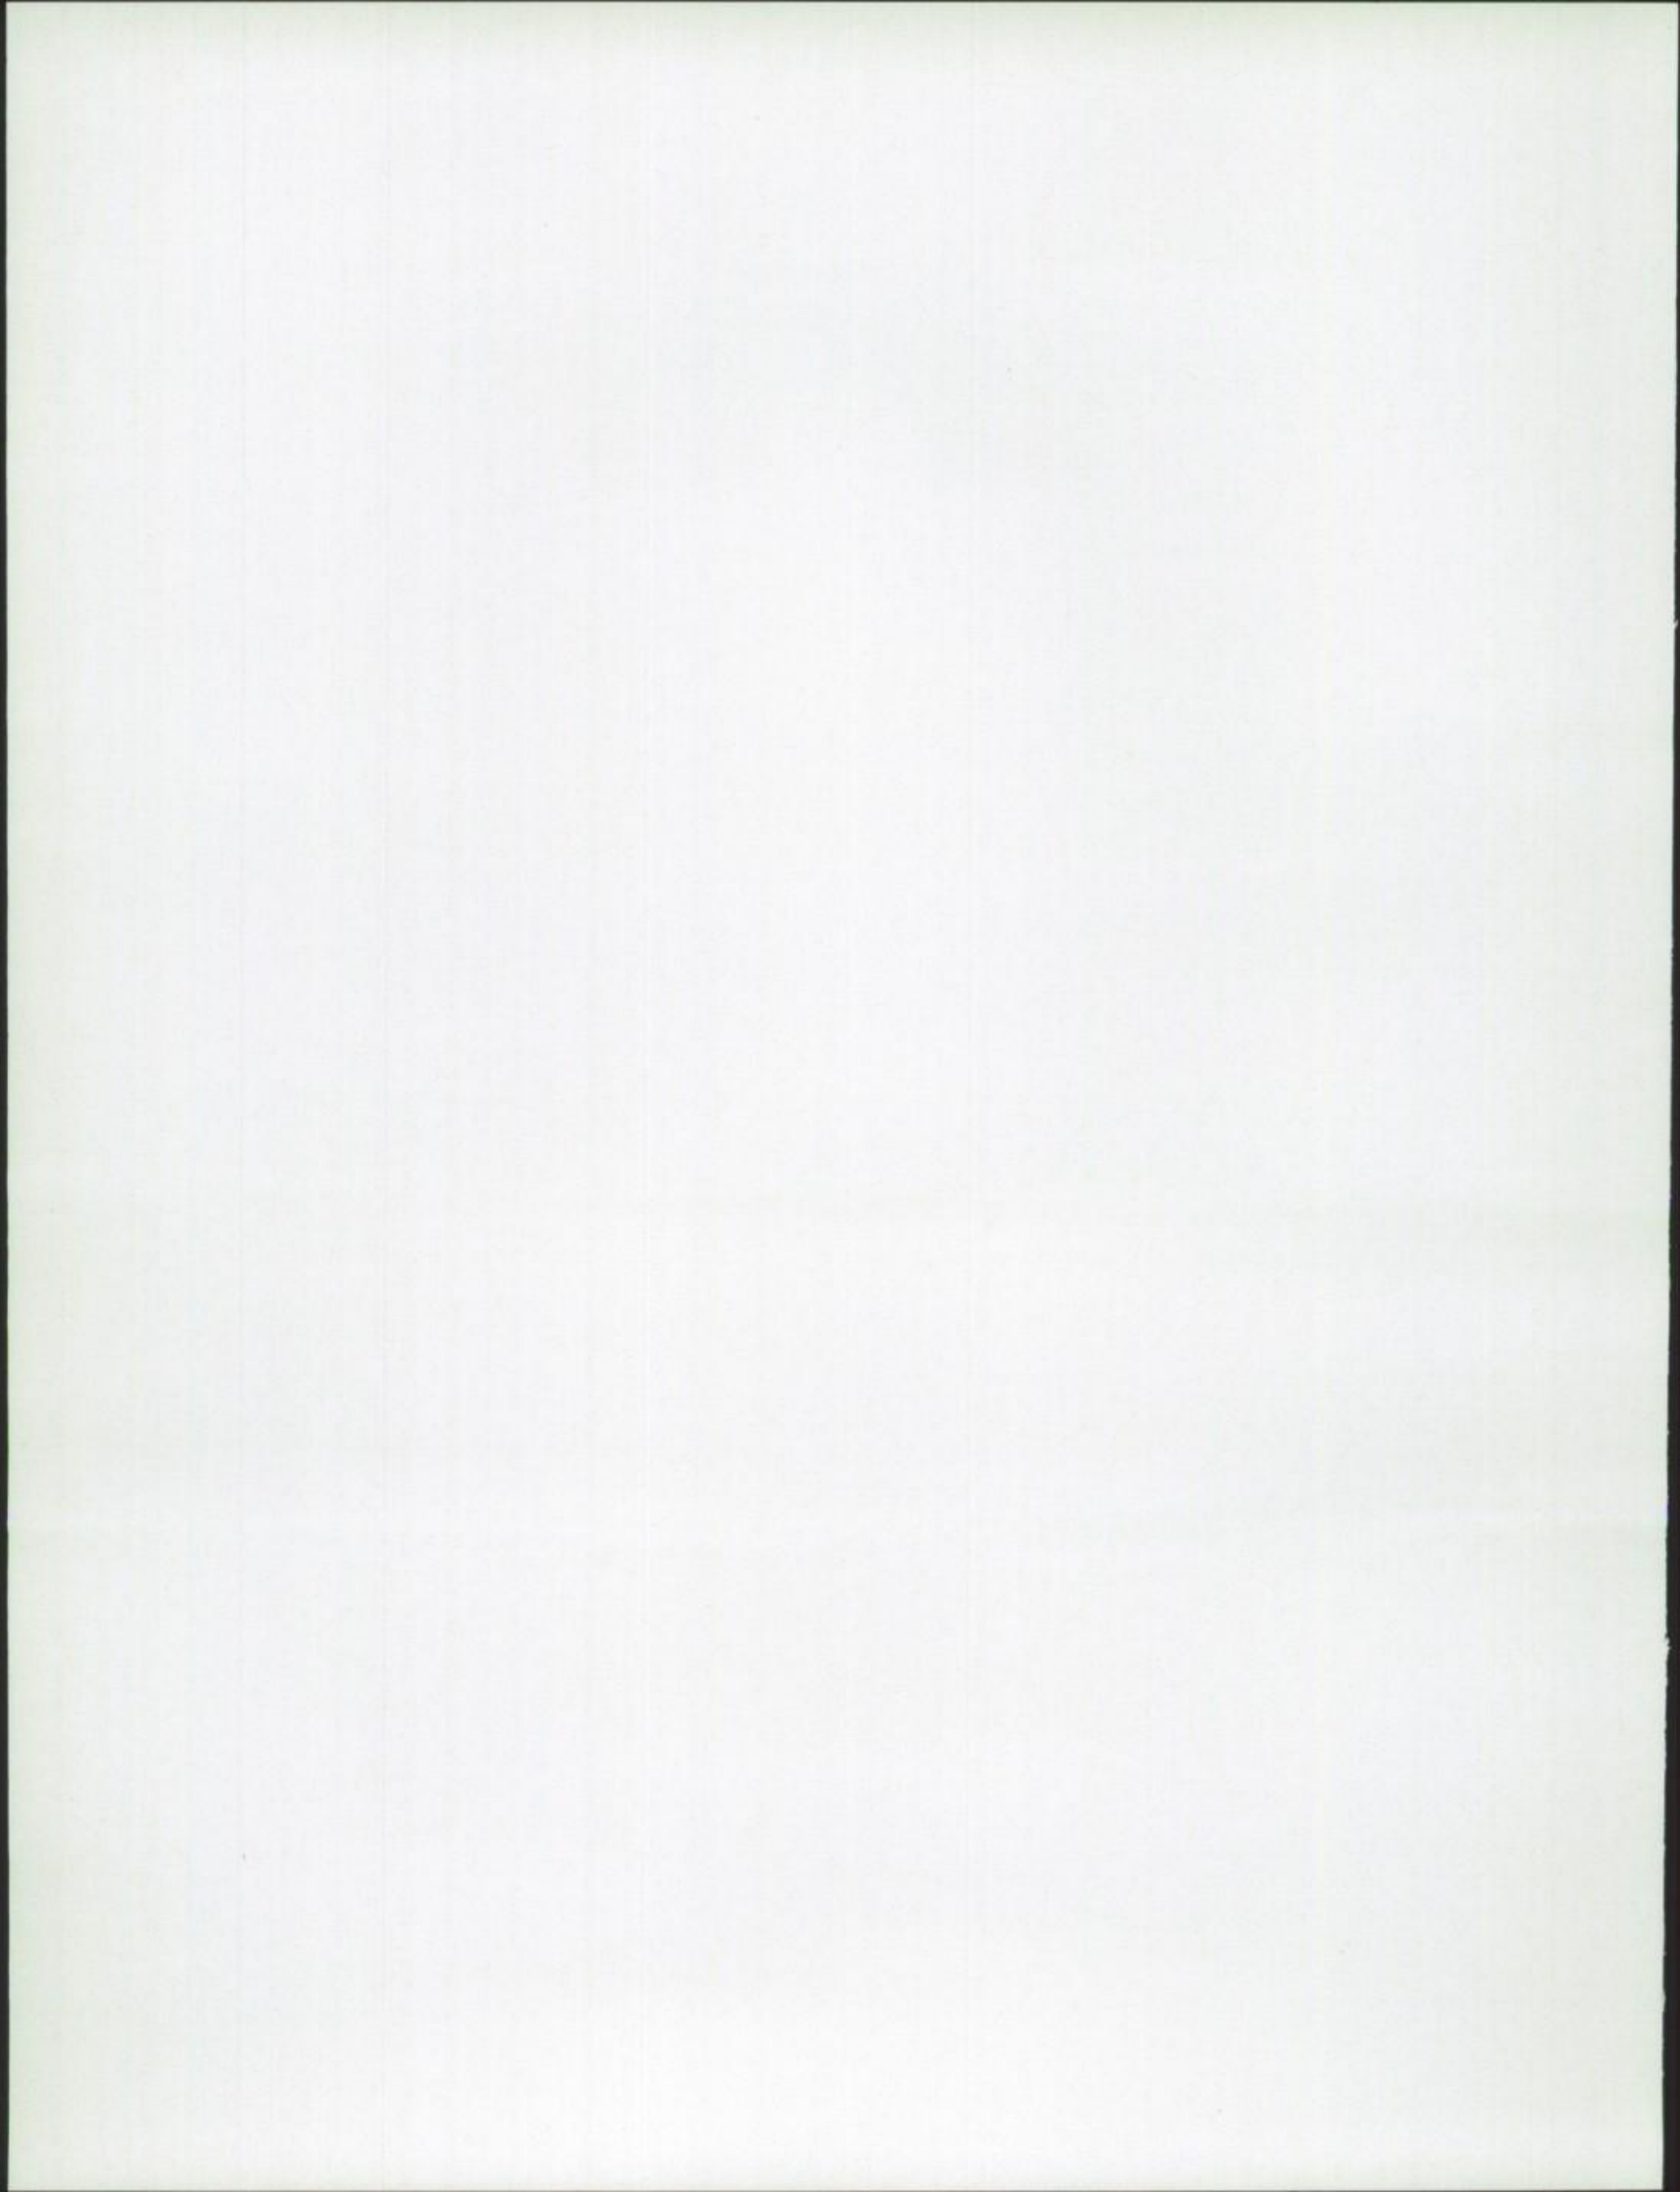

Mr. Turnbull, who never read us before press time like he did the Tillicum and who now probably wishes he had.

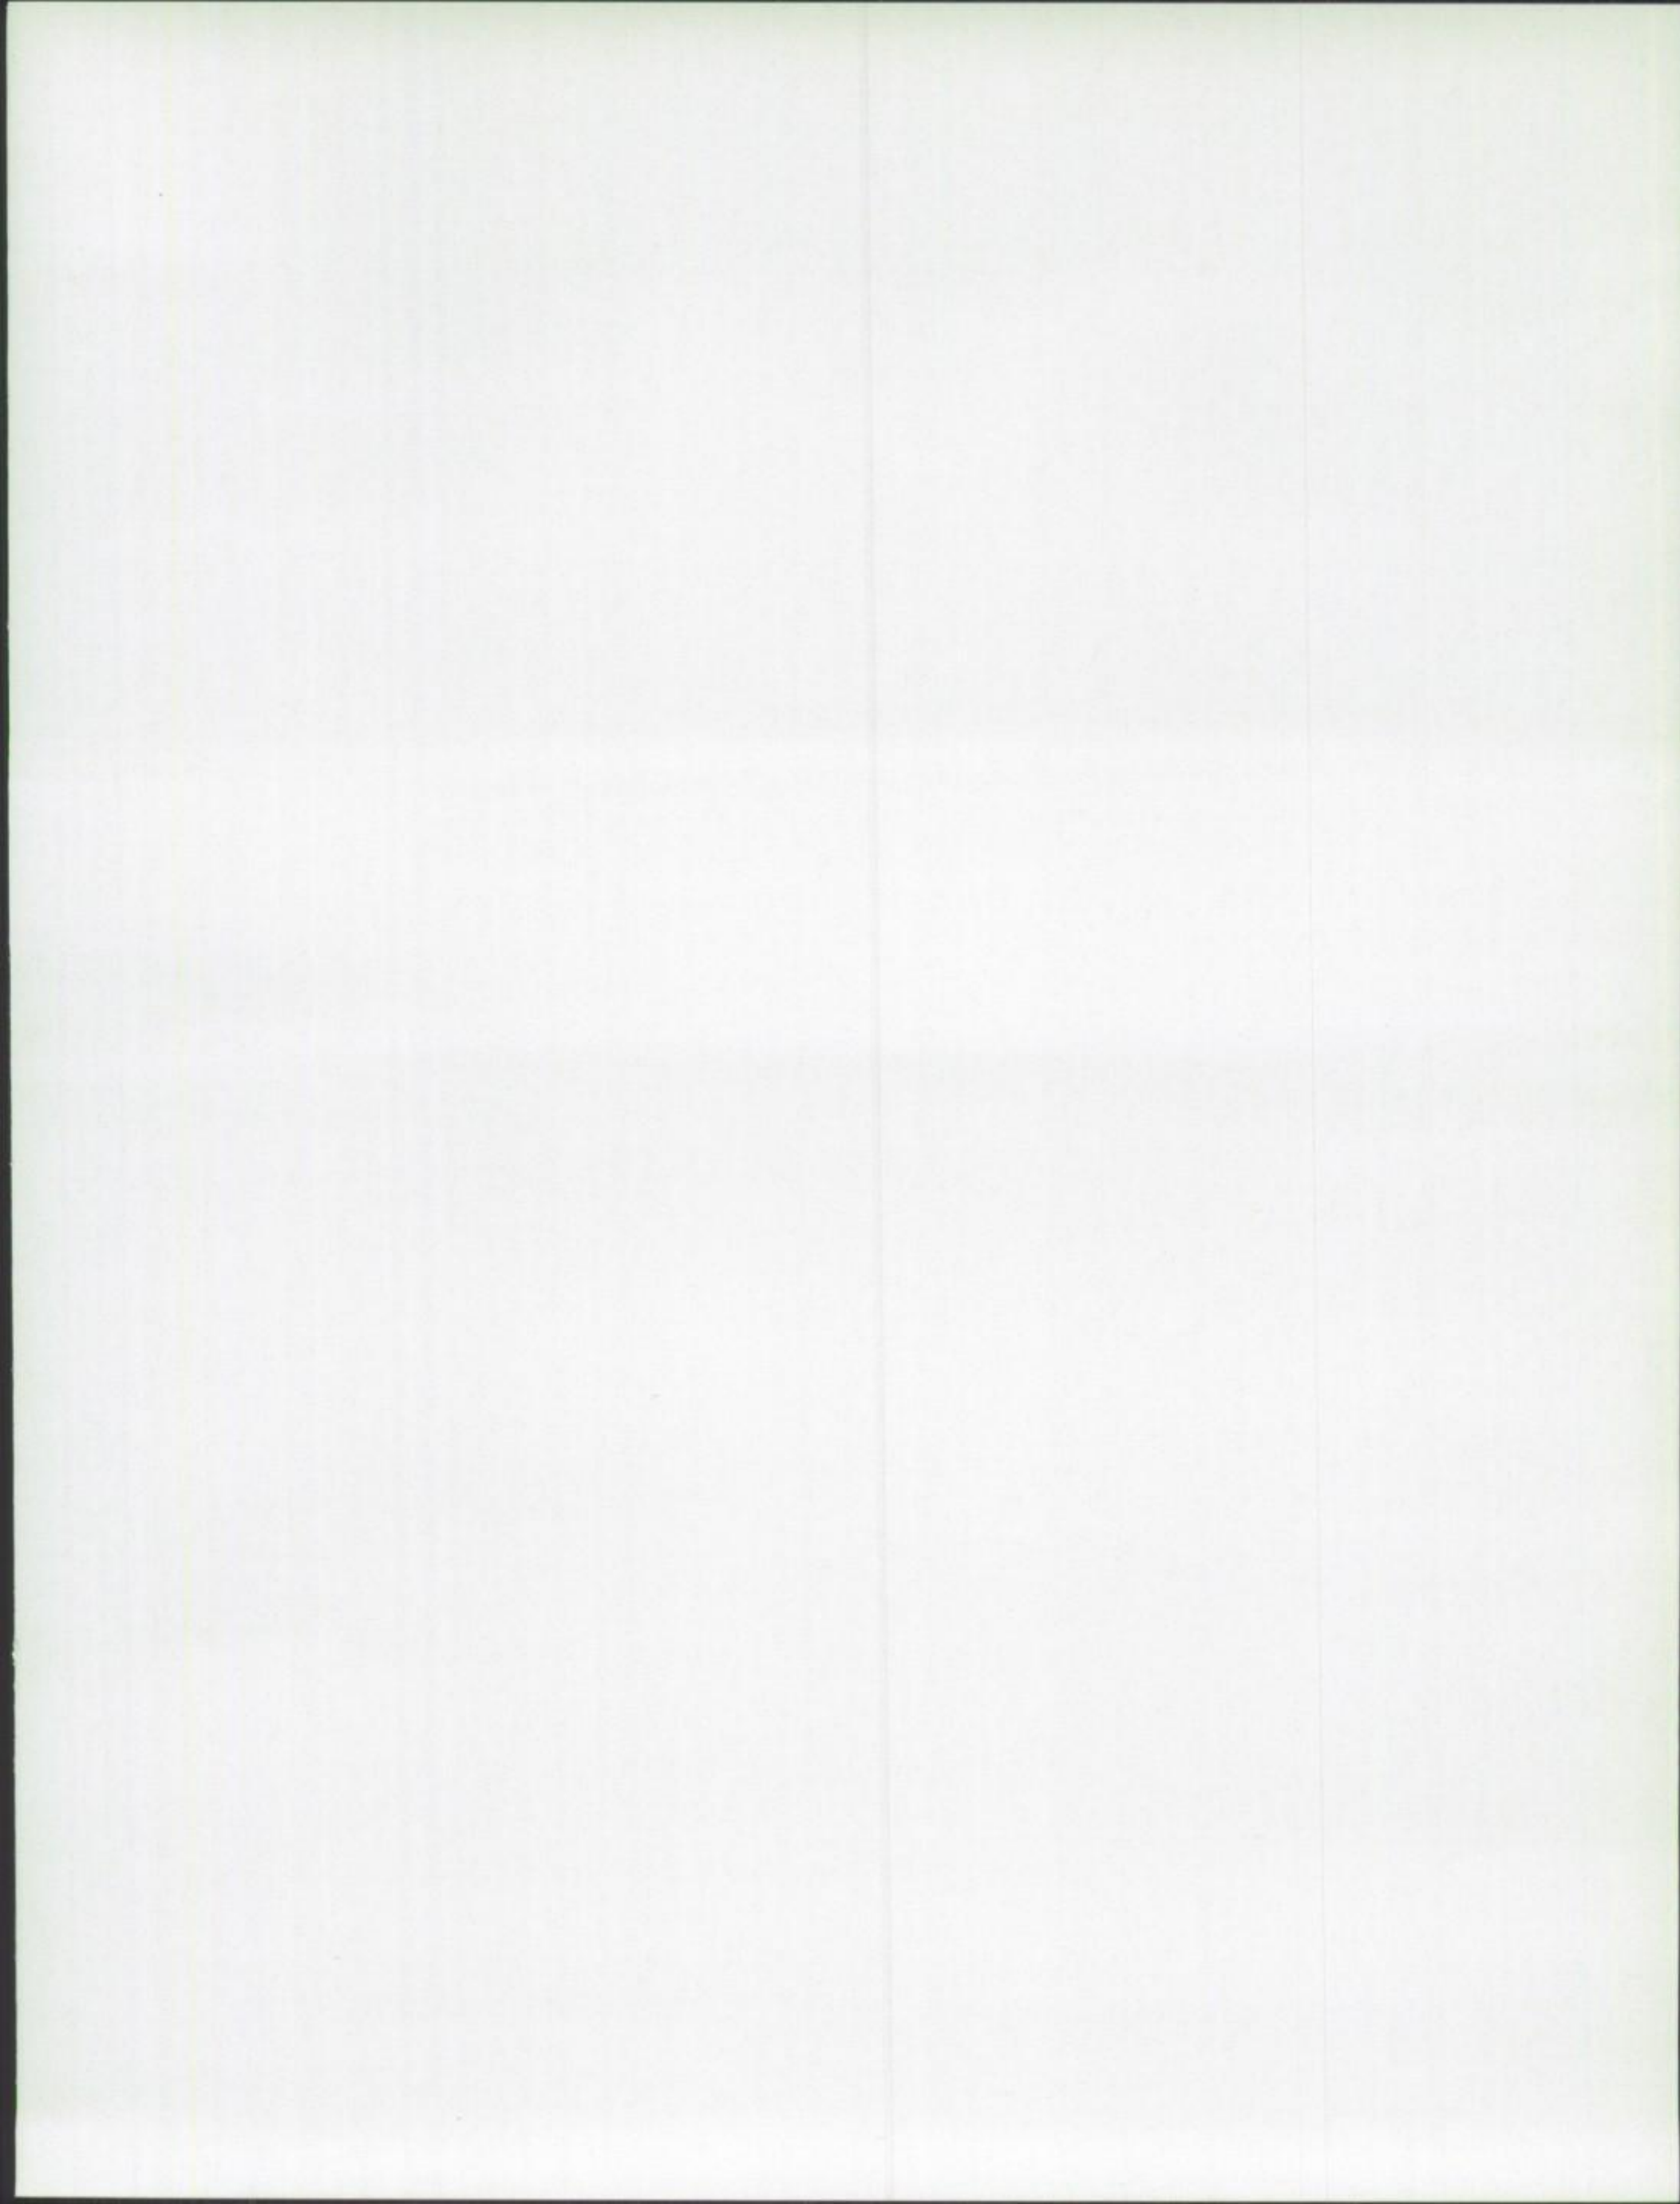

A staff member's boyfriend's father, good friend of Mr. Turnbull, who read something he didn't agree with.

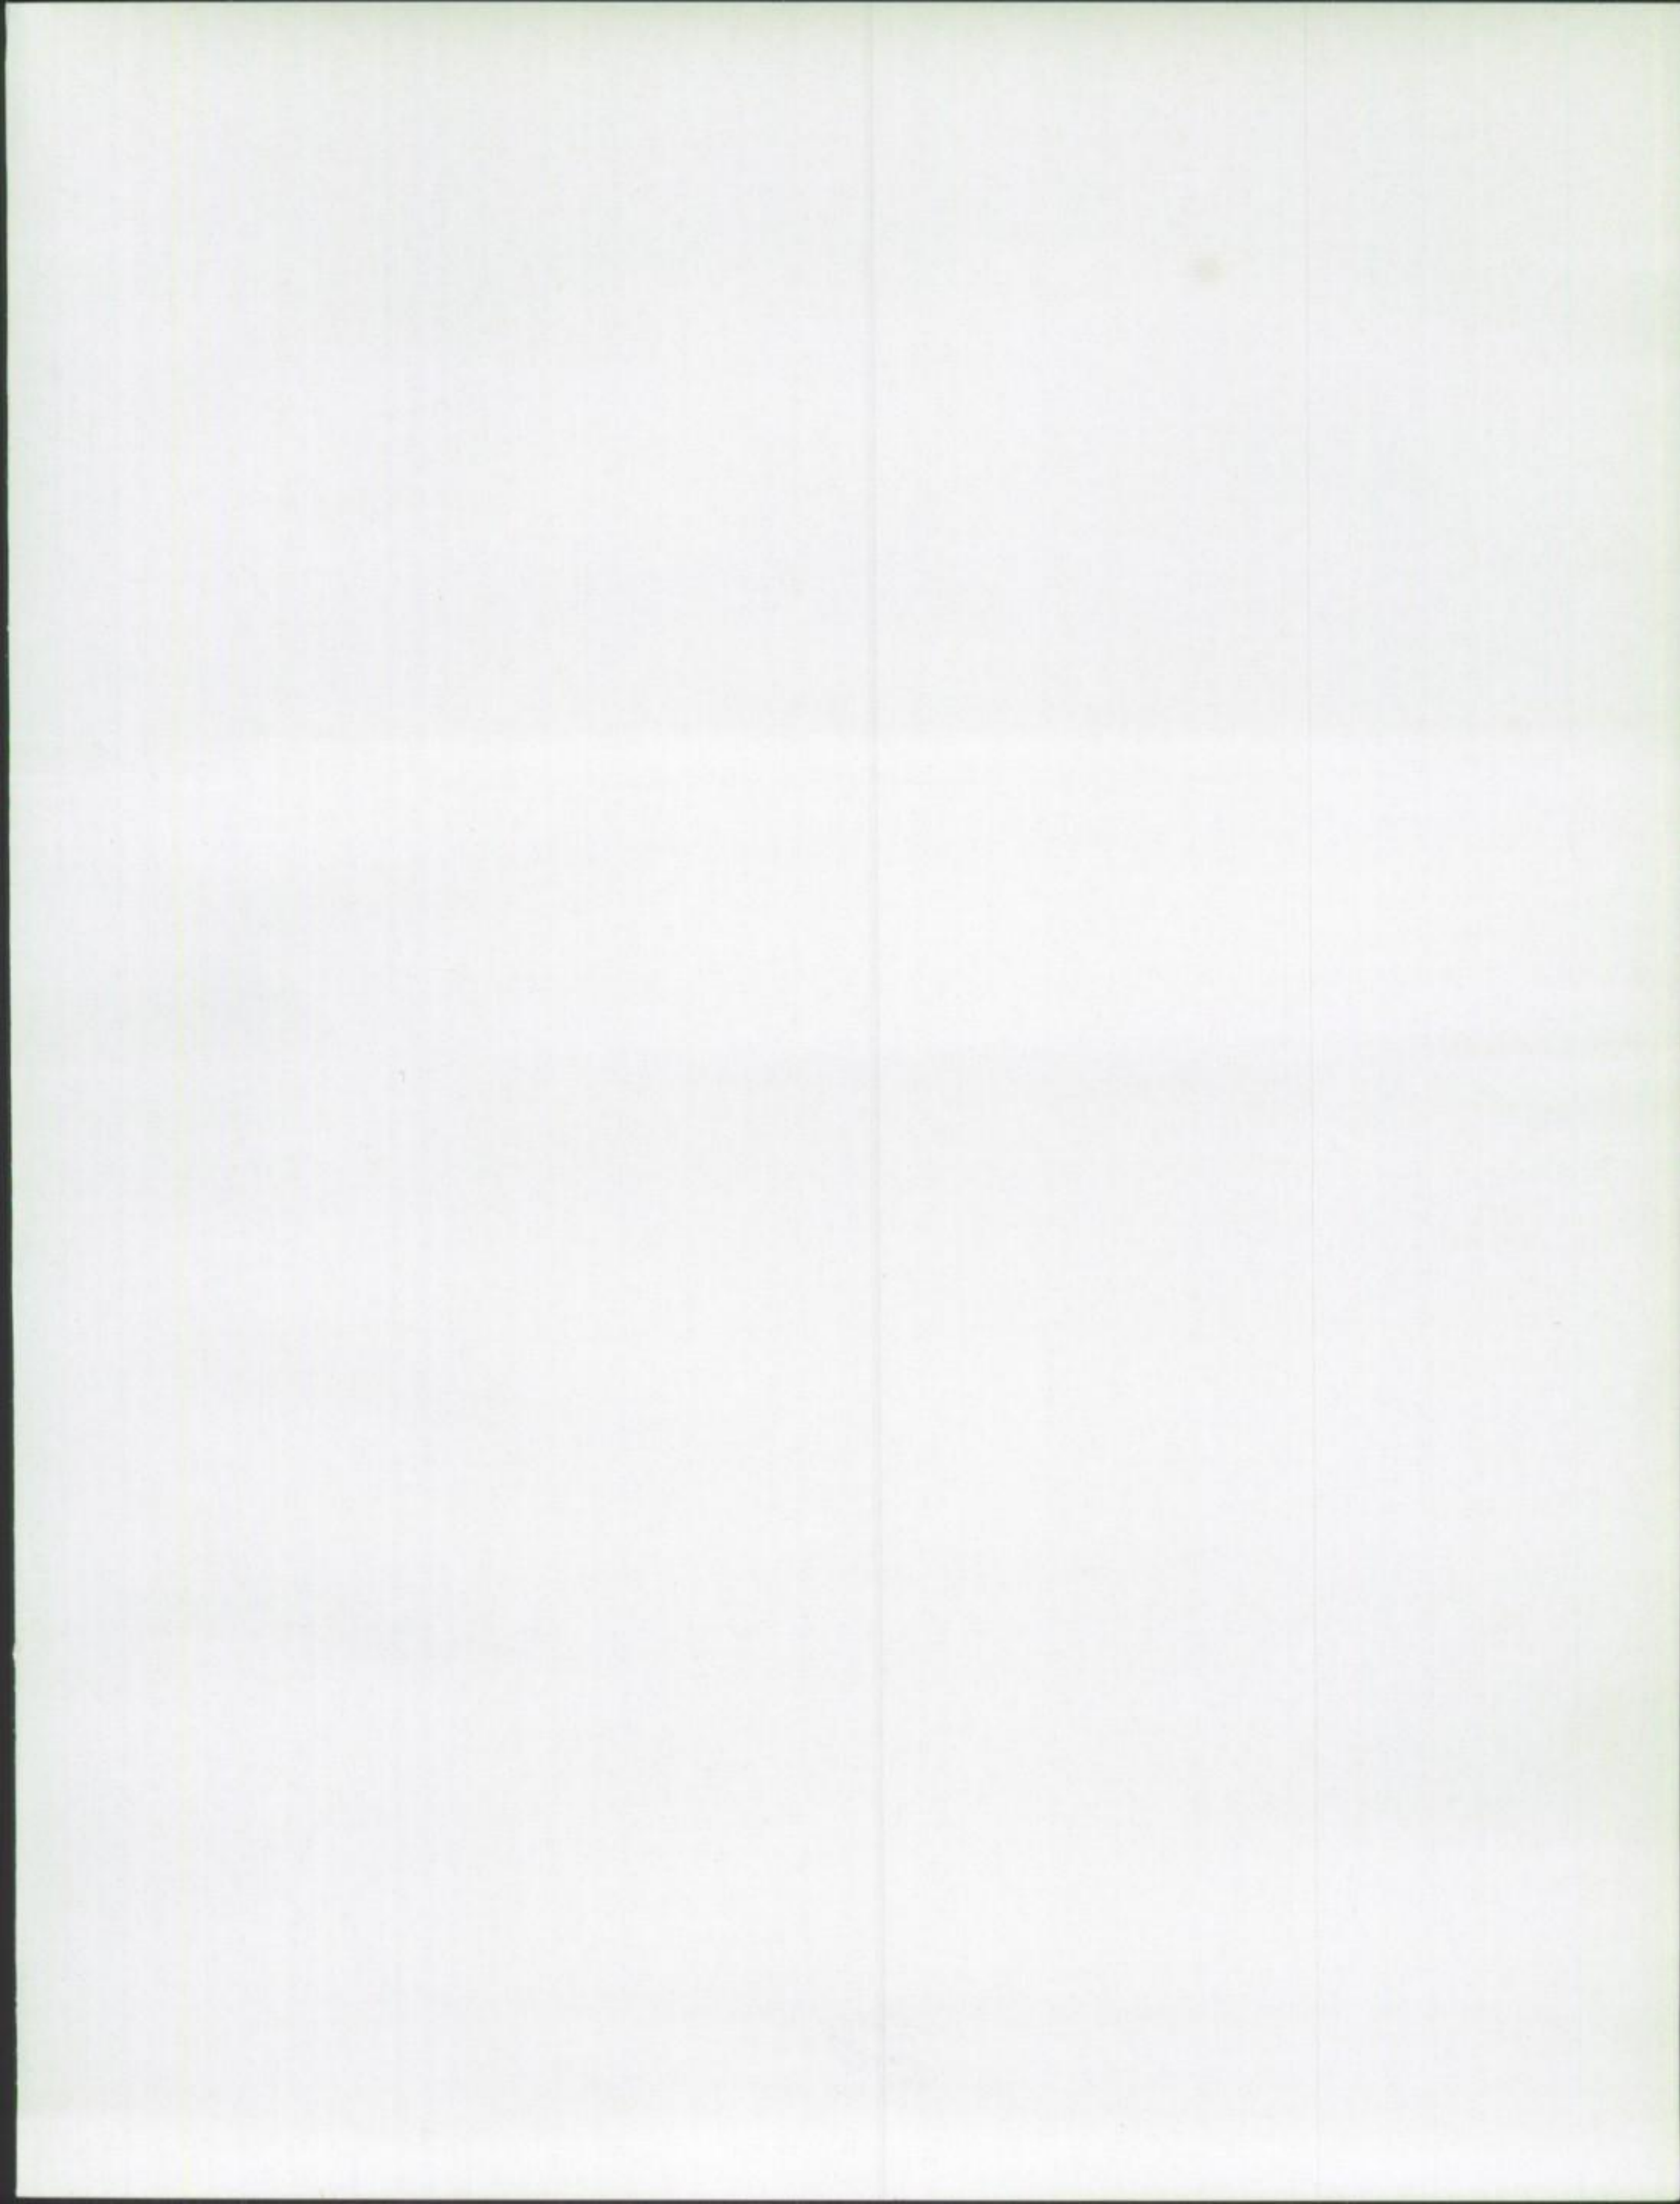

Mr. Hazen, who is no longer with us.
